https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1027511/Vaccine-surveillance-report-week-42.pdf

Vaccinated people don't seem to be producing antibodies to the nucleocapsid protein, the shell of the virus, which are a crucial part of the response in unvaccinated people.

In the long term, people who take the vaccine will be far more vulnerable to any mutations in the spike protein that might come along, even if they have already been infected and recovered once, or more than once. **The unvaccinated, meanwhile, will procure lasting, if not permanent, immunity to all strains of the alleged virus after being infected with it naturally even just once.**

An additional note to add to the three in recent communications in succession prompted after reading the report from UK GOVT - Week 42 "COVID-19 vaccine surveillance report. This is to the effect that the UK GOVT statistics now confirm permanent damage to the immune system of those who are taking the jabs and boosters.

From forwarded content:

The British government has spilled the beans about that fact that once you get double jabbed, you will never again be able to acquire full natural immunity against Covid variants - or possibly any virus.

So now we will witness the 'real' pandemic after the jab has worked its way into men and women's bodies.

How many Police Men, Women, Constables were forced or coerced into taking the jab?
Care workers, NHS staff, Hospitality staff and so on. Stephen Watson has the full pack that was with his predecessors and more - no response.

<https://www.5gmediawatch.com/post/who-investigates-the-investigators-gmp-cc-stephen-watson-un-rebutted-sot-truth-in-law>

<https://www.5gmediawatch.com/post/how-to-survive-martial-law-what-comes-next-possibly>

A Tipping Point?

In its Week 42 "COVID-19 vaccine surveillance report," the U.K. Health Security Agency admitted on page 23 that **"N antibody levels appear to be lower in people who acquire infection following two doses of vaccination."** It goes on to explain that this antibody drop is permanent.

This is now a confession, with intent to cause harm, loss of health and permanent injury, maliciously.

Its been hyped and promoted to the **Nth degree** in the media. <https://lawyerzone/malicious-intent/>

You cannot escape the message jabs and good health protection, social distancing diagrammatically 666 etc

What we are now beginning to witness is just the opposite, many have been shouting from the rooftops for a long time now. But we had experiences of what this network does and how it communicates.

What does this all mean?

We know the vaccines do not stop infection or transmission of the so called virus, in fact, the report shows elsewhere that vaccinated adults are now being infected at much HIGHER rates than the unvaccinated.

What the UK GOVT are saying is they are now finding the vaccine interferes with your body's innate ability after infection to produce antibodies against not just the spike protein but other elements of the virus.

Specifically, vaccinated people don't seem to be producing antibodies to the nucleocapsid protein, the shell of the virus, which are a crucial part of the response in unvaccinated people.

In the long term, people who take the vaccine will be far more vulnerable to any mutations in the spike protein that might come along, even if they have already been infected and recovered once, or more than once.

The unvaccinated, meanwhile, will procure lasting, if not permanent, immunity to all strains of the alleged virus after being infected with it naturally even just once.

Read for yourself.. Pages 23 and 24. Then the complete document.

Lets also consider Stefan Lankas position, document within **INT/06A1/0004545/21**, there is no virus' end of.

So if its not a virus its a man made synthetic computer generated bio weapon, operated by an external trigger or whatever terminology you are comfortable with that has been delivered with intent to cause harm and malicious damage

Just taking some statistics from Courtenay in the Isle of Man. 85,000 population @ 2021 roughly. Now multiply of this up UK wide taking a city at a time:

Withdrawal Mann - finally breaking free the unvarnished truth is still the truth even if no one believes it; a lie is still a lie even if everyone believes it
Please consider and answer: yes / no to each question (as at 17th December 2021)

- 1. The vaccine was not invented for the virus - the virus was invented for the toxic, untested, gene jab
- 2. Does the digital SARS-CoV-2 'virus', constructed as a computer model, have any scientific proof at all?
- 3. Manx DHSC Fol reply reference 1646813, on 18th February 2021, returned SARS-CoV-2 virus not found
- 4. Christine Massey cites that 141 health boards in 25 countries' Fol replies found: 'no virus' anywhere
- 5. Did Stefan Lanka win the landmark 'no measles' 1stDecember 2016 case in Karlsruhe Supreme Court?
- 6. The media is the virus - on a ten year UK average, 2020 was in reality not an excess mortality year
- 7. The jabbed have been had; all have fraud claims, as do all those jailed, locked down and force masked
- 8. We have a duty of care as teachers and medics so I will read the 97 page document of mask harms
- 9. Does 'my body my rights' only apply to people undergoing termination of a nine month process?
- 10. Those who die within 14 days of receiving the jab(s) are put down fraudulently as 'unvaccinated'
- 11. Those dying of any cause within 28 days of a covid test died 'from covid' fraudulently with no autopsy
- 12. The Isle of Man uses PCR as a 45 cycle 'test'; your sample doubled 45 times = 35,184,372,088,832 bits
- 13. Portuguese, German, Austrian & Hague Courts have all ruled against the PCR 'test'; it's a fake 'non test'
- 14. US ventilator hospital deaths are worth \$39k, each 'covid' death nets \$13k, but 'death' only pays \$4k
- 15. Lockdowns and circuit breakers are tyranny when the unhealthy impose it on fit and healthy people
- 16. 6 people suicided on the Isle of Man in 2019 but in 2020 that figure tragically was 22 people
- 17. Strokes suffered by Manx people have mysteriously doubled in the last nine months... post Manx jab

- 18. Future public health will exist to make people well: encouraging exercise and clean food, air, water
- 19. Nuremberg Trial 2.0 has started in Poland, many legal case are following (as before, it took two years)
- 20. Some paedo's get soft sentencing on the Isle of Man, having hidden oaths, being 'taught to be cautious'
- 21. Has any legaler asked 'Show Us The Virus'. (Spoiler alert.: Yes, in soon to be free South Africa).

Id also ask you to look at an under pressure Andy Burnham beginning to squirm as he becomes a vaccine passport denier when in truth he has supported the new digital adaptation of the Holocaust Yellow Star in V Health Passport or The Masonic V Star. <https://www.5gmediawatch.com/post/andy-burnham-talks-bollox-n-burgers-sage-govt-puppet-parsa-v-google-wip-part-1>

I can now see clearly the deceptive gaming strategy, based on Satanic undertones played out by Masonic influenced Police, Councils, Bankers and Politicians.

This journey has been like a mix of Chess, Countdown, Ted Rogers Clues linked to Dusty Bin and Catch Phrase all rolled into one. The last piece in any good jigsaw stands out as its the only one left.

This is the Rainbow and Bungle (Boris De Pfeffel) the Johnson). The NHS Rainbow was significant as it represents the flood. The Great Flood that Noah built his Ark for and took the animals in 2 x 2. The next great flood is the Electro Magnetic Wave EMW - EMF Electro Magnetic Field. https://video.wixstatic.com/video/2c6f37_b805a10421f14dd3b0c95d07b94673ec/1080pn/mp4/file.mp4 You cannot smell it or taste it but its deadly when radiated as an Electro Magnetic Pulse.

Consider Paradise California. This time all who have been jabbed with Graphene Hydroxide and Bio Weapon content will have scalpels racing through their veins and end up with a Sergio Kun Aguero or Victor Lindelof experience or far worse. This weekends fixtures speak for themselves.

The true crime is staring you in the face and because of an oath outside of your oath of office, you remain motionless.

This is the true crime. Start asking the correct questions and the answers become clear.

GMCA guys Andy Burnham is talking Bollox and as he put it SH1T3.. He's referencing Sage Group which is a Tavistock - Mindspace - M5 - DVD G02 German Intelligence operation working within Westminster, we are waiting for the full video but I really feel he has lined himself up for being a party to the TREASON and DEMOCIDE - GENOCIDE against the good people of Manchester and in the video, Stockport.

Andy Burnham has access to INT/06A1/0004545/21 - He Knows.. Its A Bio Weapon.

As Shadow Health Minister he was involved in shouting out Health issues for the record. This is Genocide Democide using confirmed Bio Weapons. Greetings All. this is a Special Shout out to MP's John Glen and Mike Kane also Chief Constable Stephen Watson.

Copies with links and as sent in hard copy, attached.

Curtis please make sure CC Stephen Watson gets his copy. There are a few clues in the post as to who, what and where we are going with this dilemma/ dilemma or as Mike Kane would call it a conspiracy theory, we are well beyond theories now Mike. <https://www.5gmediawatch.com/post/baphomet-templars-covid-criminals-rituals-social-engineering-solve-coagula> .

John Glen in his capacity covering responsibility for HMRC, HM Treasury and the Regulators, his teams don't seem to be able to find post once tracked, received, signed for and prefer to remain nameless although tracked, traced, signed for does provide a lawful indicator of receipt therefore response required in this lawful process and now witnessed.

This is now copied to your email account so it gets to you. I will let you know when arrived at BX9 1AS. HMRC.

This time we will let England & Wales Chief Constables do their level best to assist John, should HMRC or John lose the post again and my invoices.

This i do expect to happen, but we now are moving into a contingency mode which requires crime numbers hence CC Watsons attention is fully required.

Tracking details: WD 5593 5139 9GB : <https://www.royalmail.com/track-your-item/#/> See attached files for contents.

I've forwarded a response to demands in the form of a NOTICE - CONDITIONAL LETTER OF ACCEPTANCE and two invoices to John Glen, BX9 1AS - HMRC Self Assessment as John is the Treasury Economic Secretary and was meant to answer questions that could have prevented total financial collapse after 16.10.2018 unless compromised. Mike Kane gave the response required to identify an element of guilt, game on.

The World Economic Forums, Big Reset - Build Back Better - 666 initiative though has this as its main objective in reducing the population numbers hence the jabathon. SOLVE - COAGULA.

We found in 2018 Mike Kane and John Glen would appear both to be compromised on the financial and fraud aspects. Now genocide - democide, cover up and support come into the mix supporting the Corona Virus Act 2020.

1. No Virus, no one can isolate SARS COV 2 we have 2. NO Virus, a third time 3. No Virus (Rule of 3), just murder of the elderly and infirm from midazolam cocktails, this was Phase 1. Phase 2 We have a jabathon of a weapons grade C19 vaccine or bio chemical weapon called COVID 19 fresh from Wuhan chemical weapons labs via Oxford, with Moronic variants to boot. Sajid Javid comes in tag teams his mate Hancock and scores another own goal, you guys are in the wrong jobs. There are some nice orange suits set aside with your names on. You missed out at Deutsche Bank, Sajid, we will get you on the High Treason front, what goes around, comes around.

<https://www.5gmediawatch.com/post/delta-omicron-media-control-moronic>

Phase 3 We play Ring O Roses and switch on the 5G and the jabbed - all fall down, if not before with Hypoxia, Hypoxemia, Myocarditis etc. Just taking orders wont wash.

The Common Law Court Jury's and Nuremberg 2.0 teams will sort out the MPs and legal lawful misfits and identify the acts of terrorism on UK, Men, Women and Children.

John please find attached my response to the HMRC request for outstanding funds. Your hard copy is in the post.

The man or woman making the claim hasn't put a name on it and therefore yourself as head of these entities will be held personally liable under penalty of perjury.

HMRC as we know is a [true pirate operation](#) demanding £2994.51 from myself. You should have read my letters previously its now going to cost you and then some.

HMRC and Piracy. This we can confirm as HM Liz 2 isnt Royal, Dads Winston Churchill and she wasn't coronated on the stone of destiny 2.6.1953 so we have a few issues around this 3/16 Rothschild Royals compromised situation and all those who do work in her name. This is if she is still with us?

The whole Royal assent piece has gone up the route of a counterfeiting or a smash and grab operation.

Please provide a full written response inside 14 days of receipt and pay your bills on time.

We have to keep the wheels of industry turning unless you are hoping that the next SPANNER variant brings everything to a grinding halt..

Toodle pip. Have a great weekend.

<https://www.gov.uk/government/publications/counting-rules-for-recorded-crime>

Greetings to All.

This communication is timed so we can make sure you are aware fully of what genocidal toolset is potentially in the vaccine - bio weapon apart from the nasties that dehumanize the recipient through DNA, mRNA manipulation.

A Graphene Hydroxide - Graphene Oxide razor or scalpel has been inserted at manufacture in the bio weapon according to subject matter experts. <https://www.bitchute.com/video/Ervi96YgzG/>

A small but effective assassination tool delivered to the UK public and others by those who control Government endorsed through the likes of Boris De Pfeffel Johnson, Matt Hancock, Sajid Javid et al. Theses guys get placebos others get the real thing. Its toxic, its criminal, its genocide - democide.

When blood flow is increased to the level of an athlete lets say Sergio Aguiero or similar they are stabbed from within causing blood related, breathing or heart related issues. Men Women and Children are either collapsing at delivery of the jab or within a time period dependent upon the environment they are in and the scalpel is triggered and then engages within its victim.

Call it Jab 1,2,3 or booster 4,5,6 if it contains components that harm or injure its a Bio Weapon masquerading as a vaccine. A crime has taken place on delivery of the jab.

This is premeditated. This is murder. This needs investigation.

