Your tax return for the year ended 5 April 2021 is late and your penalties are getting higher

After 01 May 2022, a daily penalty of £10 a day is payable for each day your online tax return is outstanding, for a maximum of 90 days.

These penalties are now more than £600

File your tax return online now to avoid further penalties. If you think you don't need to complete a tax return for this tax year, go to gov.uk/check-if-you-need-a-tax-return to check.

If we still haven't received your tax return after the 90-day daily penalty period it will be six months late, and in addition to the maximum £900 daily penalties, you will have to pay a further penalty of at least £300.

If you send us a paper tax return, your penalties may already be higher. This is because the deadline for a paper tax return is usually three months earlier than the online filing deadline.

When will I have to pay these penalties?

We will send you a penalty assessment telling you how much to pay and when. This will be:
• shortly after we receive your tax return, or
• after the 90-day daily penalty period, if your tax return is still outstanding.

These penalties are in addition to your initial late filing penalty and any penalties you will be charged for paying late.

You will also have to pay interest on all outstanding amounts, including penalties.

If you have filed your tax return in the last few days, thank you.

SA372-A0

The more you delay the greater the penalty

Penalties at a glance

One day late
An initial penalty of £100

Three months late
A daily penalty of £10 per day, up to a maximum of 90 days (£900)

Six months late
A further penalty of 5% of the tax due or £300, whichever is greater

Twelve months late
A further penalty of 5% of the tax due or £300, whichever is greater

In particularly serious cases, you face a higher penalty of up to 100% of the tax due.

# HMRC – OPPORTUNITY TO CURE

Time Sensitive Document– This is written In English. NOT DOG LATIN.

Notice to Agent Is Notice to Principal, Notice to Principal Is Notice to Agent

PRIVATE To: Jim Harra doing business as Chief Executive to HMRC. Previously addressed to John Glen HM Treasury, HMRC as Primary contact.

Registered Office: HM Revenue & Customs, Self-Assessment. BX9 1AS

**Subject Matter**: HMRC Demands for payment and self-assessment submission.

Given the data and content provided to date please explain fully why I owe you any credit?

**NOTICE - Written Full Response Required Within 14 Days of Receipt.**

Email Previously : Conditional Letter of Acceptance direct to John Glen.

Copied to England and Wales Police Chief Constables. Zero Response.

Date: 08.08.22

Dear Jim Harra, please copy or inform John Glen on receipt. HMRC, HM Treasury.

This has been sent recorded delivery as previously. See Schedules attached A – K sent recorded.

I spoke with HMRC staff member Stuart Ayre, 21.07.22 on receipt of your communication dated 05.07.22 Schedule 2, Document B a self-assessment daily reminder for over £600.00?

Please refer to Schedule 2 Document 1. For context, relevance and complete picture of events and level of importance. Importance High as TREASON committed and reported. Mike Kane MP aware.

On discussing the running total Stuart began to reel off a number of figures and stated that the total was roughly £3500 give or take at that point.

I asked if my communication of 8.12.21 HMRC Conditional Letter of Acceptance was filed or on record to which he stated it was not. Interesting in that it was received NOT filed, NOT actioned, yet signed for. Time makes it very clear why this isn't being recorded or filed by HMRC given your level of involvement in taking down the UK economy. Previous documents/ events support my statement.

This document set was sent recorded delivery WD559351399GB, received by HMRC 02.11pm 13.12.21 signed IDX. Wolverhampton. Schedule 2. Document C.

You are committing repeated Legal Name Fraud as explained previously see Schedule C. Invoice 3 attached. Please refer to the other supporting documents for your records A-K.

To cut to the chase these documents support that the UK Government are directly involved in acts of terrorism against the UK population and namely myself, the man, bruce – robert and through acts of deception, coercion, lies and attempted murder by invitation or tacit agreement to be jabbed with a bioweapon. This failed as I'm informed and aware of the Silent Weapons Quiet Wars plan from early on having had experience of Government/ Banking/ Regulator/ Police cover ups since 2006/7.

https://www.we-the-people.co.uk/part-2-case-studies Case Study 4.

UK Government have engaged in asymmetrical warfare tactics using biological and chemical weapons marketed as vaccines using Pfizer, Astra Zeneca, Johnson and Johnson, Moderna brand names to name a few.

