Blog Title. **Analysis of The Perfect Crime - A True Story – With A Twist**

Draft Statement of Truth Version (Affidavit - legalese) 0.9: <https://bit.ly/375FW7A>

1. 2006/7 – 2012. I witnessed first-hand constructed mortgage fraud GMP Reference, Cyclops 1146/12. Mortgage fraud was allowed to be committed and covered up by FSA/ FCA, Police, Economic Crime Unit's and Politicians. This was recorded in the media under Dylan Harvey Group property developer failure. Toby Whittaker MD. 5000 properties £40,000 over valuation on average per property. £200 Million Bank Mortgage Securities, Constructed Fraud. With a wider long term view to destabilising the UK economy. Statistics from 1970's onward indicate economic decline through planned mismanagement of internal UK affairs.
2. In early October 2018, I provided the evidence and case studies that constructed fraud was widespread across the UK specifically in the mortgage and Mortgage Backed Securities sectors. Kevin Hollinrake MP, Thirsk & Malton requested that I meet with APPG Banking's Exec Director Heather Buchanan and MP Mike Kane, Sale East & Wythenshawe, witnessed by James Ventress, APPG Banking staff member. Portcullis House Westminster 16.10.2018.
3. Key points from meeting 16.10.18:
  - a. Systemic banking securities fraud was/ is still taking place across the UK.
  - b. Land Registry was 82.7% incorrect. As a result of failing to update Title deed details against assets and property sold to Bank created, Special Purpose Vehicles.
  - c. Estimated £1.8 Trillion in SDLT payments @ 4% was owed to Public Purse by UK, Overseas and Foreign Banks operating in UK territories.
  - d. This has technically resulted in 10.2 Million mortgages being paid off and Banks still taking payments fraudulently. Effectively this is double dipping on payments from customers as Banks Do NOT Lend Money. Banks manage and sell securities.
  - e. Evidence provided of massive cover up at FSA/ FCA, SFO, Police and regulatory level.
  - f. Regulators and The City involved in covering up – confirmed by Amber Rudd's communication to Katy Bourne. Police and Crime Commissioner Sussex. Affidavit 0.9
  - g. Emails between MPs, others, I was copied on or had forwarded. Many are aware of the systemic fraud and consequences. Document copies available.

- h. Kevin Hollinrake MP addressed then PM – Theresa May on these matters 10.10.18 in the House of Commons after SME Alliance members had provided further hard evidence of constructed Banking Fraud ignored for decades. A few of the case studies are recorded in Spank The Banker. <https://www.spankthebankerfilm.com/>
- i. <https://twitter.com/i/status/1050041387058630658>
- j. It was agreed that Mike Kane MP should ask a question set in the House of Commons of Treasury Minister, John Glen, responsible for Regulator activities FSA/ FCA, HMRC and HM Treasury as all fraud was pointing at these departments high level of influence in the activities being initiated and covered up.

- 4. 30.11.18. I met Mike Kane in his office at the Forum in Wythenshawe by arrangement to cover the high level set of questions that were to be asked as agreed with APPG Banking’s Exec Director, Heather Buchanan. Mike Kane acted as if this knowledge was new to him, we’d also exchanged emails via his office staff between the dates 16.10 and 30.11. On recap of the conversation 16.10.18 it was clear that Mike Kane had NO intention of raising any questions as the severity of the situation and that the fact that the UK economy was being wrecked by an internal force protecting the rogue banking system and rigged processes was far too much for him to handle or expose. He stood up and started raising his voice calling me a Conspiracy Theorist and an Anti-Semite. The House of Commons is televised and the fact the UK was being brought down by internal cover ups and Bank Fraud couldn’t go public on TV?

I informed Mike Kane that this situation was backed by hard evidence and also I had Jewish friends but they didn’t go around robbing and murdering people as the people that were covered in the conversation were manipulating Government and taking people’s lives needed to be dealt with according to UK Law.

Mike Kane’s actions and non-compliance with APPG Banking’s request proved the cover up to MP and PM level and those who operate within the House of Commons and Westminster.