An Electro Magnetic Field or Electro Magnetic Pulse delivered from a phased array unit on street furniture or 5G/ 4G LTE transmitter would have the same impact in agitating the Graphene components as demonstrated in the magnetic tests thousands have witnessed globally and reported in the UK on multiple occasions by Mark Steele.

See Case Study 5 We The People: <https://www.we-the-people.co.uk/part-2-case-studies>, Delivered to all England & Wales Chief Constables 20.10.20.

https://video.wixstatic.com/video/2c6f37_b805a10421f14dd3b0c95d07b94673ec/1080p/mp4/file.mp4

Many experience a magnetic attraction or pull, some have had metallic objects stick to their skin?

This level of Graphene knowledge and detail was confirmed by Dr Andreas Noack an Austrian Doctor who we believe has now given up his life (murdered) it would appear at the hands of the Austrian Police in order to inform humanity globally of why people are dying from this democidal activity by those who control and manipulate Governments.

Sajid Javid was involved in the financial equivalent in his early Deutsche Bank career in the derivatives markets, now as health minister a similar job follows. Javid copied, a career white collar criminal who has been placed by his controllers to finish the job Matt Hancock started on Boris' watch.

For those of you who have not seen the Dr Noack footage please take the time to see the initial information delivery video and aftermath recorded as Austrian Police raid his premises captured on a livestream. This is recorded and vaulted for safety. It will also be placed in INT/06A1/0004545/21.

<https://www.5gmediawatch.com/post/boris-you-are-f-ck-3d-and-the-rest-will-follow-chief-constables-council-leaders-masons-cp>

Stephen Watson is fully aware of the situation and now is the new primary contact for UK Chief Constables and has more prima facie evidence and data than most in his intelligence folder : INT/06A1/0004545/21.

Curtis @ GMP has the access information within GMP. Curtis make sure Chief Constable Watson is fully up to speed on accessing the file structure passed to you earlier this year.

<https://www.5gmediawatch.com/post/how-to-survive-martial-law-what-comes-next-possibly>.

Masonic Oaths and affiliations will not save those from what follows as the people become fully aware of the part many public servants have played in allowing the men women and children to be jabbed with a confirmed Bio Weapon.

A true Weapon of Mass Destruction stockpiled within NHS facilities delivered by GPs, Nurses and those who thought they were assisting to help fight a false flag pandemic.

Listen to Andreas last words, think of those who you are meant to be protecting and love and save innocent children from torture and certain death at the hands of the psychopaths that are behind the Corona Virus Act 2020.

This is a piece of legislation that is written in DOG LATIN, NOT- ENGLISH and counterfeit, delivering technologies that have brought about the intention to harm, create loss and cause injury on multiple levels throughout the UK and the World.

Its your future they are destroying and your families will suffer on a number of levels if this is allowed to continue.

Now you are fully informed and acting under oath, Nolan principles apply, go and investigate.

End of Report. Thanks

Dear Stephen Watson, All,

Welcome Sajid Javid. You are now in the firing line for Genocide, Acts of Terrorism and Financial Fraud from your Deutsche Bank criminal past. Congratulations, you've reached the pinnacle of an illustrious career as a white collar criminal.

Lets hope Stephen and his team manage to put the pieces together with the evidence provided. The same opportunity goes for the other Chief Constables copied working under their oath of office. Nolan principles apply.

Stephen please make sure you are familiar with the contents of the marked PRIVATE FAO Stephen Watson CC GMP, package you will be receiving 25.10.2021 pm. This is recorded, tracked and signed for. This is evidence. Details below.

The package includes many documents and references to the videos filed and posted also evidence placed with your staff from April 2021 and before, [We The People 20.10.20 - 22.12.20](#), under intelligence gathering file INT/06A1/0004545/21.

You have the links. Curtis copied has the access details from April 2021. The full email trail is available on request.

Curtis please make sure Stephen has full access to the folder and bring him up to speed with your work to date, please convey exactly what has taken place in identifying the criminals, its not too difficult given the evidence provided.

Stephen, so we are clear, your predecessor Chief Constable Ian Hopkins and staff have allowed with all UK - England & Wales, Chief Constables copied, a confirmed Bio Weapon release on the UK's men, women and children and you have supported the safety and gathering of some of the culprits, agents and co conspirators at their recent conference in Manchester.

They even gave themselves a pat on the back? Nadhim Zahawi? Great British Vaccine Success: <https://www.5gmediawatch.com/post/the-great-uk-govt-deception-falls-apart-uk-govt-hanging-by-a-thread-nuremberg-2-follows>

Those who are not ill already or have died from the toxic Bio Weapon or in the process of having tumours or HIV develop that will go un noticed initially will soon become further medically disadvantaged as the 5G EMF/ EMW levels are increased.

The so called virus will be triggered externally and manifest the aforementioned activation of the Bio Weapon to its full effect. Please read Stefan Lankas materials in the intelligence gathering file.

Ex UN translator Claire Edwards has done some sterling work in outing the criminals as have a number of colleagues copied.

Claire's latest piece on timing of the WiGiG activation in Schools and on the public is supported by events that took place in a US school three years ago. Please review Lena Pu's video slide deck presentation, also Mark Steeles tireless work.

Lets call this US incident, the test run.

5G - EMF/ EMW Microwave Radiation, it impacts everyone and especially those staff carrying Tetra Airwave - Microwave Public Service radio units. They are carrying a trigger mechanism on their body armour. Reference Document 6 in your pack.

6. Tetra Airwave report by Barrie Trower delivered on behalf of the PCS Union. The impact without the job was causing cancers in Police Constables, especially women constables. With the job and subsequent boosters which contain more of the same toxic chemicals, this will speed up the analysis highlighted by Barrie in 2009.

The document numbered 1 is time sensitive so you have 14 days to respond otherwise you along with all the other Chief Constables and the NPCC are supporting known terrorists within the United Kingdom.

As you are aware it is both illegal and unlawful to support or fund a terrorist organisation in any way shape or form. <https://www.legislation.gov.uk/ukpga/2000/11/section/15>

This also goes for Local Councils and Central Government MP's and Civil Servants involved in supporting these acts of terrorism and promoting the hoax pandemic scenario.

Chief Constables and CC GMP Stephen Watson. MPs, All.

Taking GMP Chief Constable Watsons line on how to correct the Polices ability to do the basics to date, this has been an absolute failure UK wide, not just GMP and Ian Hopkins previously.

This failure was for a number of reasons and by design.

Within the Police ranks we have proof of politically endorsed corruption and those who aim to prevent justice from being done are quite open about their actions.

Some even hold Conferences and seminars about it, Nadhim Zahawi MP - An Injection of Hope - [The Great British Vaccine \(Bioweapon\) Success](#):

The criminals get a gong or Sir/ Lady/ Title/ Deal awarded on the basis of covering up the crime, rebranding and shoving it under the carpet. Shortly they will get a sentence fitting the crime.

This recent Conservative conference, Manchester gathering allowed Boris and his motley crew to run the White Collar Super Criminal Extravaganza on Chief Constable Watsons patch protected by a mix of GMP Officers and other regional teams who have supported the narrative that the Treasonous UK Government have delivered for decades. <https://www.we-the-people.co.uk/>

You cannot focus on the basics where the foundation is run by the criminal element putting in place the plan/ guide or rule set to follow. It doesn't work like that if you are to do the job properly. But that's not the plan.

There is too much evidence now supporting the Bio Weapon delivered Genocide and Corruption for anyone in the their right mind to follow what Boris and the Guild 6ack Getter, World Economic Forum - 666 squad are now openly endorsing and the plan they have hatched for these shores, protected by England & Wales Police Forces. <https://www.5gmediawatch.com/post/the-great-uk-govt-deception-falls-apart-uk-govt-hanging-by-a-thread-nuremberg-2-follows>

Those men and women who informed you of this late 2020 and before, they saw it clearly and provided the evidence. They were ignored the length and breadth of the country, this proved the system was definitely rigged centrally and the Police/ Councils were supporting criminal activity. <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>. Men, Women and children have now died.

Coordinated from a central operation supporting the criminal activity of the highest order, the UK Police capitulated to following the New World Order, EU, UN, CCP instruction set, no more so than demonstrated in London by the Met, but not yet witnessed to the levels of depravity delivered by Australia's Government and Police Forces. There is still time to witness this with winter drawing in but those who are aware of the true plan are growing in number.

Much of this evidence is in the Intelligence building file that now will become a criminal file as it covers every criminal activity under the sun in a single folder from theft, fraud to murder. GMP file id: INT/06A1/0004545/21

No positive response was received apart from an attempt by Greater Manchester's Economic Crime Unit to close the file down based upon a Trafford council employee request who i fear is about to see that everything stated in the previous years was true in that the 5G - EMF kill grid was put in place to activate the now identified jabs spike proteins as well as Graphene Oxide in the bio weapon arsenal of swabs, jabs and boosters.

The final pieces of the required confirmation were part of an update to the [International Criminal Courts](#) where leading global scientists confirmed the use of Bio Weapons on an unsuspecting public. See attached and linked data for sources. ICC case number 143/21. Extract: <https://www.5gmediawatch.com/post/the-great-uk-govt-deception-falls-apart-uk-govt-hanging-by-a-thread-nuremberg-2-follows>

We are very pleased to have secured sworn affidavits from leading experts, who are in the first instance: the research scientist and nuclear cardiologist Dr Richard M. Fleming, the Nobel Laureate virologist Professor Luc A. Montagnier and Dr Kevin W. McCain, a neuroscientist and expert on neurological disease.

We now have compelling evidence that the SARS-CoV-2 virus and the COVID-19 'vaccines' are deliberately engineered bioweapons which have been released in two phases on the unsuspecting peoples of the world.

We are particularly pleased that we have kindly been given exclusive access to an advance copy of [Dr Richard M. Fleming's new book Is COVID-19 a Bioweapon?](#) Note: You can now download this or order if interested in catching real criminals?

A Scientific and Forensic Investigation, which we believe will provide incontrovertible evidence to the ICC of the bioweapon nature of the SARS-CoV-2 virus and the so-called COVID-19 vaccine.

When 114 countries, Spain being the latest cannot isolate SARS-COV-2 (No Virus) the basis for this follow on criminal activity you do not need to be highly intelligent or a detective of many years standing to work this one out.

All you need to do is get back to basics. Follow the money principles. Who benefits on death? HMRC, HM Treasury, on bond expiry. Who Controls Government - Rothschild Cartel.

Who gets kick backs - Politicians - Panama Papers reveals: Medical, Financial, Other categories of theft fraud, human rights violations and deception. <https://www.icij.org/investigations/china-cables/as-global-pressure-over-human-rights-abuses-in-xinjiang-picks-up-china-remains-defiant/>

There are witnesses that have been copied into this mail and those who did not act in the best interests of their country when they had an obligation and duty to make sure those who they acted on behalf of were protected.

Shortly MP's and those in public office will be called as witnesses to events before and after 16.10.2018 where [Silent Weapons For Quiet Wars](#) was under implementation, 2.6.1953 start date. An attack on the UK and its people were ignored by those who had a public duty and being paid to act on their behalf.

This includes those in GMP who dealt with Cyclops 1146/12 and swept it under the carpet, to MPs charged with asking questions in the House of Commons but failing to do so, to those now delivering the Kill shot to children and those who protect the white collar criminals that are placed behind 10ft barricades. [Rooftop snipers and 10ft barriers as first day of Conservative Party conference met with 10,000-strong protest](#). Just following orders wont wash, Nuremberg defence 1947.

To Govern and to Pdlco required the public consent. This has been lost and those involved in fraud and murder are now clearly identified after the actions of March 2019 to date calling the pandemic that never was, to deliver the bio weapon that was planned for decades.

I suggest any Chief Constable wishing to do his job correctly and get back to basics download and read the evidence provided. Then act as your conscience dictates.

Author : MD Richard M Fleming PHD, MD, JD. Is COVID-19 a Bioweapon. A Scientific and Forensic Investigation.

The truth will set you free and see those committing the crimes on the end of a rope if we follow the laws of this land to the letter. Thanks

The Bio Weapon was designed in three hours and went straight to market after a downloaded version was provided by the Chinese Communist Party. CCP.

This is straight from the horses mouth on National morning TV. Phil & Holly hosted and witnessed. Video linked below.

This will be added to the intelligence gathering file awaiting the crime number that GMP and GMCA have tried to close, illegally and unlawfully?

INT/06A1/0004545/21

Covering up Criminal Activity yet again.. Cyclops 1146/12 was ultimately covered up by Mike Kane MP 30.11.18.

<https://www.5gmediawatch.com/post/how-to-design-a-bio-weapon-in-3-hours-ccp-style>

Children who have been misdirected and misinformed by adults who have been misinformed and duped or hypnotised by UK GOVT false media and propaganda are about to have their lives ruined or terminated by so called medically trained adults who will stand trial for murder, manslaughter, genocide - democide.

Not one responsible accountable adult that has had a part to play in this genocide will escape trial and the measure of the law under Common Law.