This has been done with intent to harm or control using advanced T4 Nazi style social engineering techniques, with deadly side effects for many globally. Supporting evidence provided. MP Mike Kane along with other MP's copied previously. We The People email trail with England & Wales Police Chief Constables.

These biological chemical weapons are designed to work with the 5G/ LED target acquiring technologies built into UK street furniture implemented nationally that will activate the self-assembling, graphene nano technology implanted by the jab that will render those who have taken the poison harmed or at least enabling advanced social engineering processes then compliance of the individual to be suggested, triggered or activated remotely. Schedule 2 Documents D & E refer.

Funding of this technology and linked activity is in breach of the Terrorism Act 2000/6. Section 15.

https://www.legislation.gov.uk/ukpga/2000/11/section/15

https://justiceforjabbed.im/

I'd recommend watching or confirming what is taking place by reviewing Christine Anderson's statement. Christine a German MEP who has more back bone than John Glen MP or Mike Kane MP combined reveals. Both Mike Kane and John Glen would appear corrupted by the WEF, UN, CCP, Blackrock, Vanguard, UK Government and were informed well in advance (Heather Buchanan APPG Banking witnessed also James Ventress APPG Banking) that there was an issue to be addressed in UK Government after my meeting in Portcullis House Westminster 16.10.2018 identifying there were factions in UK politics and infrastructure taking down the UK economy. This was then accelerated to murder of the masses by design after event 201 and the jab releases.

Justice for jabbed has the information required to support an informed view on events and impact. Please refer to Schedule 2 Document I. No Virus Mann template. This can be scaled for UK purposes.

Other documents can be provided that have been used in recent court cases as evidence on the UK Mainland. These are with Greater Manchester Police and the Met Police. Document A lists.

You have attempted to unlawfully convert me using Legal Name Fraud on a number of occasions in order to leverage, coerce funds and drain my energy. I do not consent or comply with a Treasonous UK Government, Article 61 Magna Carta lodged previously along with other documents you have decided to lose?

Similarly the NHS and UK Government have tempted me to take the poison and my family the same. Unfortunately some family members now have followed UK Government/ NHS incorrect advice and we will in time resolve this issue following the process indicated through Nuremburg 2.0 trials.

This the UK Government stated was to stop the spread of COVid 19 which is a lie, as the cause is the poison jabs and its tracking agent components after the mass murder of the elderly and infirm through the Midazolam, Remdesevir cocktail given in UK Hospitals and Care Homes giving quote "A Good Death". Matt Hancock as Health Minister confirmed he had the meds, staff and syringe drivers to effect this outcome that then fuelled the killer COVId 19 Jab initiative.

This is a synthetically engineered DNA/ mRNA driven immune system suppressor/ DNA altering process derived in the US, further developed in Wuhan then UK labs. Please refer to the documents for filing against the UK CROWN COPYRIGHT/ UK GOVERNMENT, CORPORATE entity MR B R LAMB or BRUCE ROBERT LAMB for future reference.

Refer to the work of Doctors Stefan Lanka, Thomas Cowan and Andrew Kaufman for more detail to confirm there is no virus, the PCR tests don't work and there is no contagion.

Many professionals in medicine and the legal realms now agree with these facts. This includes the ex Pfizer CEO Professor Mike Yeadon.

In plain terms through a series of lies, CORPORATE constructs, fabricated data, deception with genocide being the driver this UK Government and its controllers let's call them either The Kazarian Mafia / Cabal / Globalists, who are effectively your bosses have attempted to Kill, Maim and Murder the UK population and specifically here the man bruce-robert: LAMB. As stated acts of terrorism and genocide have taken place.

I have no desire to fund or support terrorist activities it is both illegal and unlawful. Please refer to Documents A-K for confirmation of my statements. I do not consent and this Government are external agents of foreign commercial powers driven by a eugenics programme that is funded through a Bill Gates/ GAVI/ UK GOVERNMENT initiative endorsed by WEF/ UN members specifically Boris Johnson in this phase others will no doubt follow. These acts are illegal and unlawful across all jurisdictions.