5. From 2009 – Date I researched and read more on Common Law as after running two Group Actions 2007 – 12 which resulted in the Companies that we were to take action against failing. This was due to Dylan Harvey Group going into administration then prohibitive entry legal costs identifying constructed fraud against the bank processes, it became clear that cover ups within Police, Serious Fraud Office and the Regulators, a greater problem was deeply engrained in the UK Legal, Judicial, Policing and now Political system that could not be sorted by money alone.
6. My background is Business Analysis and Project Management and finding solutions to Business Problems. I took it on myself to work out the business problem and a personal solution alongside the experience of others that had similar journeys as what was on clear display was fraud and manipulation of those who were acting in a public capacity also a duty of care to the public and many were public servants having taken an oath of office.
7. During the research of Common Law and The British Constitution I became involved with Common Law Courts and The British Constitution Group where many of the answers began to become clearer in order to restore Law and Order to a system that was now rogue against the people of the United Kingdom. <https://www.commonlawcourt.com/>  
<https://www.britishconstitutiongroup.com/>
8. After having researched the background on Greg Hallett’s claim on the UK throne through video recordings and then speaking with him. Also knowing through Common Law Courts that Elizabeth Windsor was NOT crowned on the Stone of Destiny/ Scone there was an opportunity to test the mechanism by which disorder, murder and corruption had been allowed to take place in the UK, top down under a false notion of Democracy, touted by Lord’s, MP’s and PM’s since the 1970’s and well before.
9. On 23.10.19 I conferenced John Smith of Common Law Courts International, Greg Hallett and myself plus two witnesses to explore the Statement of Truth, Affidavit process. The objective was for Greg to test the Monarchy of the United Kingdom. UK Sovereignty was being eroded and lost through acts of treason. All documents are recorded with Common Law Courts International and available on Greg’s website. FCO 30/1048 documentation relating to The Ted Heath administration falsely taking the UK into the Common Market should be understood fully. Fraud, Theft and Treason the crimes committed against the people and their Sovereignty, defence of the UK as a Nation was at risk. PESCO etc.

10. By 31.3.20 the final affidavit process document was witnessed and signed identifying the false bloodline of the Royals and that Elizabeth Windsor was a 3/16 Rothschild through illegitimate birth. The Crown and all Acts, Statutes and Treaties had been falsely signed in full knowledge of a corrupt Privy Council, Lords and manipulated MPs. The illegitimacy could

be traced back to events around 1815 and the manipulation of the Crown bloodline after Waterloo. This is explained fully within other available source documents.

11. On Thursday the 9th of July 2020, Joseph Gregory Hallett had three major documents witnessed by 22, 24 and 26 men and women, confirming the Courts of England and Wales null and void, and the Common Law Courts of Britain & International, the superior court, having remained open throughout the lock-down, and remained honest through the most testing of circumstance.

It was accepted that the Courts of England and Wales have been involved in profiting from Human Trafficking and Drug Trafficking, and therefore were no longer acting as a court.

The presented documents of 44 pages, 16 pages were witnessed and signed by 22 and 24 men and women ... followed by the Proclamation of Certified Ratification for the Legal Sanction Certificate to the Kingdoms, and King of the Kingdoms – all defined – for Joseph Gregory Hallett as King John III.

12. Research, reading and peer group discussion identified Silent Weapons Quiet Wars, being a blueprint or manual for Corporate Psychopaths to implement harm, loss and injury without thought for humanity through the acts of genocide based upon the false narrative that global overpopulation and the inability of mankind to think a problem through where the supply and demand of products and services had to be managed by the so called elites, gave them the right to cull populations. The cull numbers are expressed through Deagel.com, The Georgia Guide Stones and the mechanism being Vaccines, Microwave Technologies and the calculated or intentional spread of manufactured disease. This led me to Moot Hall, Newcastle on 16<sup>th</sup> May 2019. Mark Steele v Gateshead Council.

Since most of the general public will not exercise restraint, there are only two alternatives to reduce the economic inductance of the system.

(1) Let the populace bludgeon each other to death in war, which will only result in a total destruction of the living earth.

(2) Take control of the world by the use of economic "silent weapons" in a form of "quiet warfare" and reduce the economic inductance of the world to a safe level by a process of benevolent slavery and genocide.

The latter option has been taken as the obviously better option. At this point it should be crystal clear to the reader why absolute secrecy about the silent weapons is necessary. The general public refuses to improve its own mentality and its faith in its fellow man. It has become a herd of proliferating barbarians, and, so to speak, a blight upon the face of the earth.