Those who are meant to protect the public, the Police, manipulated by a proven Treasonous Government who are now making howlers left right and centre have no excuse operating under their oath of office, clearly they have been operating as Corporate Policy Officers.

<https://www.we-the-people.co.uk/default-2-7>

They can no longer act of their own independent thinking.or have a notion of quality research. They are bought manipulated and controlled.

It beggars belief that so little has been done by so many in the Police Forces across England & Wales? Its either fear or lack of mental capacity to work a problem through to the correct conclusion or they are bought.

This audit trail of communication and the [NOTICE-OF-OBLIGATION](#) process we followed will secure conviction in both Common Law Courts and The Criminal Justice system as MP's, Ministers, Medics and Chief Constables are held to account.

The cover up in Greater Manchester of Freedom of Information Requests by Council and Police surrounding the Jab/ 5G bio weapon attack will help identify the pattern seen across the UK. This is well documented and in the public domain.

We now comprehend the full suite of products that went alongside the media onslaught behind the fake pandemic narrative and how they will be used against humanity.

Nano Particulates (metals: tungsten - aluminium - trace mercury) - Graphene: 666 - Darpa Hydrogel- Magnetogenetics - 5G Electromagnetic waves. Sub GHz - 60GHz.

By manipulating frequencies 800 MHz to 60GHz and modulated sequences within these bands, the patented technologies will influence the thought process of those jabbed with the bio weapon. Including Police.

This is the greatest mass criminal experiment carried out on mankind with a full on eugenics democide agenda at 60GHz, fortunately those who are behind it left enough breadcrumbs behind enabling the source to be identified.

Mike Kane MP you provided confirmation 16.10.18 - 30.11.18 Portcullis House, Westminster that the Rothschild Cabal were taking the UK down economically by not acting as instructed by Heather Buchanan Exec Director APPG Banking. Lives are now being lost.

The same Rothschild banking Cabal also had the patents behind COVid 19 since 2015. <https://pubchem.ncbi.nlm.nih.gov/patent/US-2020279585-A1> and this gives the game away. It connects the dots.

A method is provided for acquiring and transmitting biometric data (e.g., vital signs) of a user, where the data is analyzed to determine whether the user is suffering from a viral infection, such as COVID-19. The method includes using a pulse oximeter to acquire at least pulse and blood oxygen saturation percentage, which is transmitted wirelessly to a smartphone. To ensure that the data is accurate, an accelerometer within the smartphone is used to measure movement of the smartphone and/or the user. Once accurate data is acquired, it is uploaded to the cloud (or host), where the data is used (alone or together with other vital signs) to determine whether the user is suffering from (or likely to suffer from) a viral infection, such as COVID-19. Depending on the specific requirements, the data, changes thereto, and/or the determination can be used to alert medical staff and take corresponding actions.

[No Virus - No Test - No Contagion](#) - No Jab - No Job, No Job - No Pay, No Pay you move fully into the New World Order system or starve.

All because Klaus Schwab - The Rothschilds - The Davos Clique - Illuminati - The Hidden Hand - The Learned Elders of Zion and [Boris and his mates](#) are control freek's looking to reduce the UK population to 15 Million transhuman's that can be switched off at any point using the 5G Kill Grid/ Kill Shot Combination.

The UK Police Constabularies will have a lot to answer for soon..

So we have the full picture of how Rothschilds and The Learned Elders of Zion wish to control humanity. Human rights violations and Nuremberg Code violations but also i can see GDPR Consent elements breach on the horizon and that will wipe out the Corporate's. The collection of Bio Data without consent?

We have an absolute minefield of Common Law and Human Rights Code violations to trek through. I will be down for my crime number shortly.

From **Strangeways Here We Come** a great track " **Reel Around the Fountain**": https://video.wixstatic.com/video/2c6f37_67da20f2ed9f453f8dff9d549602db9e/480p/mp4/file.mp4

GMCA can you make sure the relevant teams in Child Protection for Greater Manchester - GM Council and GM Police are fully aware of the template so they can answer the questions fully and refer back to Nadhim Zahawi MP where answers aren't available in mainstream media.

They wont be as once the content of the job is fully listed and understood the Genocide Democide agenda becomes clear. Explaining Polysorbate 80 benefits to young adults is going to be a little tricky. Metals also when you consider what happens to metals in a microwave.

Schools immunisation and Greater Manchester Headteachers and teachers at all levels need to be aware of this and similar templates as do UK Councils and Educators nationally.

Dear Chief Constables, GMP, GMCA, MP's, All

A quick update given GMCA decided to respond to FOIR 2775936 after my last email. 20.07.21 within two hours. Crime number now necessary for **INT/06A1/0004545/Z1**

Isle of Man crime number awarded for genocide JS435946946GB 16th July 2021. Same criminal activity just a different City.

GMCA haven't answered the questions raised as it will identify the men and women who are playing a part in the mass murder or genocide now taking place in Greater Manchester.

My questions are related to who has gone through the intelligence file and deemed it should be closed?

This course of action is necessary in preventing a timely intervention and saving lives.

Is it PS E Green 14908 off his own bat? Possibly not.

Or is he being instructed from within the Council (GMCA) or GMP by ultimately Andy Burnham and his Masonic, Common Purpose controllers?

More specifically confirming no pandemic/ no virus would be made clear from the request for deaths, burials and cremations 2018 to date which has been omitted by GMCA. Totally?

GMCA Response:

Dear Mr Lamb Freedom of Information Act 2000 Thank you for your request for information that was received by us on 24 June 2021, regarding the implementation of 5G:

1. Who has done the investigation and audit?
2. What Evidence have they looked at?
3. What is their professional standing in Defence Energy Weapons, 5G/ LED lighting wavelength and protection/ Asymmetrical Warfare/ Vaccines/ Bio Weapons etc
4. Which medical experts did they consult with? etc

Further questions to GMCA FOIR team.

These are the component parts confirming: 5-6

Take my questions 1-4 and find out who in GMCA is attempting to block the Crime Number as GMP are paid for out of GMCA's budget. Who is pulling PS E Green 14908 strings.

Is it Andy Burnham as self appointed Police Commissioner?

Please also provide the data for deaths/ burials and cremations for 2018 - 2019 - 2020 and 2021 to date.

Ian Hopkins was sacked or retired early in December 2020 this is related, FOIR GMCA was copied: <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-clay-7-process-end-22-12-20>

We need names, technical expertise if used and who has attempted to close down the Intelligence building exercise as this by now should be a crime report as agreed with GMP, Central Park, Northampton Road in April. 24.04.21

This is linked with the implementation of a 5G Kill Grid when used in association with a Bio Weapon/ Jab containing metals plus other nasties that are totally unnecessary given there is No Virus, No Valid Test and No Contagion to address. This is extreme criminal activity being covered up by GMP and all Chief Constables nationwide. https://1drv.ms/v/s!ApCwWYml_p2DhvpGZg2IQNAeWl-H3w?e=DSL0Od0

GMCA Response This request is being handled under the Freedom of Information Act 2000. **The information you have requested is not held by Greater Manchester Combined Authority. I can confirm that the GMCA does not hold this information as we have not deemed any investigation to be necessary. We closely follow the guidance from Public Health England (PHE) which has not revealed any evidence requiring an investigation to be undertaken. The GMCA will not hesitate to take any necessary action in the event that the PHE advice in respect of 5G and potential health issues changes.** If you have any queries or concerns then please do not hesitate to contact us, quoting your reference number: 2775936 If you are not satisfied with this response you may ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: foi.officer@greatermanchester-ca.gov.uk If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office Wycliffe House Water Lane Wilmslow Cheshire SK9 5AF

I'm doing this for audit trail purposes and so each and everyone of you cannot state you were not aware of what is taking place. A special shout out also to Mike Kane MP as this could have been dealt with in October 2018 but he is compromised and the deaths that have followed nationally could have been prevented. Silent Weapons Quiet wars being the blueprint. PHE are now a proven criminal entity under control of The City as discussed previously. The Hancock sacking event was a distraction to the news 60% of jabbed men and women were dying supporting the bio weapon claim.

Many men women and children still can be saved by powering off the 5G Array sites and stopping the Genocide through the Government/ NHS Jab/ Bio Weapon programme.

We've provided the reasons and evidence why it should be stopped and technical expertise to indicate what will happen if you fail in doing your duty. This is the greatest criminal activity ever witnessed and to date you have failed to act and abide by your oaths of office.

Chief Constables and staff carrying out the tasks associated with the counterfeit CoronaVirus Act 2020 are working to a 2000 plus year old Jewish Cabalistic agenda that if you care to look is pieced together for you linked below. Do your own research, failing to do so is a dereliction of duty. In CPS terms its Wilful Neglect or Misconduct in Public Office.

<https://www.cps.gov.uk/legal-guidance/misconduct-public-office>

The wilful neglect or misconduct can be the result of a positive act or a failure to act. In the case of **R v Dytham** [1979] QB 722, for example, a police officer was held to have been correctly convicted when he made no move to intervene during a disturbance in which a man was kicked to death. (For kicked to death place jabbed by a bio weapon and radiated to death by 5G Electromagnetic Fields operating at 15 to 30 times the safe level 24 hours a day, 7 days a week)

There must also be an element of knowledge or at least recklessness about the way in which the duty is carried out or neglected. The test is a subjective one and the public officer must be aware that his/her behaviour is capable of being misconduct.

Meaning of 'wilful' (also see 'Breach of Duty')

In *Attorney General's Reference No 3 of 2003* the court approved the definition of 'wilful' as 'deliberately doing something which is wrong knowing it to be wrong or with reckless indifference as to whether it is wrong or not'.

In *R v G* [2003] UK HL 50 Lord Bingham said with respect to inadvertence:

"It is clearly blameworthy to take an obvious and significant risk of causing injury to another. But it is not clearly blameworthy to do something involving a risk of injury to another ... if one genuinely does not perceive the risk. Such a person may fairly be accused of stupidity or lack of imagination, but neither of those failings should expose him to conviction of serious crime or the risk of punishment."

Lord Steyn added:

"... the stronger the objective indications of risk, the more difficult it will be for defendants to repel the conclusion that they must have known." (R v G [2003] UK HL 50)

Abuse of the public's trust

Public officers carry out their duties for the benefit of the public as a whole. If they neglect or misconduct themselves in the course of those duties this may lead to a breach or abuse of the public's trust.

There are enough people telling each and everyone of you this in Manchester, Newcastle, Birmingham, London to every Town and City, Nationwide and supported in force with events in London.

You are informed of the dangers, injuries and harm being committed. You have the supporting evidence. INT/06A1/0004545/21 https://1drv.ms/u/s!ApCwWYml_p2DhvlVcBwSeuOb6WhDw7e=cHNwvV

Points of Reference: 5G plus Jab/ Bio-Weapon results in death. This is by design and a planned attack on UK Men Women & Children.

We are in stages 8 an 9 of the stages of genocide id say with an opportunity to reduce the deaths by acting now.

The Pingdemio is to create the shortages of manpower and food supply which will affect you and yours also many others that will commit suicide or similar acts of harm to themselves as they cannot identify what is happening as they have no points of reference. People such as Mark Steele, Courtenay Heading, Dave Laity, Bernician and myself do, as we collated the evidence over years and submitted it to you on being at the wrong end of your handlers and witnessed what was taking place early on.

The piece by the Bernician on Mass Murder By Government Policy spells it out for you on what those in public office have been covering up. Whether you read watch and take note of what we've communicated is up to you but remember ignorance is no excuse in law.

Those who have failed to act will be brought to justice by the people of this country under its constitutional laws.

Each and every one of those MP's Public Officials and Police failing to act will be found guilty of crimes against humanity. Nuremberg Code applies. Nolan principles apply.

New Nuremberg trials commence 1.9.21 Isle of Man. Crime number JS435946946GB.

Telling the police

If you witness a crime you have a vital role to play in bringing the criminals to justice.

If you witness a crime you have a vital role to play in bringing the criminals to justice. You may well be feeling upset and have doubts about reporting what you have seen. There is no legal obligation to contact the police, but the information you give them could bring a criminal to justice. Reporting the crime to the police could prevent further crimes being committed and protect others from becoming victims. The criminal justice system can only work effectively with your help.

Crime number please, evidence with yourselves. Thanks

Dear Chief Constables, MP's and GMP, Greater Manchester Council FOIR team members.

A Crime report that needs the GMP report number is attached and linked in the post and other points i'm sure you are aware of after recent events. Specifically 19th July Parliament Square. London. Freedom Day.

1. GMP you are covering up the Genocide agenda within your own ranks via The Economic Crime Unit, Councils and failed GMCA FOIR request 2775936. These are questions that would indicate you know its a hoax pandemic and we are looking at murder by bio weapons. GMP are now complicit in the murder of every Mancunian that follows the Vaxx/ Bio - Weapon 5G Agenda 21/2030. Nolan Principles apply. The same goes for every UK Chief Constable aligned with the Treasonous UK Government.
2. The 19th Saw a great turnout in London from all accounts and it would appear even some Met Police are now aligning themselves with their oath of office and taking off the riot gear. The rest of the UK Police should follow their lead or stand trial for "Just Following Orders" Nuremberg Code applies.
3. The New Nuremberg Trials Isle of Man, 1.9.21 is formally announced with evidence that also is within the intelligence building file that GMP/ GMCA are attempting to close INT/06A1/0004545/21

Its time to decide. You go down with The Covid Criminals or stick to your oath of office. Thanks

So total silence for over 7 days from GMP, ECU and GMCA on whose responsible for attempting to cover up the intelligence gathering file and progressing to a crime number. Interesting state of affairs for those acting in the public interest?