Failing to record centrally, alter or omit documents as to my reasons for non-compliance is a breach of your professional duties given id be financially supporting a mass murder initiative. Please make this clear on your records.

The UK Police Constabularies at Chief Constable and above are doing the same as witnessed by the lack of attention given to the extensive reports and efforts of Mark Sexton and PJH Law who were copied on We-The-People emails to all Chief Constables in England & Wales 2020 to date.

https://www.we-the-people.co.uk/ https://www.we-the-people.co.uk/part-2-case-studies

https://www.we-the-people.co.uk/download-pdf-version-master

https://www.we-the-people.co.uk/contingency

Please make yourself aware of the efforts taken to inform the authorities tasked with maintaining Constitutional Law in England & Wales.

Jim Harra, this needs your response as Chief Exec of an organisation that would appear to be fundraising for terrorist activities. This is an OPPORTUNITY TO CURE. Stage 2 prior to DEFAULT.

Please provide written confirmation no funds whatsoever from UK taxes or HMRC has supported acts of terror against the UK public from such events as the 7/7 London bus and tube bombings as documented in the 7/7 ripple effect documentary.

The Manchester Arena bombing 22nd May 2017 was not investigated fully, this was restricted and now the attempted Genocide of the UK population through Jabbed based bioweapons marketed as vaccines to be used with 5G/ LED triggers for a so called disease that doesn't exist naturally, except through lab creation and over hype by the CDC, WHO, NHS, Media/ Press, UK Local and Central Government influenced by Masonic/ Level 33 - Jester/ Satanic and Common Purpose factions.

Please review provided supporting documents A-K. You will find references to Silent Weapons Quiet Wars which commenced 2nd June 1953 Coronation Day.

The importance here is that Liz 2 is a fraud as she is/ was NOT Royal nor the legitimate Monarch having NOT been crowned on the Stone of Destiny. This the Kazarian Mafia are fully aware as she is a 3/16 Rothschild, this is the leverage enabling Royal Assent to be passed on acts of oppression and terror against the UK Public and The Commonwealth and global population in general.

How the wool was pulled over our eyes is recorded by Greg Hallet Chapter One, Tacit Consent by Deceit. Schedule 2 Document K.

Silent Weapons Quiet Wars can be provided in full or an original copy can be downloaded here:

Page 48. Consent The Primary Victory: I Do NOT Consent. Text below applies to UK also. 2.6.1953.

CONSENT,
THE PRIMARY VICTORY

A silent weapon system operates upon data obtained from a docile public by legal (but not always lawful) force. Much information is made available to silent weapon systems programers through the Internal Revenue Service.(See Studies in the Structure of the American Economy for an I.R.S. source list.) This information consists of the enforced delivery of well organized data contained in federal and state tax forms collected, assembled, and submitted by slave labor provided by taxpayers and employers. Furthermore, the number of such forms submitted to the I.R.S. is a useful indicator of public consent, an important factor in strategic decision making. Other data sources are given in the Short List of Inputs.

Consent Coefficients -- numerical feedback indicating victory status. Psychological basis:

When the government is able to collect tax and seize private property without just compensation, it is an indication that the public is ripe for surrender and is consenting to enslavement and legal encroachment. A good and easily quantified indicator of harvest time is the number of public citizens who pay income tax despite an obvious lack of reciprocal or honest service from

Given Liz 2 isn't the true Monarch and there are questions arising over her legitimacy in many areas also whether she's still on the earth plain or not remains to be seen.

I'd be correct in saying that potentially that no acts statutes would be valid since George VI demise in 1952 therefore all budgets and tax claims made by HMRC and the UK Government are invalid from 1952 or at least 2nd June 1953. Acts & Statutes are for PERSONS/ FICTIONS I am a living man.

Please confirm receipt of the schedules/ Documents A-K attached as opposed to losing the data provided.

Find my latest invoice for unlawful conversion attempt as NOTICED previously principal and interest accruing, principal and interest on previous invoices roughly amounts to £5.5 Million give or take.

We can meet to go over these figures and my invoices and reasons for not making payment, submitting data, also the calculations and moving forward.

The funds are in BRUCE ROBERT LAMB, WE 748118B Cestui Que Vie account or whatever naming convention you may have for it now. Thanks.
