NOTICES for FREEDOM OF INFORMATION ACT TEAM - Distribution, Mike Kane MP, GMCA Councillors including TRAFFORD, Trafford.

Dear Zach, Mike Kane MP, APPG Banking. All.

In the light of new information and supporting video testimonies to what weve been attempting to get across to some copied parties for over 12 months we are now at a point where we are taking place within the UK.

The UK has little time now given the cries for help from those in Sweden and the other countries that will follow mass radiation from 5G Cell installations.

During the lockdown 5G Panel Arrays and masts have been installed and switched on across the Country with the majority of UK installations in Birmingham, London and Greater Manc number of other cities Nationwide. https://www.ookla.com/ookla-5g-map

This accounts for the original UK Nightingale Hospital locations Birmingham, London, Manchester and Bag, Tag and Burn Policy of The CoronaVirus Bill.

Govt Controllers Objective: To Hide the evidence of Genocide within the confines of Statute law. Statute law applies to a PERSON, a DOG-LATIN fictional entity not Man or Woman und Law.

However whether Statute or Common Law, Genocide or Democide is mass murder whichever way you look at this situation. Economic Crime Squad copied as three attempts to inform Greater Manchester resulted in a total lack of interest? https://www.5gmediawatch.com/post/the-police-report-2-follow-up https://www.5gmediawatch.com/post/the-police-report

Swedish Report on EMF/ 5G Impact - Cry For Help!! https://www.facebook.com/anna.hjalmarsson.169/videos/398835517931103/

We will see these occurrences soon in Greater Manchester as already experienced in Gateshead - The UK's 5G test bed. I have sent previously Trafford mast EMF recordings and a few Manchester case studies. Whalley Range and Salford Media City. Others will be emitting more and the nature of the MIMO technology is that remotely this can be increased or "wound power for more immediate impact on human tissue and our internal organs.

News4Trafford have now recorded there is a problem so GMCA will know too. We now need to ascertain Responsibility, Accountability and those Consulted on 5G related installations. responsible will be informed from this communication attachment through the reciprocal activity of the Freedom of Information Office at GMCA. Zach White copied. I'm sure this is within capabilities and remit.

26th July i took a call from a similar incident reporter, second hand, with reference to deaths in Coventry within the University Hospital on receipt of a supposed vaccination after attendi CoronaVirus symptoms. https://www.microwavedvets.com/virus

The Police apparently were on site handling the situation with the deceased parties relatives so this may be misrecorded as Corona Virus and NOT 5G Microwave Radiation poisoning. whistleblowers though who have seen what's taking place if they are not silenced. The recording will be posted in this link below once Zoom posts it for download:

https://www.5gmediawatch.com/post/boris-masks-destruction-of-the-human-spirit-sqwq-5g-vaccines-is-the-key-cause-solution

The Coventry October 2019 switch on of 5G was recorded at the hospital, birds fell from the trees as they are smaller in size, the impact is more immediate. Wavelength changes as it c different substances. Humans take a little longer to succumb to microwave radiation. https://youtu.be/LjT-HmuzYPg https://www.microwavedvets.com/

From Wikipedia: <https://en.wikipedia.org/wiki/Democide>

Democide is a term proposed by R. J. Rummel since at least 1994^[1] who defined it as "the intentional killing of an unarmed or disarmed person by **government** agents act authoritative capacity and pursuant to government policy or high command".^[2] According to him, this definition covers a wide range of deaths, including forced labor and concentration camp victims; killings by "unofficial" private groups; extrajudicial summary killings; and mass deaths due to governmental acts of criminal omission and neglect, such as in famines, as well as killings by *de facto* governments, i.e. civil war killings.^[2] This definition covers any murder of any number of persons by any government.^[2]

Rummel created the term as an extended concept to include forms of government murder not covered by the term **genocide**. According to Rummel, democide surpassed war as the leading cause of non-natural death in the 20th century.^{[3][4]}

I have it on good authority that Boris De Pfeffel Johnson and his collaborators are attempting to change the Treason and Genocide terms to evade the consequences when applied to themselves plus others we identify who are involved at a Local, Central Govt level also Corporate Level..Possibly Kevin Hollinrake MP or William Wragg MP both Conservatives can confirm?