2775936 - FOIR REQUEST.

This i feel will have to be a crime report within a crime report to get results. That can wait as we have the evidence.. in abundance.

We now have the names of those creating the blockages within GMCA and GMP but as mentioned before those higher up in the line of command will ultimately also have to be held to account such as Andy Burnham and his Masonic brotherhood.

This would be the same for all Chief Constables I feel given the control that Common Purpose and Freemasonry have within your ranks.

We've expanded the analysis on the financial/ fraud side thanks to Action 4 Justice also added the Cyclops 1146/12 materials to the "Body of Knowledge" that is [INT/06A1/0004545/21](#)

Your Oaths of Office of Do No Harm for Doctors and Medics and Police Constables under Oath needed to be maintained and adhered to but in many cases i feel this will be too late for those who your oaths apply as they will have died.

I've placed a few linked articles here as there would appear to be a change in tack or breaking of ranks within those who control you and therefore I've put them together so you cannot say we were not informed.

<https://www.5gmediawatch.com/post/illuminati-break-ranks-impact-5g-jabs-n-stabs-the-genocide-agenda>

Within the post there is reference to a contract for the [collection of bodies for Greater London and a whistleblower](#) who has had talks where 200,000 bodies per week may have to be collected and stored. This will be 5G - BIO WEAPON related.

II.1.4) Short description

The Authority seeks to procure a framework agreement for temporary body storage in the event of an excess deaths situation for the 32 London boroughs and the City of London, led by Westminster City Council. The framework agreement will appoint a single provider and will be for a period of 4 years. This will be a contingency contract, only called upon in the event that an excess deaths situation arises in the future and existing local body storage capacity needs to be augmented.

There haven't been excess deaths to date as there was no pandemic just media hype and the FOIR and data held reflects this in the intelligence building file. INT/06A1/0004545/21. Confirmed October 2018 this was a takedown of the UK economy.

I started thinking about putting this piece together after my recent experience in Wythenshawe Hospital with my mum. Age 93 with dementia who had a fall and experienced a fractured shoulder as a result.

She had been in various parts of the Hospital since May 12th. She recently went back in after rolling out of bed as they wouldn't provide sides for the bed and their policy was to attempt to get her into a nursing home, then asset strip.

Knowing that this would be possibly the last chance we would see her with UK Government policy moving toward total lockdown and job everyone linked with the care industry, this had to be stopped.

Three Doctors plus two nurses in the last few days refused to take the Genocide reports from me indicating that DARPA Hydrogel and Vaccine content contained toxins and were Bio Weapons.

I received another call from a Doctor who shall remain nameless as i respect her view although misinformed as she has been programmed by [Public Health England \(PHE\) who are now proven terrorists and agents of the EU, UN, WEF, CCP.](#)

She had asked again as that my mum hadn't been swabbed or vaccinated, they would like to do this - My Answer NO as LPOA - and again I explained why, but now she was at risk or placed others at risk in their books of Catching COVID 19 (The Mix They are Jabbing You With !!), she was where i left her in an isolation room, confirmed by the Doctor. Fortunately she will be out on Friday 16th but the point is in the main this.

The Medical profession and the Police can no longer think critically for themselves. They no longer have a clue. They Follow Orders - Adolf Eichmann's Nuremberg plea wont cut it, believe me.

They have totally lost control and been manipulated by madmen and women with a genocide or eugenics agenda.

The UK Government was/ has been hijacked for decades if not longer (Battle of Waterloo) and write policy based on lies not science that they make money from, that all these non critical thinkers now follow. Evidence: <https://www.we-the-people.co.uk/>

The Police are protecting those who are facilitating the murder of the UK Public and the Medical profession are jabbing and stabbing the UK population into extinction or at least completing the Satanic Trans human agenda.

Don't you think there will be repercussions for MP's, Medics, Police under Oaths of Office and [The Nolan Principles](#) and [English Constitutional Law](#).

I will leave you with a thought from Andrew Mathers Peerless Reads. Its all about the marketing.

I've attached the [latest response to GMCa](#) who seem to be stumbling over the raising of FOIR (2775936) that clearly identifies Greater Manchester Police attempting to close down the collated evidence of Fraud, Treason, Genocide, Democide held on Intelligence gathering file: INT/06A1/0004545/21, we still need the name of the man or woman that has ordered this to happen.

This i can understand as it does somehow implicate Greater Manchester Police and the Economic Crime Squad in activities in subverting the course of Justice, similar to what Dolores Cahill exposed this last week in Ireland.

This is in reference to the arrest of Garda PC Hugh Shovlin's footage who while preventing a political candidate exposing harm and injury to Men Women and Children also Genocide and Democide, was captured preventing access to a public event.

Dolores had noted irregular activity in respect to suspected vote rigging or tampering with the democratic process. PC Hugh Shovlin criminally, personally, implicated himself by being in breach of his Oath of Office.

This is as many of you copied were made aware during the We The People - Project Elephant delivery : <https://www.we-the-people.co.uk/> is unconstitutional.

We now have a similar set of events with GMP staff and specifically the Economic Crime Squad staff member attempting to close down the intelligence gathering file which identifies criminal activity within Police, Politicians, Councils - Local Government, Central Government. Unfortunately for all those participating in this activity as public servants you are in breach of your oaths, the Nolan Principles and will have to pay the penalty for breaching those oaths.

<https://www.5gmediawatch.com/post/5g-warfare-its-a-blast-its-on-your-high-street-360-isr>

Trafford or GMCa staff members had been rumbled or on nerved by the fact that [5th Generation Warfare](#) techniques were installed or in place and had been signed off either knowingly or unknowingly by themselves or Andy Burnham as many Council leaders will have across the UK. This following piece is from the summary but is indicative of [5th Generation Warfare](#) or for short [SGW](#) as informed within [We The People case Study 5](#) identified:

"Decision Dominance is the ability to create and use intelligence in order to command the cognitive mission space"

The Fifth Generation Mission-space represents a new environment in which future operations will take place. The complexity of the domain is exacerbated by uncontrolled and undefined actors directing or influencing the narrative. The greatest challenge of the new mission space is the total erosion of the concepts of the enemy and of war itself. The opponent will be much more ambiguous and warfare will become an insidious creep designed to degrade from within rather than attack from without.

Again this reference to attack from within aligns itself with the Silent Weapons Quiet Wars blueprint that commenced against the people of the United Kingdom on 2nd June 1953. <https://bit.ly/3xkNn8>

We find ourselves in the position where Councils, Government and Police Forces are no longer fit for purpose and in breach of their oath, why would they be paid by the Men and Women of the United Kingdom?

NOTICES OF OFFENCE will now be required in order for a lawful service to be put in place to complete a successful criminal prosecution and using the statement of truth/ affidavit (legalese) mechanism un rebutted affidavits will lead to unilateral contracts or commercial liens that will be placed against those in public office who are identified as being personally liable.

Please take note as per the maxim - ignorance is no excuse in law stands for you all. Thanks

I have copied Philip Hyland's law practice and attached his letter to this communication. It has also been added to the intelligence gathering file agreed with GMP: INT/06A1/0004545/21 awaiting a crime number as agreed. 24.04.21 on provision of a jab victim. We have the victim in a Hospital bed currently and his video testimonial of what has been happening to him from a health perspective after the first Astra Zeneca jab in March 2021.

<https://www.5gmediawatch.com/post/whistleblowers-day-24-04-21-covid-criminals-app-launch>

This is with GMP for their attention. No response to date. GMP attempted to close down the intelligence building file so we have identified a cover up of evidence presented. We are awaiting the FOIR - 2775936 data on deaths, burials, cremations 2018 to date by year from GMCA and also who tasked the GMP Economic Crime Unit Police Constable with closing the evidence file? We have our suspicions but need confirmation.

PJH Law have drawn the NHS CEO Sir Simon Stevens attention to The Nolan Principles 2.7.21 which again you were informed of in our recent communication:

<https://www.gov.uk/government/publications/the-7-principles-of-public-life/the-7-principles-of-public-life--2>

Key points from PJH Law:

- 1. The vaccine programme has been rolled out in breach of the legal requirements for clinicians to obtain the free and informed consent of those being vaccinated.
- 2. That the requirement to wear face coverings in an NHS setting is in breach of common law obligations not to cause harm and breaches statutory obligations in relation to provision of PPE

The groups of people who my client alleges have breached common law obligations are:

- 1. HM Government.
- 2. The Executive Board of the NHS.
- 3. SAGE.
- 4. Senior public office holders within the civil service.
- 5. The Executive Board of the MHRA.

I would also like to add UK - England & Wales Chief Constables and Police Constables under Oath of Office who have followed the "Guidelines" of The UK Government and The Coronavirus Act 2020 which is a counterfeit document and piece of Legislation written in DOG LATIN based on false data: No Virus - No Test - No Contagion: Thanks Courtenay: <https://bit.ly/2Va9r6n>

Please read the attached document as it will be key in exposing the wider criminal activity that is linked in destroying the UK economy, the health, humanity and sovereignty of its people.

Just to highlight and confirm what we have been informing you of since 20.10.20 under Common Law is now spelled out by a legal/ law firm for further confirmation that the UK Government have been involved in Treason, Economic and Fear based Political driven Terrorism and now Genocide/ Democide of the population looking to use a Bio Weapon as confirmed by Professor Francis Boyle in the post: <https://www.5gmediawatch.com/post/vaxxing-kids-usa-uk-nuremberg-2-0-iom-1-9-21>.

This act of terrorism against the sovereign men, women and children of the United Kingdom must be stopped immediately.

Just to confirm that all England and Wales Police Chief Constables were aware of what was about to take place before the event and failed to act.

In some cases they attempted to arrest en-route We The People team members from delivering lawful documents completing the process

NOTICE - OF - OBLIGATION - ACCORDING - TO - ENGLISH - CONSTITUTIONAL - LAW

<https://www.we-the-people.co.uk/> <https://www.we-the-people.co.uk/part-2-case-studies> 42 Page document: <https://www.we-the-people.co.uk/download-pdf-version-master>

The process was completed 22.12.20 with an un rebutted affidavit or statement of truth, that now stands as truth in law.

<https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>

To prevent any duplication of effort and assist Philips team, he is more than welcome to share the current Prima Facie Evidence we have and access to the subject matter experts assembled as we identified the destruction of the UK economy now its people from within Government.

My personal case study is on <https://www.we-the-people.co.uk/part-2-case-studies> highlights fraud and Treason - Case Study 4. We have Doctors, Surgeons and Defence Energy Weapons experts that can identify the component parts to what is clearly a UK Government endorsed attack on its people backed by foreign agents. These further initiatives confirm Treason, Terrorism, Genocide - Democide are the objectives.

Chief Constables, Police Constables, MPs's those who are in public office. The Nolan Principles are your guide not Masonic or Common Purpose Oaths of Secrecy.

Act now to save face and speed up the corrective measures to prevent further harm, loss or injury to the men women and children of this country. Thanks

We now have the evidence required to indicate that there is a blanket cover up and obstruction to justice being done within England & Wales Police Forces to protect the Greater Masonic/ Elders of Zion/ Common Purpose mission of Genocide Democide on the UK population. This Mike Kane MP helped personally qualify 30.11.2018 at his offices in Wythenshawe with myself after the meeting in Portcullis House, Westminster 16.10.18 with APPG Banking Exec Director Heather Buchanan, witnessed by James Ventress. Referring to the Elders of Zion aka Rothschilds, triggered his natural defensive mode and he went on a real wobbler. We know who controls Mike.

We know "Who Dunit" so to speak and now how they managed to keep you all quiet. Be it financial or Masonic Oaths of Secrecy, Photos etc, its Leverage, its unlawful. There is no escaping what will follow.

A quick summary with all the evidence you require to act in honor built into the post below:

<https://www.5gmediawatch.com/post/vaxxing-kids-usa-uk-nuremberg-2-0-iom-1-9-21>

Let me remind you of the 7 Principles of Public Life, The Nolan Principles: <https://www.gov.uk/government/publications/the-7-principles-of-public-life/the-7-principles-of-public-life--2>

As you failed in The Nolan Principles to date, this is where we are now and what to expect.