They do not care enough about economic science to learn why they have not been able to avoid war despite religious morality, and their religious or self-gratifying refusal to deal with earthly problems renders the solution of the earthly problem unreachably to them.

It is left to those few who are truly willing to think and survive as the fittest to survive, to solve the problem for themselves as the few who really care. Otherwise, exposure of the silent weapon would destroy our only hope of preserving the seed of the future true humanity...

13. Mark Steele, a Defence Energy Weapons expert had identified LED Street lighting and 5G Frequency Bands were Defence or Military bands and were being deployed in a fashion that would intentionally harm the public. This was once again covered up by false narratives at FCC regulatory level. I attended Moot Hall and recognised the importance as my background was originally radio and radar qualifying as a radio officer in the merchant navy. I know the damage that can be done when individuals are exposed to these signal types. This was known, recorded and taught in the 1970s and further investigative work in this area has been recorded since. The technology, frequency bands and method of implementation are designed to cause harm, injury and control of the population at the very least:

14. Emails to identify the genocide, 2019 and Freedom of Information Requests were placed with MP Mike Kane, GMCA and Trafford Council with case studies where masts were radiating over 15 to 30 times, emitted signal power multiples, 24 hours a day 7 days a week. Three examples in Trafford, Broadheath, Hale Barnes and Timperley. Whalley Range in Manchester and Salford Media City where the Vodafone Hub radiates 6000mV/mtr 24/7. There are many others. The safe level for humanity is 200mV/mtr for 6 minutes per day maximum. Those in close proximity of the array catchment area's will get microwave radiation poisoning which is also termed Kawasaki disease in young children. Reading where these toxic technologies have done the harm most and recorded can be found on the microwaved veteran's website for reference. Watching 5G The Apocalypse extinction event is recommended as all parties were informed of this 2019 and early 2020. The technologies deployed, whose authority and responsibility were questioned. Poor quality and no information of benefit was passed by the GMCA FOIA team. Reference sites/ blog posts:

15. In April 2020 News 4 Trafford reported: Whistle blower confirms 5G must be halted due to thousands of deaths around the world. <https://bit.ly/30D8h2I>

This confirms the knowledge is now with Trafford Council and therefore within GMCA and its Councillors and staff members. It affects all and begs the question why are Trafford and GMCA member councils still allowing the GMCA public to be radiated. Who is controlling the narrative that “Nothing Can Be Done” as a Whalley Range, Labour MP stated or Who is compromised, leveraged or it’s members are of organisations that are implementing the New World Order, Agenda 21, Agenda 2030 initiatives be they Freemasons, Common Purpose, Tavistock Institute or of a similar persuasion caught within the Westminster silenced, Rothschild initiated paedophile trap. Corporate manslaughter and those who have signed off against this 5G technology at every level will be easily tracked and traced using the new unlawful process term for Corona Virus monitoring. Track and Trace also Health Apps are products for the misinformed to trick them into erosion and finally the loss of their Sovereignty which is an act of Treason. Whether Sedition, Treason or High Treason or Malfeasance/ Misfeasance in public office is the charge, will be determined by the now superior court mechanism.

16. Central and Local Government officials have furthered the false pandemic narrative that has placed fear amongst the elderly and misinformed masses. Those who have been misled by the controlled Government Deep State media, Local Public Servants and Police authorities carrying out public duties based upon the false pandemic narrative will be hit with liability claims and further to this the attempted genocide now taking place will have a tremendous cost levied against Council members implementing the Agenda 21 philosophy which is a wolf

in sheep's clothing. Those deaths that are accruing through numbers who should have received the correct medical attention are linked to those who implement the New World Orders instruction. Nazi SS military and concentration camp guards that claimed they were just following orders met with their maker for doing the same after Nuremberg. Do NOT think for one minute a second Corona Virus (Microwave Radiation Poisoning) wave/ Vaccine combination or city wide lock down based on a lie is anything different from the concentration camp and Ghetto philosophy of the Rothschild, Thyssen, Bush, funded Nazis 1939-45.