In discussion with Mark, copied the mechanism for getting much of the offending radiation, root cause equipment outside of the standard 5G Antennae implementations by subcontractors to Vodafone, O2, EE, 3 (Three) etc is potentially through ATOS a major Government contractor but this will need to be investigated thoroughly and their link to Huawei technology within the UK infrastructure. This needs investigating by an independent audit team.

Theresa May, Boris Johnson and Nicky Morgan to name a few need to be made available for questioning at some point soon as there will be blood on their hands along with conspirators. I've attached two NOTICES of Liability for 5G Radiation & Vaccination and the consequences of committing Genocide - Democide on the people of Greater Manchester and

One is for Mike Kane MP who was informed June 2019 that Genocide was taking place and I'm sure he'd like to inform other MPs that they will be receiving similar as they have been informed by concerned constituents. The line of investigation should follow what actions and communications he has taken since he was informed. He did nothing when reporting the UK economy was being ransacked from within and formed part of the cover up by his actions 30.11.18.

Look where this has now got us? The UK economy is now going bust through a fake New World Order pandemic and lockdown exercise, a Corporate and Banking takeover and Snatch asset theft to follow, August, September, October 2020 start.

Mike Kane's 5G Genocide response linked. <https://www.5gmediawatch.com/post/analysis-of-the-perfect-crime-a-true-story-with-a-twist>

The other is for the Freedom of Information team to disseminate to GMCA councillors across all connected Councils as we've been banging on about this for some time but with little responses of value. In fact NOTHING of Value passed from the FOI team at GMCA in relation to 5G technology installations and the Genocide that is now taking place

Given GMCA have followed the Rockefeller - Resilient City Agenda 2030 narrative of lies, this was to be expected. The links within Bilderberg, Masonic orders, Common Purpose similar now need exposing through investigation as this is where the threads of deception leading to criminal activity will be exposed.

My full breakdown of how the UK economy was being taken down by stealth was copied to APPG Banking in October 2018, interviewed 16.10.18 Portcullis House, Westminster. Hollinrake MP Thirsk and Malton arranged the meeting with Mike Kane and Heather Buchanan witnessed by James Ventress APPG Banking.

APPG Banking also have other witness testimonies to events based on their experiences and through SME Alliance, Action 4 Justice, Bank Claims Group, this is all connected to the UK economy take down, protected by lack of action after my meeting 30.11.19 with Mike Kane MP.

The attached 9 pages contain further links, events and documented evidence of how this has been allowed to take place and also the tactics I've taken to correct the situation possible within restricted financial means having been on the wrong end of constructed fraud, reported to authorities but nothing done by paid organisations that are meant to do justice to the masses. Sometimes you have to do the job yourself to get things done properly.

There are also linked pieces that may help join the dots where necessary for those totally in the dark with these statements? Start to do your own research.

This is also a financial crime as the objective is the ease of access to our STRAWMAN/ Creditor - Bonds paid back to Treasuries (HM Treasury) on death. Cestui Que Vie Trust, beneficiary theft of Creditor Equity theft.

World War 3 commenced 2.6.1953 Silent Weapons Quiet Wars, the Silent War. Please read the full document as it confirms Corporate Manslaughter is the objective, it's a Rothschild training manual initially dated 1979, found 1986, released by William Cooper through the publication - Behold A Pale Horse, 1991. <https://www.syti.net/GB/SilentWeaponsGB.html#silentweapons> William was killed by a gunshot November 5th 2001.

Others are beginning to get the bigger picture. Any questions feel free to call on 07976 302068.

Text if I do not respond. I will return the call. Thanks

Kind Regards.