Genocide - Democide - Breakdown:

Phase 1 Genocide - Democide - The Elderly with a concoction of Midazolam and Morphine delivered by syringe drivers in care homes. Flu jabs with Nano Particulates are a contributing factor 2018/2019/ 2020.
Phase 2 Genocide - Democide - Those jabbed who make up 60% of COVID identified deaths (PHE data) this is on target for the 66 Million to 15 Million survivors, Deagel.com projections now taken from the internet. We have copies.
Phase 3 Genocide - Democide - This will be timed with Euro 2020 final stages with all football fans that have been swabbed/ DARPA Hydrogel, Health Passport compliant, mostly jabbed to travel and get back into arenas, with the toxic bio weapon and chip implanted, ready to return to their local communities where they will be blasted with a 5G - 900Mhz blanket Electro Magnetic Wave or WiGIG 60GHz in grounds that will trigger the nano particulates - metals in the jabs.

Remember you cannot catch a virus (Stefan Lanka - Virus' dont exist - See Courtenay's work on outfection's) or in this case poison.

Poison has to be injected or externally triggered - 5G EMF - EMP. GMP intelligence building reference: INT/06A1/0004545/21 has the evidence.

Confirmed, receipted GMP: <https://www.5gmediawatch.com/post/gmp-genocide-report-int-06a1-0004545-21>

Phase 3 Timeline: <https://www.uefa.com/uefaeuro-2020/fixtures-results/#/rd/2001028> Wembley packed possibly England in the final, expect third wave around 15th July roughly. Its coming home but what exactly is it?

Answer: The next FULL LOCKDOWN on the back of the biggest murder case cover up in history. Thanks guys.

There are now confirmed reports they have started coming for the kids in the UK as in the USA. This is a clear Nuremberg Code breach and still you do nothing?
<https://history.nih.gov/display/history/Nuremberg+Code>

1. The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, over-reaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved, as to enable him to make an understanding and enlightened decision. This latter element requires that, before the acceptance of an affirmative decision by the experimental subject, there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person, which may possibly come from his participation in the experiment. The duty and responsibility for ascertaining the quality of the consent rests upon each individual who initiates, directs or engages in the experiment. It is a personal duty and responsibility which may not be delegated to another with impunity

READ THEM ALL 1-10 BUT CHILDREN & YOUNG ADULTS HAVE BEEN MASSIVELY MIS INFORMED AND CHILDREN DO NOT HAVE THE MENTAL CAPACITY OF AN ADULT.
INFORMED CHOICE WITH FULL TRANSPARENCY IS KEY. THIS IS MANSLAUGHTER. DEMOCIDE: <https://principia-scientific.com/professor-dolores-cahill-people-will-start-dying-after-covid-vaccine/>

10. During the course of the experiment, the scientist in charge must be prepared to terminate the experiment at any stage, if he has probable cause to believe, in the exercise of the good faith, superior skill and careful judgement required of him, that a continuation of the experiment is likely to result in injury, disability, or death to the experimental subject.

Again Oaths of Office prompt reminder and We The People - Reminder from 20.10.20: <https://www.we-the-people.co.uk/> Case study 5 for Councils that are attempting to cover up the fact they've allowed 5G EMF Kill Grids to be fitted across all major UK Towns and Cities. <https://www.we-the-people.co.uk/part-2-case-studies> 5G: LED Street Lighting - Phased Array Beam forming units - 868 Mhz Urban Radar etc https://www.exeter.ac.uk/news/featurednews/title_655460_en.html : 5G Kill Grid - Attack Mode <https://bit.ly/3dbsvfr> Police Chief Constables, all work for Councils or are paid through Councils in the vast majority of cases.

Answer this. Why would anyone pay your wages or pensions when you allowed their families and children to be massacred and you were fully informed of what was to take or had taken place and in a position to prevent Genocide?

Each of you are personally accountable and responsible as men and women. Just a passing thought. Have a great day.

Video and audio evidence now placed on GMP file awaiting crime number. **INT/06A1/0004545/21**

Today, we have new data from a man who has become seriously ill. By cancelling his ambulance Saturday evening as he thought he was going to die and it should be used to save someone else, he'd waited hours, he may have been saved by the actions of a concerned 111 or 999 operator as all calls are recorded. He had waited 10+ Hours for an ambulance before paramedics arrived.

Operators jumped him in the queue, he's currently being treated in a London Hospital after being COVID jabbed in March and has slowly deteriorated.

We have placed limited information here as video testimony to what he believes is killing him slowly is being collated, this email confirms Genocide. He was on statins as a medication beforehand that's all.

He wishes to report being poisoned by the authorities as Police Chief Constables, wed like a Crime Number to add to the intelligence gathering number above from GMP. I am in communication with him from his hospital bed.

This is playing out Silent Weapons Quiet Wars to the letter: <https://archive.org/details/SilentWeaponsForQuietWarsOriginalDocumentCopy/page/n3/mode/2up> I suggest you read on what and who you are protecting as public servants.

I have the audio files of him when he feels he was going to pass as he recorded them to me as he lay on the floor waiting then cancelling the ambulance, at that point he had given up on life. This is now evidence.

Paramedics eventually turned up and he's now in a London Hospital Bed on a drip and with medication to address blood clots, pins and needles head to foot, headaches and stomach cramps/ intestine swelling.

Screenshots of What's App exchange here with his permission: <https://www.5gmediawatch.com/post/all-hands-face-no-space-lljpside> video and audio evidence are now on the intelligence gathering file.

Protecting those who are committing genocide places you fairly and squarely in the complicit vertical as you have all been informed since late October 2020 (20.10.20) pre roll out of treason then medical manslaughter.

We The People (WTP) served the lawful documents to address the situation identified: <https://www.we-the-people.co.uk/>

https://50ceca32-9163-46c4-851c-b1a237e83bb7.filesusr.com/ugd/2c6f37_d8b8742b21f42498f9ed9b3a90376a79e.pdf

Misconduct in public office carries severe prison sentences, Genocide - Democide is a crime where punishment can see the convicted criminal hung till dead.

This lawful detail we have previously provided to you in two formats as not all those serving WTP docs wanted, nor believed in an eye for an eye, but it is the law of this land where Treason and Genocide has been committed on the men women and children of the UK.

Hancock will not escape punishment, nor any other politician, civil or public servant from the crimes they have committed or covered up.

https://50ceca32-9163-46c4-851c-b1a237e83bb7.filesusr.com/ugd/2c6f37_2112dbd1fa4449d79dd4ecf504d2d466.pdf

<https://www.we-the-people.co.uk/default-3-7>

We hope you will start to address this situation and those criminals you have protected. We now have witnessed and provided prima facie evidence of their true intentions.

They have a genocide blue print and you have a digital copy of the original Silent Weapons Quiet Wars document.

Page 47 onward is clear on intention. Pages 23 and 24 spells out what is taking place now.

<https://archive.org/details/SilentWeaponsForQuietWarsOriginalDocumentCopy/page/n23/mode/2up>

They must eventually resort to war to balance the account, because war ultimately is merely the act of destroying the creditor, and politicians are the publicly hired hit men that justify the act to keep the responsibility and blood off the public conscience. (See section on consent factors and social-economic structuring.)

If the people really cared about their fellow man, they would control their appetites (greed, procreation, etc.) so that they would not have to operate on a credit or welfare social system which steals from the worker to satisfy the bun.

Since most of the general public will not exercise restraint, there are only two alternatives to reduce the economic inductance of the system.

(1) Let the populace bludgeon each other to death in war, which will only result in a total destruction of the living earth.

(2) Take control of the world by the use of eco-

24

conomic 'silent weapons' in a form of 'quiet warfare', and reduce the economic inductance of the world to a safe level by a process of benevolent slavery and genocide.

The latter option has been taken as the obviously better option. At this point it should be crystal clear to the reader why absolute secrecy about the silent weapons is necessary. The general public refuses to improve its own mentality and its faith in its fellow man. It has become a herd of proliferating barbarians, and, so to speak, a blight upon the face of the earth. They do not care enough about economic science to learn why they have not been able to avoid war despite religious morality, and their religious or self-gratifying refusal to deal with earthly problems renders the solution of the earthly problem unreachably by them. It is left to those few who are truly willing to think

survive as the fittest to survive, to solve the problem for themselves as the few who really care. otherwise, exposure of the silent weapon would destroy our only hope of preserving the seed of future true humanity.

Hancock's affair is a distraction and you should be investigating the murder, manslaughter, genocide of over 1500 UK men and women and a million adverse reactions that will grow in number as the bio weapon kicks in.

Please provide the crime number. The evidence you have is very clear. Our witness is currently alive and wants to give evidence.

Neale needs to see this happen as he is a victim currently bed bound. I'm now waiting on a call from GMP who have my details, reports and evidence already submitted.

If no call is received, there will be a Police complaint and ECU at GMP instead of addressing a genocide call by attempting to clear it will be looking at investigation of a cover up and confirmation of an inside job or misfeasance/ malfeasance in public office.

Ex PC Mark Sextons video footage confirming Genocide and Treason should be enough for you to take note.

Leamington Spa Police Station have further details. These events are captured in the post below.

An Act of Terrorism again has been reported on this Nation by the UK Government to Police. This course of action has been done with intent, its Democide. Thanks Mark Sexton.

Further to receiving the intelligence gathering file number from GMP INT/06A1/0004545/21 (Prima Facie Evidence of Genocide/ Democide) an attempt it would appear to close down all reporting and discussion was made by Manchester's Economic Crime Unit. Currently awaiting confirmation of who is responsible for this decision.

This happened in the past with Cyclops 1146/12. The result is that the UK and Global economy has been trashed. See case study 4 We The People: <https://www.we-the-people.co.uk/part-2-case-studies>

Trafford Council/ GMCA didn't like the fact they had allowed Toxic EMF poisoning that will interact with nano particulates (metals) in the bio weapon/ vaccine to breach the blood brain barrier. This is a trigger mechanism. This is a well thought out devious act of terrorism for financial gain. John Glen, copied aware of Sovereign Wealth Bond/ fund implications. You are covering up the biggest crime in the history of humanity. Special Branch need contacting for Mark Sextons work and evidence submitted and cross reference to materials submitted to GMP under intelligence gathering file: INT/06A1/0004545/21.

You - Chief Constables - can all do this as its now a confirmed National Emergency and you have access to the evidence at many levels.

This wont go away and UK Police Forces are aiding and abetting serious criminal activity under your private corporation status. Individually, publicly, you all took Oaths of Office.

All Chief Constables and their staff are complicit in allowing voluntary manslaughter to continue if you do NOT act given this further democide reporting.

Hopefully you've got the message after watching one of your own do the right thing, follow his lead. This impacts you and your families too.

Thanks to ex PC retired Mark Sexton for doing the right thing. Much Appreciated Mark - We The People.

Dear Sherry Traquair,

Your response of a single link to me containing the text below given your role in UK Policing is a disgrace but my experiences of this situation to date tells me there is arranged or coordinated cognitive dissonance within UK Police forces at Chief Constable and above. We experienced this on the delivery of THE NOTICE OF OBLIGATION process during 2020: <https://www.we-the-people.co.uk/>

Certain England & Wales forces attempted to arrest team members delivering lawful documents. Arresting people delivering lawful documents that are effectively crime reports is a criminal act in itself. The United Kingdom constitution has been under attack for some time and UK Police Forces have been protecting the attackers. The attackers are a Treasonous Government who are now a confirmed fifth column commercial enterprise. TREASON.

This has been noted as Nuremberg 2.0 trials are now imminent and we hold a substantial amount of evidence of Police awareness and protection of acts of malfeasance in public office.

National Police Freedom of Information and Data Protection Unit (NPFDU)

The NPFDU acts as a national co-ordination body in providing professional advice and support for forces and stakeholders in all matters relating to both Freedom of Information and Data Protection within the UK police service.

National Police Freedom of Information and Data Protection Central Referral Unit Activities:

- Provide advice and support on Freedom of Information (FOI) and Data Protection(DP).
- Co-ordinate the strategic development of the FOI Act throughout the police service.
- Maintain and develop relationships with partner agencies, regulatory bodies and requestors at a national level.
- Produce and deliver FOI/DP training, workshops and professional development events.
- Manage intelligence in relation to the misuse of the legislation.
- Ensure National Policing leads are able to contribute to information disclosure.
- Attend national and regional (Information Management Coordination Committee) portfolio meetings.

Key deliverables

- To research and provide professional FOI/DP advice for forces in consultation with National policing leads and other stakeholders.
- To discharge the responsibilities of the NPCC in responding to FOI requests submitted to the body.
- To discharge the responsibilities of the NPCC in responding to DP Subject Access requests submitted to the body.
- To provide secretarial support to the Chair of the National Policing FOI, DP and Records Management (RM) within the Information Management Portfolio.
- Attend and provide support & direction to Regional FOI/DP meetings.
- Represent UK Police forces at the National Security Liaison Group (NSLG).
- Exchange intelligence with stakeholders and other partner agencies.
- Deliver Annual Professional Development event (PDE) for FOI and DP managers, supervisors and practitioners.
- Deliver Annual FOI and DP National update workshops.

Sherry, which elements of your NPCC Key Deliverables or Freedom of Information bullets exempts the NPCC from acting across all the UK/ England & Wales forces given you have been given intelligence that has been available since mid 2020 last year at least when Met Police closed down the World Doctors Alliance (WDA) and supporting speakers in Trafalgar Square, during events that I witnessed along with thousands of others, some copied. <https://worlddoctorsalliance.com/> I witnessed tyranny as did many others at these key, informative, peaceful meetings.

