

WILL YOUR BUSINESS OR YOUR FAMILY
SURVIVE ANOTHER LOCKDOWN?
A Call To Action for UK Businesses

WE DO NOT CONSENT TO UNLAWFUL LOCKDOWNS

From 19th March 2020 The UK's Population of Men, Women & Children have been subjected to a series of unqualified demands. This has been placed upon them by what we have now confirmed to be a Treasonous Government.

This Government's strategy supported by poor science, false recording of statistical data - protecting Government and Bankers personal financial interests in the confirmed delivery and preparation of mass vaccination programmes for personal profit is now more than clear.

A lack of technical knowledge applied when looking at the impact of microwave technology with respect to good health. The precautionary principle should have been applied when considering the impact of 5G microwave deployment. The UK wide delivery of microwave radiation antennae & LED street lighting @ 666 THz – 450nm on humanity is a health disaster by design.

5G frequency bands, lower your immunity and physical recovery potential. Microwave frequencies act as immune system defence suppressants.

Throughout this difficult period and before 2020, those who have been monitoring this situation closely and witnessing it deteriorate have also collated relevant supporting factual data as to the true nature of the Government, Banker lead EU – UN objective. This underlying situation the Government will not divulge as many MP's and the Cabinet have committed treason.

All knowledge sources have come together providing Technical, Medical and Economic evidential data proving we do NOT have the Corona Virus PANDEMIC and that the UK Government under Boris Johnson's leadership has stated also the discussions I held in Westminster 16.10.18 Portcullis House with All Party Political Banking (APPG-B) confirmed that the United Kingdom was being economically brought to its knees, systematically using a policy better known as Silent Weapons Quiet Wars (SWQW) This was covered up by Mike Kane, MP for Sale East & Wythenshawe 30.11.18.

The UK has been subjected to a mass Social Engineering programme never witnessed before, propagated through the media under The City of London – Banker control.

SWQW was developed during the 1930's in Germany then implemented 1939 – 1945 within Europe and reactivated 1954 through the Bilderberg Group.

SWQW specifically in the UK commenced 2nd June 1953. Coronation Day.

SWQW next major milestone was the UK being fraudulently misled into the Common Market (EU). The UK's then **Political Powers** knew it would lead to a deterioration of **Sovereignty**.

Foreign & Commonwealth Office documents - **FCO 30/1048** - brings detail to help you to appreciate the wider loss of freedom issue for all.

Sovereignty Loss: To you and I this means **Loss of Our Freedoms - our ability to do, be and have free will.**

The method they used to achieve this was a Hoax Corona Virus Pandemic.

Another complete lock down would cripple the UK economy beyond repair and they know this. Boris and his team also know this and have attempted to mitigate the charges of Treason through Theresa Mays BREXIT negotiations.

We are left with a series of options based upon our combined knowledge.

1. Allow a second lock down to take place and lose the freedoms previous generations fought for, these became an example to the rest of the world.
2. **Use a series of Lawful & Business processes to help navigate this Country by Village, Town and City back into Cash flow and Work within The Great Britain & International Common Law Court System.**