Doing your homework indicates it's the very same banking families that are behind both sets of events. Silent Weapons Quiet Wars proves this point. It's the blueprint implemented through Bilderberg aligned corporations and Deep State operators from the Vatican, City of London and Washington DC. 17. Analysis of the perfect crime title is taken from the research and study of a fellow Common Law Court thought leader, Romley Stewart from Australia. Reading Romley's website you will begin to see that the veil is slowly being pulled back to reveal as he calls it The Justinian Deception.

What makes this the perfect crime if NOT caught and why you have received this communication and not just a NOTICE-OF-LIABILITY is that the perfect murder would be one that you get away with the crime and take the money or should I say take the credit.

Extract: Silent Weapons Quiet Wars.

The same thing is achieved by a government by printing money beyond the limit of the gross national product, and economic process called inflation. This puts a large quantity of money into the hands of the public and maintains a balance against their greed, creates a false self-confidence in them and, for a while, stays the wolf from the door.

They must eventually resort to war to balance the account, because war ultimately is merely the act of destroying the creditor, and the politicians are the publicly hired hit men that justify the act to keep the responsibility and blood off the public conscience. (See section on consent factors and social-economic structuring.)

<https://www.syti.net/GB/SilentWeaponsGB.html#anchor235589>

We live with TRUSTs all around us. Silent Weapons Quiet Wars refers to balancing the accounts and clearing the Creditor of his funds and making him the Debtor or balancing the books with our families picking up the tab on death.

Silent Weapons uses the analogy of Inductance, Resistance and Capacitance all electrical and electronic terms but what the underlying message conveys is the transfer of energy and power from the Man/ Woman/ Creditor to the Administrator or Debtor.

You and I are the true Creditor, our signature creates the credit, The Banks, Vatican and Judiciary are the Administrators and Debtors. The Law or Legal mechanism is Admiralty, Roman and Talmudic Law switched to deceive the Creditor using DOG-LATIN or Babble text short for Babylonian Law or legalese.

Effectively all contracts are contractual fraud as the language is corrupt or counterfeit.

Romley Stewart states : When you see the truth, You will see the lie.

The Bank of International Settlements in War takes payment from those countries Bonds who have been terminated (Murder- Genocide - Democide) and pays this into the Treasury of each Country (Corporation) involved in the War. Those who lose the most lives, get the greater payment on closing their accounts.

Military intelligence statistics site Deagel.com shows the UK expected population cull to be from 66 Million to 15 Million by 2025.

What the Banks, Government and Secret Societies didn't tell you and I was that World War 3 commenced 2<sup>nd</sup> June 1953. Silent Weapons Quiet Wars, this was the Oath or allegiance of Elizabeth Mountbatten Windsor, a Rothschild family lineage member of The Dark Nobility, The Queen of Swans and Dolphins NOT England to her Nazi husband Philip Mountbatten Windsor whose sisters all married senior SS Nazi Officers, the controlled media including the EU funded BBC airbrushed this history from our society, until now.

The objective of the exercise is that they are going to reduce our numbers and cash our bonds, then pay themselves the millions that are behind each of our STRAWMAN or BONDED trading accounts traded on The Securities & Exchange Commission (SEC).

The tools of this War are a manipulated Government's lies, Social Engineering, Media Hysteria, Covid19 Vaccines and 5G Microwave Radiation. The combination has initially created control and fear, moving forward will break your blood brain barrier and kill you slowly through a cancer related disease, the speed of death is dependent upon the radiation level you are exposed to. Hospital ward closures, operations cancelled also speed up this process of the cull with an early death for the ill and infirm.

The cure for cancer has also been kept from the masses would save 200,000 lives a year but a corrupt parliament has enabled Lynn Thyer and David Noakes to be taken to French Gaols using unlawful European Arrest Warrants. <https://mhracorrupst.parliament-guilty/>

The creation of the Corona Virus Bill has made the signing off of the DEATH Certificates simple, would it not be for whistle blower Nurses and Doctors and those of us monitoring the situation and adding our knowledge to the solutions. Hence the manipulated Cause of Death Certificates and resulting Covid 19 false statistics.

I'd recommend watching these videos and links as you are now fully informed and please make sure this information gets to every Councillor and MP in the Greater Manchester Combined Authority. Mike Kane MP will be getting his own personal copy. Thanks.

Suggested Videos and reading to come up to speed with Trust Law and Secret Government and the criminal acts some will be a party to.