Those who have taken the job now have a limited life span according to a number of key professionals in this sector who are being silenced by a known Treasonous Government under control of UN, WHO, EU, WEF and CCP influences looking to bring in the Great Reset.

These or many are influenced by GATES FOUNDATION funding and are compromised as i feel we will find behind the UK MP's that supported the CoronaVirus 2020 Act and all the misery it has brought, hence COVid Criminals.

Extract from GVB Open Letter: While there is no time to spare, I have not received any feedback thus far. Experts and politicians have remained silent while obviously still eager to talk about relaxing infection prevention rules and 'springtime freedom'. My statements are based on nothing else but science. They shall only be contradicted by science. While one can barely make any incorrect scientific statements without being criticized by peers, it seems like the elite of scientists who are currently advising our world leaders prefer to stay silent. Sufficient scientific evidence has been brought to the table. Unfortunately, it remains untouched by those who have the power to act. How long can one ignore the problem when there is at present massive evidence that viral immune escape is now threatening humanity? We can hardly say we didn't know - or were not warned.

Unfortunately, it remains untouched by those who have the power to act.

This communication was also to make sure that you informed your own Police Force members as if swabbed or jabbed those staff - human beings are in for a difficult time moving forward as they are involved in an experiment of changing their DNA then should they get through this preconceived disaster, potentially remote management through implementation of gene therapy/ radio based techniques never used on humans before?

<https://www.saveusnow.org.uk/covid-19-vaccine-is-a-biological-chemical-weapon-not-a-vaccine/>

This isn't a vaccine deployment, this is manslaughter and a war crime with a delayed outcome for the majority who fall in line with the Tavistock, SAGE, Goebbels style misinformation.

This pandemic was done with intent and secured its delivery through vested financial interests in eugenics policies, business and the politics of a financial reset and the benefits it brought to the 1%.

NPCC should be coordinating the National investigation of this criminal activity across all forces NOT the National Cover Up.

GMP, I'm waiting for a Crime Number as the results of mass bio weapon roll out will start shortly, forecast 4 - 14 months from start date. This is also branded the "new variant" by those covering up the crime in the media.

GMP, If you can let me know who is accountable and responsible for going over the linked evidence provided and providing the crime number this will be appreciated.

Initially id like to thank Georgina 20264, off duty for stepping up and accepting the physical report which was placed in an envelope for her attention today.

This is essential for GMP and all Police staff to be aware of as all their Constables and support staff that are being swabbed and the public will be impacted. This needs to be stopped and investigated immediately.

I suggest lab testing in Police labs or independent labs any PCR test supplies you have in stock for hydrogel and lithium plus whatever toxins you may find.

The PCR test doesn't work and is the wrong application of the product. The intention is to place DARPA Hydrogel in those receiving the swab test. They are then open to remote control via radio waves or similar 5G microwaves

Sherry Traquair from a national FOI perspective at NPCC level can communicate this to Martin Hewitt for his Chief Constables attention.

I now need the Crime Report number for the physical report that was passed to Ian 62506 as this is the connecting investigation to follow the financial take down of the UK economy investigated 2006/7 - date, confirmed 16.10.2018 - 30.11.2018. All roads will lead back to The Treasury and those who are pulling the strings of that i have little doubt.

All parts are linked as you will find the contracts for Chinese Manufactured test kits will more than likely had to come from a specific manufacturer that has been under instruction to create the Bio Weapon PCR Kit to specification. This will link with the 5G remote control functionality patent 601732 communicating with the Lithium fractal antennae DARPA Hydrogel that will grow within your cellular system. This is Asymmetrical - Bio Warfare

Kate Shemarami warned of this on many occasion's pre release of any test kits.

Ex PC Mark Sexton has called the test kit "amnesty" now. Thanks

Ian, Curtis @ GMP. URGENT MESSAGE. Confirmed Contaminated PCR Test Kits.

As part of the evidence collection expect the handing in or amnesty of PCR, swab and lateral flow test kits for your testing and confirmation that the use of toxic and carcinogenic substances has been deployed by foreign agents looking to cause injury and harm on the UK population.

This should now be awarded a Crime Number for immediate action by Greater Manchester Police.

Within the test kits, we already know that these are NOT suitable for the current application yet been rolled out nationally. Document - No Virus, No Test, No Contagion, now confirmation by independent lab analysis is within your document set.

Ex Police Constable Mark Sextons request based on Dr Carrie Madej analysis, supported by independent testing labs have now confirmed the original statements - I repeat. This is now within your evidence bundle for immediate action.

This is a confirmed Act of Terrorism and Genocide/ Democide.

The use of Darpa Hydrogel and Ethylene Oxide in swabs, also SM102 within the bio weapons - vaccines is NOT intended by the manufacturers for use on Humans or Animals.

Each type of vaccine would need to be tested in order to confirm what the make up is and true intention of the ingredient or component.

All CoronaVirus testing facilities should be closed immediately and job centre's prevented from delivering harmful substances as they are breaking the law as they are now administering confirmed poisons to the public.

This outcome will account for the high number of adverse reactions initially then in time as the bio weapons kick in, lead to early death within months of injection as stated by Professor Dolores Cahill.

The Dolores Cahill video testimony for Reiner Fuellmich's Class Action recording is within your evidence bundle also: https://1drv.ms/v/s!ApCwWYml_p2DhvpFWnQK-P8bhyO1EQ

Any testing on your Police Constables and support staff will be causing harm, for your colleagues safety please make the Chief Constable, Andy Burnham and your NHS contacts aware of this information. FOI GMCA copied.

The collateral in your possession already pointed to this but now we have supporting data and scientific reports. Thanks

Curtis 69947, Ian 62506, @ GMP

I attended Northampton Road Police Station, GMP, HQ yesterday 19.5.21, 2.20 - 3pm to pick up a Crime Report Number on the linked data.

This report identifies the same people behind the taking down of the UK economy through a series of tactical fraudulent projects in the financial sector, being the same as behind the Genocide/ Democide linked to the UK Government deception we are witnessing, now termed a pandemic.

The generic term we selected from courtenay's paper COVID Criminals and have now made the application to help process the crime and assist those impacted by the Bio Weapon 5G combination. <https://qr.cr/m/cc101/>

This fraud element is briefly touched on in Case Study 4 We The People: <https://www.we-the-people.co.uk/part-2-case-studies> similar events are explained on Spank the banker: <https://vimeo.com/ondemand/spankthebanker> Heather Buchanan, copied, narrated in part.

Evidence has been provided of non pandemic status on Government web site: <https://www.gov.uk/guidance/high-consequence-infectious-diseases-hcid> There was no need for lockdowns other than there being another hidden agenda?

We are witnessing Genocide/ Democide through bio weapon with a 5G trigger mechanism - prima facie evidence and supporting video footage to date: https://1drv.ms/u/s!ApCwWYml_p2DhvlVcBw5cuOb6WhDw?e=5Te13Y

Professor Francis Boyle confirms Bio Weapon use UK & USA : <https://www.saveusnow.org.uk/covid-19-vaccine-is-a-biological-chemical-weapon-not-a-vaccine/>

This activity links back to the involvement of HM Treasury, HMRC and those Government officials leveraged by The City. We are now looking at fraud and medical manslaughter on a national basis delivered at many levels.

This includes the proven historical and current Treasonous UK Government cover up document set FCO 30/1048 <https://www.we-the-people.co.uk/> .

Today, we have the pre planned COVID 19 Bio Weapon death of the men, women and children where HM Treasury will cash in the bonds linked with the victims FICTION'S.

Its financially motivated manslaughter by the current administration of a poison (COVID 19 Vaccine) in line with the Gates Foundation, hidden eugenics policies and World Economic Forum, UN, EU, CCP delivered policies.

The UK Government being merely puppets of foreign forces managed via The City, the CORONAVIRUS Act 2020 being a counterfeit document written in DOG LATIN, NOT-ENGLISH.

The number of adverse reactions on initial administration of the bio weapon/ vaccines would have seen distribution halted based on results to date should the preferred outcome be a healthy UK population. Government documents identify 30% single jab and 70% two jabs will make up the third wave of UK fatalities - 100% <https://www.5gmediawatch.com/post/two-shots-confirmed-third-wave-bio-weapon-deaths-uk>

For the financial case study aspects i will provide the case study with dates times and evidence based on Dylan Harvey Group - Cyclops 1146/12 GMP file number. This will be made available again to the investigating Police Constables under oath.

This has been reported previously but the justice system and Policing mechanism stated nothing to see here. After my own continued research and a number of years we proved massive fraud into HM Treasury, HMRC and Financial Regulators under John Glen.

The City leveraged and protected by MP's in my case Mike Kane MP Sale East & Wythenshawe although there will be others on different use cases or case studies that have prevented the guilty parties from criminal charges and as now transpires TREASON/ malfeasance, misfeasance or nonfeasance in public office. Take your pick.

Ian 62506 contacted Curtis 69947 while i was on site as you are no longer on front desk duties and informed me as the two reports are linked the Intelligence gathering number will be shared. INT/06A1/0004545/21 is now the shared intelligence gathering number across both pieces of research and will encompass the reopening of Cyclops 1146/12.

Curtis, please confirm this as stated by Ian 62506 by return email. Thanks.

Hard copy paperwork was left with Ian 62506 for scanning onto the system. Softcopy already emailed to you.

The latest stage in Government tactics against the UK Population is to proclaim variants in the virus SARS COV 2 that cant be isolated or identified by i believe 46 Countries and experts in this field will be the cause of future deaths?

The intelligence now in your possession via the linked data identifies that a significant number of the Indian population are those that took the bio weapon/ vaccine in January they are now dropping dead in May?

We cant substantiate Indian data but could access data from UK GP records as the bio weapon kicks in over here.

This two shots and your dead third wave narrative is also supported on the Government website, please listen to the observations by Mark based on Government documentation: <https://www.5gmediawatch.com/post/two-shots-confirmed-third-wave-bio-weapon-deaths-uk>

The Government white papers can be downloaded and are in the evidence folder. SPI-M-O Modelling Roadmap, a 23 page document.

Id also make yourself aware of the Claire Edwards information who is an ex UN translator within that same post.

The paper she is reading from is the THE COVID -19 GENOCIDE OF 2020. <https://archive.org/details/claire-edwards-the-covid-19-genocide-of-2020>

The 5G/ COVID correlation document Claire refers to is within your evidence set: https://1drv.ms/b/s!ApCwWYml_p2Dhvl63ztHl7iHfKAdQ

The so called vaccine COVID 19 is the variant marketed as "The Cure" or prevention method and therefore promoted by Government both central and local, in the media and within the NHS.

Where liability will be held in the future we cant be certain but Government gave Big Pharma & corporates a free pass on the liabilities front by design. We will see how this pans out.

The coming UK impact we will soon be able to confirm hopefully from Yellow Card and MHRA data if correctly recorded, updated and maintained as it should be, however many of those impacted by adverse effects have not been informed of Yellowcard/ MHRA in my experience to date.

We are witnessing democide in the UK supported with false Government statements and propaganda in order to increase bio weapon/ vaccine take up to cull the population numbers.

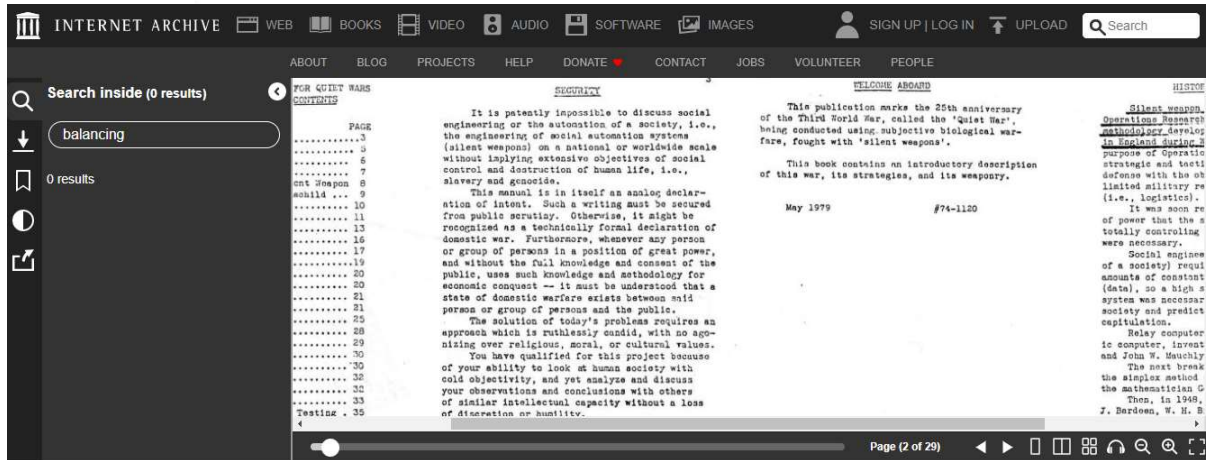

This as we have stated previously is asymmetrical warfare with a view to take down the economies, reduce the global populations and control those who are left with remote trans human management systems delivered through the 5G technology.

If there are NO Viruses you don't need an unknown concoction of nasties to modify your DNA sticking in your arm. Your own immune system will do nicely.

Please refer to Courtenay's interview with Dr Andrew Kauffman in the evidence bundle and here: <https://www.bitchute.com/video/DW9jaZuLuzw/>

We have witnessed Government sponsored medical manslaughter with a financial gain incentive and therefore you need to open another fraud/ murder investigation with a linked Crime Report number as the whole episode is about balancing the books in Government handler terms. This is described with diagrams in their control and cull, blueprint document set, Silent Weapons for Quiet Wars.

<https://archive.org/details/SilentWeaponsForQuietWarsOriginalDocumentCopy/page/n13/mode/2up>

Please give me a date when we can meet with the investigation team to support the evidence provided before too many are murdered through this UK Government operation. Thanks

We've added the final pieces of Government data to the evidence bundle. ID INT/06A1/0004545/21. See attached.

From here on in, it will be witness testimonies as people begin to realise what is really taking place and their health deteriorates.

Most will possibly be in close proximity to EMF sources such as 5G Masts, SMART meters, LED Street Lighting or any energy field emitting devices that will impact their immune system coupled with the make up of the job/ bio weapons properties.

Also Police Tetra microwave radio units.

This is a compartmentalised approach to an attack as we have experienced in the financial, white collar criminal markets run out of The City of London.

We know the VAERS system (Adverse Reaction) in the US and UK Yellow Card equivalent run by MHRA don't reflect what is taking place as people i have spoken with aren't even aware of these systems when they've stated they are feeling ill.

I've spoken to a guy this morning who has taken the first shot seven weeks ago and been extremely ill and informed him steps we are making to bring the evidence together should he wish to add to the crime report evidence bundle.

His Doctor attempted to link his condition to previous bout of depression and told him there were few adverse reactions. If this is what the majority are being told there is a travesty of justice taking place by design which amounts to a cover up on multiple levels.

He had to mention the Yellow Card system to his GP and he was to report his adverse reaction himself.

He lives near Heathrow Airport so we could be looking at a similar scenario to Abbotswood Nursing Home (Evidence bundle) in the Isle of Man being near Ramsey Airport and the impact of Ground Radar on lipids / nano particulates (metals) potentially where a high percentage of the Islands Coronavirus attributed deaths took place in one location within reach of radar sweeps/ Electro Magnetic Fields.

This is the confirmation from Government sources that the third wave deaths will come from those injected with two shots of the experimental jab. Marks video overview is linked here:

Relevant sections Page 10 Section 32. Page 18. Section 55 and 56 attached.

I received a call today from a lady called Charlotte who worked for the NHS immunisation programme. She had followed up the intense SMS and leaflet marketing programme and had wanted to know my intentions as to the jab.

I have informed her of my own research in this area and this is an experimental shot based on pandemic misinformation by Government with a view to Genocide as per Silent Weapons Quiet Wars.

- <https://www.gov.uk/guidance/high-consequence-infectious-diseases-hcid>
- https://videobanned.nl/aiovg_videos/interview-for-scottish-peoples-forum-7-2-2021/

The call was at 0823-30 10.5.21 and i was told this was being recorded for training purposes.

I thanked her and asked if the recording could be used as future evidence. She works for NHS South, Central and West i asked if it was a Clinical Care Group but she didn't seem sure apart from my GP patient records would be updated.

<https://www.brooksidegrouppractice.co.uk/covid-19-vaccination/> 0300 5610240 is the number the call was generated from.

I will be down soon to pick up my crime number for the linked crime. I'm the victim, meeting the requirements for generation of a Crime Number.

I feel that we have enough evidence for the linked intelligence to now have a crime number as with Marks short clip we can see that in March 2021 the Government know that the majority of future deaths will come from those who have had two shots.

This will be either as a timed incubation period for the bio weapon has been met to have its full impact or as Dr Thomas Cowan wrote in The Contagion Myth the triggering by 5G EMP's of the vaccine metallic components will be the method. Thanks

I can bring a physical paper copy in if required and start to go over the linked detail for clarity. Its better you assign someone first to review the content.

In brief we are being subjected to asymmetrical warfare techniques that are financial, physical and psychologically targeting the UK public with misinformation leading to deaths in a significant number of cases from initial adverse reactions to jab/ bio weapon delivery.

Medical professionals state this death rate will increase rapidly as mRNA vaccines incubate in their hosts over a 4 - 14 month period.

The intention is increased control over humanity and asset theft as the final outcome. We are currently witnessing business losses and economic failure by design.

The asset theft techniques and methods i have already experienced along with others, these now need to be reviewed in context of the wider Government initiative that is driven by external forces within the EU, UN, World Health Organisation, World Economic Forum and UK agents of the Chinese Communist Party. New Nuremberg trials are in the planning stages in both Legal and Lawful environments.

This is genocide guided by Government, whistleblower confirmed. The whistleblowers concern is that the children and our future is next.

Look at the information given as evidence, senior NHS staff are controlled and controlling others through fear, this is Mockingbird, Tavistock and SAGE training methods to the extreme.

Act now and stop making excuses this needs criminal investigation. Start in Manchester we have the data and the subject matter experts at hand and can access extended numbers of subject matter experts.

For those having had the vaccine and had an adverse event the MHRA yellow card system is NOT being kept up to date for a specific reason it tells the truth, this is statistics fiddling in order to increase deaths and take up in the younger population.

I will be back in touch shortly with the follow up Crime Report that links to the intelligence gathering report. Thanks

Sherry,

Thanks for the response, as attached and in the evidence bundle. My concern is the speed of your answer and fact that NPCC have NOT addressed the issue of Senior Police Force members, Chief Constables and the findings of Stephen Knight all be it 40 Years ago.

The fact that you are asking me to pass it to another organisation for further comment or review is telling in itself. We no longer have months to go round the houses as lives are at stake as you should now be well aware.

Stephen Knight passed away shortly after his book release so never got to do a follow up on his piece of work. As in the Dr David Kelly and Iraq War Criminal Tony Blair incident, foul play is suspected.

Microwaving protestors and those who have exposed unlawful Government activity they wish to remain secret is a confirmed method of removing unwanted attention. Barrie Trower confirms this in the evidence bundle. See video 5G The Extinction Event.

See also Barries report on the Tetra units your Constables are carrying.

The current breach of the rule of law and England & Wales Chief Constables position in regard of their Oath of Office is a significant point and could be explained by membership of a secret society such as Freemasonry or more recently Common Purpose.

We have the results of Common Purpose activity analysis and financial cover ups within the Wetiko Matrix piece of work provided by action4justice. <https://bit.ly/3nHFHHE>

This is something we all need to know including yourselves if the UK Police force is to be respected again in any way shape or form moving forward.

The response provided is what we have come to expect from Finance and Medical regulators that are run by Banks, The City and Big Pharma/ MHRA operations. I suspect the same intervention here, hence your quick response.

We now know that Nuremberg 2 trials are scheduled in both Lawful and Legal realms and evidence collated here will be submitted.

We now have five further US Doctors agreeing that the Jab is NOT a vaccine but a bio weapon designed to Kill Human beings as many advised UK Government and Chief Constables through the processes we took prior to the Bio Weapon release in the UK during 2020.

World Doctors Alliance and other organisation's that came later provided the medical intelligence and supporting data:

<https://worlddoctorsalliance.com/> <https://worldfreedomalliance.org/> <https://www.we-the-people.co.uk/part-2-case-studies>

<https://www.saveusnow.org.uk/covid-19-vaccine-is-a-biological-chemical-weapon-not-a-vaccine/>

The synthetic substances within COVID 19 injections - Nano Lipids/ bots or Hydrogel from the latest bio weapon can be controlled by Wi-Fi, 5G and EMF's whilst in the body, these are highlighted by Dr Carrie Madej and is supported from evidence already provided by Mark Steele copied.

[There are also patents available for this control technology so we know the intention and planning undertaken.](#)

The Bio Weapons alter DNA and make you a controlled entity: <https://foreignaffairsintelligencecouncil.wordpress.com/2021/05/03/five-doctors-agree-that-covid-19-injections-are-bioweapons-and-discuss-what-to-do-about-it/> No longer human.

Extract:

Not only do these highly qualified doctors discuss why they think this is happening, they also give practical advice at the end about what we can be doing right now to protect ourselves and stop this attack on the human race by the **Globalists seeking to reduce the world's population.** Every single one of these doctors believe that these shots are NOT vaccines, but **bioweapons designed to kill human beings.**

The UK Health Passport initiative needs investigation as it is a lure to have many jabbed under a false criteria and Government derived misinformation which we now are seeing as a ticking time bomb.

2021 - 2022 Mis information media payment confirmation in evidence bundle from the Government website.

This will lead to sovereignty loss which is born out of unlawful and Treasonous activities on behalf of Government: <https://www.5gmediawatch.com/post/immunity-passports-5g-vaccines-total-control-of-you-digitially-sovereign-wealth-theft>

The World of Freemasonry also enters into the realms of the Health Passport in the UK as the CEO of V Code/ V Health Passport is also a Freemason. <https://www.5gmediawatch.com/post/secret-societies-free-masonry-v-code-v-health-police-burring-the-lines-the-secret-religion>

This technology roll out has to be stopped in order to prevent a surge in COVID 19 bio weapon injections and then a further resulting loss of life.

I'd recommend watching what the experts in immunisation have to say in the US and also the words spoken recently by Professor Cahill in Ireland. <https://www.bitchute.com/video/FISJY5NYaAkg/>

Do not think its up to someone else to deal with these issues as delay will lead to further loss of life. Thanks

Curtis GMP,

We have enough Prima Facie evidence or baseline data now to establish that there should be a criminal investigation number raised on the [bio weapon/ vaccine](#) and the impact of 5G microwave radiation on the recipients of said [bio weapon/ vaccine](#).

We are looking at Genocide or Democide currently of the UK population, Jab adverse events and those who are sick after the jab and NOT reporting their resulting condition are growing in number. I've spoken with two recently. These adverse events need investigation immediately.

This though we will leave with you and the assigned Greater Manchester Police investigator that will start to go through the baseline data presented: https://1drv.ms/u/s!ApCwWYml_p2DhvjVcBwSeuOb6WhDw?e=i4TD4j

Any specialist areas you need assistance with we will assign a subject matter expert.

Intelligence gathering number provided by GMP and hand over video: <https://www.5gmediawatch.com/post/whistleblowers-day-24-04-21-covid-criminals-app-launch> : INT/06A1/0004545/21

The World Freedom Alliance <https://worldfreedomalliance.org/> plus many other medical groups have now placed NOTICES OF LIABILITY with Governments and Government Health leaders worldwide with a response date of 15th May 2021.

We The People placed NOTICES OF OBLIGATION on every England and Wales Chief Constable during 2020: <https://www.we-the-people.co.uk/> they should have responded during the process but across the board we noted that they did NOT.

Given this fact and that they are now operating in breach of their Oath of Office it leads to the following question. Who are they controlled by or answerable to?

Question: Sherry Traquair . FOI NPCC - UK Chief Constables.

In the early 1980's a book The Brotherhood by Stephen Knight sent whisperings through UK Government, Police forces and Legal Establishments.

It highlighted that amongst many of the Government departments, Local and Central also UK Police forces, many Chief Inspectors and Chief Constables were Freemasons.

Some 60% of the 52 Constabularies were decision controlled or decision influenced outside of their Police reporting line, this was 40 Years ago.

More recently and as per [Part 2 of We The People case study 6](#), we highlighted Len Lawrence's story and the impact of bung taking by Judge Simon Oliver - An active Freemason saw Len made homeless and asset stripped. This situation is now on the road to remedy.

We now know that [Common Purpose](#) as a disruptive cover up operation has made an impression in UK Police Forces, but in 2021 how many of the current UK Chief Constables are Freemasons and have taken the Masonic Oath of Silence?

<https://www.5gmediawatch.com/post/secret-societies-free-masonry-v-code-y-health-police-blurring-the-lines-the-secret-religion>

Sherry, as Freedom of Information Officer NPCC this is information that should now definitely be in the public arena and brought up to date..

Specifically I'm now thinking of protection of children who we believe are the next main target by September 2021 after Government and the NHS have gone through the adult population with the [Bio Weapon](#).

Senior Police Constables will have families, they will need to comprehend the impact of their Oath of Silence should they be of the Masonic persuasion.

I will be bringing in the parallel evidence and linking it to the next email as my findings indicated 2006/7 - 2018 as we are now comprehending the [medical world/ MHRA/ Big Pharma](#) and politics connection a little better from this exercise, unfortunately at a great cost to humanity,

The only clear initiative that is being carried out is that of [asymmetrical warfare](#) on the British public and the result is the wrecking of the economy from which the HM Treasury will benefit as they balance the books under Silent Weapons Quiet Wars. 2.6.1953 to date.

Questions that identified this fact agreed on 16.10.2018 should have been put to John Glen MP, responsible for HMRC/ HM Treasury/ regulators after 30.11.18 but Mike Kane MP Sale East & Wythenshawe determined it was a conspiracy theory and failed to do his job.

Now we have the evidence to prove that it was NOT. Unfortunately this comes too late for many as they have lost lives, loved ones, businesses and jobs.

I will bring this linked criminal activity together in a single crime report to be reviewed in parallel. This will help identify more clearly the [COVid Criminals](#) and the part they have played.

Sherry please make sure we get some answers on the links with freemasons and Chief Constables, Curtis please make sure we have a senior responsible and accountable constable under oath reviewing the data provided. Thanks

Mark,

Thanks for the content that will enable us to work toward establishing the Genocide - Democide of the UK population as 5G Array mast output levels are increased causing Hypoxia - Hypoxemia through microwave radiation.

Curtis (GMP 69947), please find Marks data and supporting content accessible for review here: <https://1drv.ms/u/s!ApCwWYmLp2DhVllcBwSeuOb6WhDw?e=i4TD4j> this will be built upon as we progress.

As Greater Manchester Police - GMP are building intelligence to support the data we are filing under **INT/06A1/0004545/21** I have copied my own GP's practice who are aware of my knowledge and beliefs in this area and the reasons for me NOT taking

any vaccine as knowing the content or ingredients and gene changing/ DNA impact, also the impact of microwaves on the human body, this would either leave me extremely sick at best or at worse dead, if exposed to unsafe levels of microwave radiation.

Many 5G Masts in the Sale/ Manchester area are emitting between 15 (3000 mV/mtr) and 30 (6000 mV/mtr) times above the safe radiation level 24/7 currently. These high measurements have also been recorded in London - Trafalgar Square and many other UK cities.

Safety limits for human tissue state 200mV/ sq/ mtr for 6 Minutes in a 24 Hour period. Dr Sarah Starkey's whitepaper on Inaccurate assessment of radio frequency safety by AGNIR is attached.

<https://www.5gmediawatch.com/post/whistleblowers-day-24-04-21-covid-criminals-app-launch>

I hope to gain access to some NHS local data under FOI of those vaccinated locally should we NOT be successful in powering down the cell sites that will be emitting microwaves and causing harm to men, women and children.

Marks assessment along with those in the medical profession not swayed by share deals and financed through the Gates Foundation or on lucrative Government contracts can be accessed on the Prima Facie evidence but briefly the Nano Particulates - Metals, Tungsten and Aluminium will be the third wave cause and its expected 30% of A&E admissions will be those having had the single shot and those having taken the double shot 70% which stands currently at around 10 Million will make up the fatalities.

Government figures currently record 847 Dead 626087 serious adverse reactions <https://www.gov.uk/government/publications/coronavirus-covid-19-vaccine-adverse-reactions>

What we have established from data already held in one small area taking for example Abbotswood Nursing Home, Isle of Man (IoM) IM9 3DX. See Prima Facie Evidence. There are grounds for criminal investigation.

A very high proportion 20 out of 24 residents above 80% of CoronaVirus attributed deaths on the IoM were in a single nursing home. All residents had been given the seasonal flu vaccination.

The nursing home is less than a mile from the airport at Ramsey and therefore will be swept by both landing radar built into aero plane nose cones and ground radar emitted from the airport.

Following the works of Dr Stefan Lanka, Dr Thomas Cowan, Dr Judy Mikovits <https://drjudymikovits.com/> and many others. There is No Virus, No Applicable PCR Test and No Contagion.

Therefore you have to ask yourself if you cannot catch a virus - No Contagion, what killed the Abbotswood residents? I'm informed No Autopsies were carried out?

This has to be the baseline, the fundamental question when Greater Manchester Police start reviewing the evidence we start to collate. Thanks

Curtis please confirm i have your Christian name spelling correct?

Yesterday 20.04.21 I went to GMP HQ Northampton Road and provided the Crime Report Paperwork hoping to receive a Crime report number.

As I'm NOT currently a victim having taken a vaccine/ bio weapon it was agreed an Intelligence gathering exercise would commence against File ID INT/06A1/0004545/21.

<https://www.5gmediawatch.com/post/whistleblowers-day-24-04-21-covid-criminals-app-launch>

Once sufficient evidence was identified this would enable a crime report number to be generated. The discussion is linked in two parts as memory on the mobile was limited.

We will bring together the supporting evidence and have it recorded against File ID INT/06A1/0004545/21.

This will take both PDF document and video format as much of this has already been collated and available on the internet and via the App interface.

Initially just to get a level of background information id recommend looking at [Reiner Fuellmich's](#) video testimony and the [ex Nurse/ Energy Worker](#) who have made statements just as a knowledge foundation for yourself.

The global [5G Corona Virus Correlation data](#) is linked also [ookla 5G Map](#) has the Mast locations where we will witness the greatest loss of life as Microwave generated EMF's interact with vaccinated men and women.

The App has linked information but i will provide you with a One Drive link or similar that you can review supporting evidence from.

I've attached also the email trail to date from We The People - Project Elephant's start date in 2020 and this latest phase of evidence discovery. Thanks

NPCC, Fiona, Sherry,

Thanks for responding. Reference 0182/2021. Attached.

The Crime Report number will be given by GMP today when i go to the Police HQ at Central Park, Northampton Road.

FOI GMCA fao Andy Burnham copied, acting as Crime Commissioner GMCA.

This only needs to be a single crime report number.

All other reports to your NPCC FOI email can be tagged and identified nationally from your email audit trails and QR Code location tracking built into the app.

These mails need to be kept for a minimum of 6 years, as previously mentioned, Id recommend longer given the circumstances being genocide - democide related.

NPCC however as per your response do the following: <https://www.npcc.police.uk/NationalPolicing/NationalPoliceFreedomofInformationandDataProtection.aspx>

Specifically:

Manage intelligence in relation to the misuse of the legislation

Ensure National Policing leads are able to contribute to information disclosure

Key Deliverables

- Represent UK Police forces at the National Security Liaison Group (NSLG).
- Exchange intelligence with stakeholders and other partner agencies

This is especially advantageous when we are addressing acts of terror operated from within Local and Central Government on the People of the United Kingdom.

This 5G/ BioWeapon - Vaccine, then pending criminal activity along with TREASON was reported across all England and Wales Police Forces 2020 without a single response last year from your Chief Constables. <https://www.we-the-people.co.uk/>

Now we are witnessing the initial results of The UK Police forces failing to act accordingly. You could have saved lives if you had acted as informed or instructed. There are still opportunities to do this in Non Vaccinated Age Groups.

Evidence 1-5 is built into the App. <https://qr.cr/m/cc101/> <https://www.5gmediawatch.com/post/my-government-wouldn-t-do-that-would-they-yes>

You have a problem with Policing Nationally, its in house, Chief Constable and above also in Westminster. ex MP Amber Rudd Case Study 4 [We The People](#) evidence confirms the data we already hold: <https://www.we-the-people.co.uk/part-2-case-studies>

The crime filters that UK Police Force's have put in place under instruction through Banks/ Corporates, Central and Local Government have allowed Genocide/ Democide to take place and you have protected the instigators.

This is Criminal Activity which should definitely be on your radar and those responsible and accountable for NOT taking the appropriate action will be held to account.

Please check the state or public order offences to make sure you are NOT in breach.

This is a snap shot. I'm looking at National Security 6, Acts of Terrorism 4 5/7, 2 1/5 Commit act prejudicial to safety or interest of the state.

I'm sure there are others given the range of activities that have been allowed to take place supported by Chief Constables Nationally.

2. IF IT FALLS WITHIN HOME OFFICE CLASSIFICATIONS – IT'S A CRIME

The Home Office also determines the seriousness and categories of all offences, not the police.

From 'Genocide against humanity' to 'Disclosure of Telegrams' the Home Office have over 1400 classifications of offences that are considered crimes.

If you have an allegation that falls within this list of offences, then the Home Office considers it a crime, ergo the police MUST respond.

The prosecution of Hancock, Whitty, Vallance and Ferguson is progressing, those involved in the wider aligned criminal activity be it Councils alignment with fraudulent activity, MP's for NOT taking action and covering up the bigger agenda, Banks for the Funding of Criminal Activity, all need identifying.

Corporates profiting from the scam or wider fraud such as Health Passports providers, these need outing and steps made to promptly mitigate further tragedies for UK families. Justice will be done. Thanks

Please Provide a Crime Report Number.

A full statement and further evidence will be provided on request.

This line of action has been necessary as UK Police Forces have NOT been recording the Genocide or Democide activities of UK Government and those NHS staff that have been allowed to continue under the Coronavirus Act 2020 to administer Bio Weapons promoted as vaccines on the UK population has NOT been halted. This needs to happen immediately.

The Coronavirus Act 2020 in the fullness of time will help identify all "COVID Criminals" that have been bought, compromised, manipulated or profited enabling further deaths to be achieved and ultimately financial gain accomplished by HM Treasury. This is planned premeditated Murder or Democide. HM Treasury and HMRC deem it balancing the books.

In brief the Bio Weapon if not rejected by the man, woman or child within a short timescale identified as an Adverse Reaction is ready to be triggered by 5G Electro Magnetic Waves as the emission levels are increased.

The 5G Electro Magnetic Waves will cause Hypoxia or Hypoxemia and the victim will die by design of those involved in the wider construct aimed at the depopulation agenda known as Agenda 21/ 2030 or The Great Reset. This in plain language is premeditated murder.

Evidence is linked to the COVID Criminals App and has already been presented to Chief Constables across England and Wales during 2020: <https://www.we-the-people.co.uk/>

This activity delivered through Government and Corporations financially backed and initiated by Banks has been an act of warfare known as asymmetrical and the methods and process are further explained within:

<https://www.5mediawatch.com/post/the-invite-process-my-journey-serving-of-documents>

Please provide a crime report number by return email. Thanks.

GMP - Curtis? 67064

Please provide a Crime Report Number for the attached Crime Report. I can expand on the Criminality and ties into MP's, HM Treasury and Government as I have extensive data which I have already shared with many of those copied. Much supporting data is also in the public domain.

Among those copied are subject matter experts that will also bear further testimony that we are in an asymmetrical warfare situation and the Government are acting as terrorists against the UK public.

The administration of Bio Weapons marketed as vaccines can be confirmed from multiple sources but Professor Francis Boyle's video testimony is quite clear that there is an intent to harm or commit acts of genocide - democide against those receiving the Bio Weapon.

<https://www.saveusnow.org.uk/covid-19-vaccine-is-a-biological-chemical-weapon-not-a-vaccine/>

Those vaccinated/ attacked/ assaulted by the Bio Weapon have been misinformed by Government and mainstream media channels supporting the false narrative. The sooner you start to investigate and act the more lives will be saved.

Powering down 5G Kill Grid arrays and cell sites is an effective mitigation strategy in the short term.

Please provide a crime report number by return email. Thanks

Curtis, GMP Police - Manchester

I'm launching the COVID Criminals App shortly. Please read the following information.

<https://qr.cr/m/cc101/>

<https://qr.cr/gr/V2T1/>

This assists honest Police Men and Women or Constables under oath with a conscience and the British Public in identifying initially the MP's that are "COVID Criminals" and those in Public Office guilty of Malfeasance, Misfeasance or Nonfeasance.

COVID Criminals App use will extend into Professionals, Businesses, Doctors, Police, all who are complicit in the genocide and New World Order/ World Economic Forum/ UN/ EU, UNIDROIT Agenda 21/2030 control methods, that we are now witnessing in breach of human rights.

You have been given the evidence at many levels from many sources and case studies by [We-The-People](#) during 2020. "Ignorance is NO excuse in Law"

This data will assist with the New Nuremberg Trials that will follow around the world under Common Law. Dates to be announced later in 2021.

Within the Admiralty/ Statutes legal world [Reiner Fuellmich's work is available to see and linked](#) - this is NOT a Conspiracy Theory but now a harsh reality that we are all witnessing.

A Nazi style, T4 modern day eugenics environment created and funded at Banking and Corporate level promoted by Government. All major parties, both Central and Local Governments are involved.

Our UK Police forces unfortunately have followed the Treasonous Government narrative and not followed their oath through misinformation and corrupt line management.

The documentation delivered and process completed during 2020 confirmed the level of corruption at the Chief Constable level and above.

The App will allow those who wish to record crimes with NPCC FOI for attention of Martin Hewitt, as your existing system of Police crime reporting is a complete failure as indicated to Sherry Traquair Freedom of Information Officer. NPCC.

The existing national crime reporting system is broken and its operators been proven immoral.

Your emails will have to be kept for a minimum of 6 years but given the severe nature of the offences including Genocide and Democide I suggest longer.

NPCC were selected as they are the body who represent Chief Constables and supposed to bring efficiencies to Policing in the UK, also address centrally acts of terrorism.

This is confirmed terrorist activity by Corporates, Banking and Government against the people.

<https://www.app.college.police.uk/app-content/information-management/management-of-police-information/retention-review-and-disposal-of-police-information/#/crime-or-offence-related>

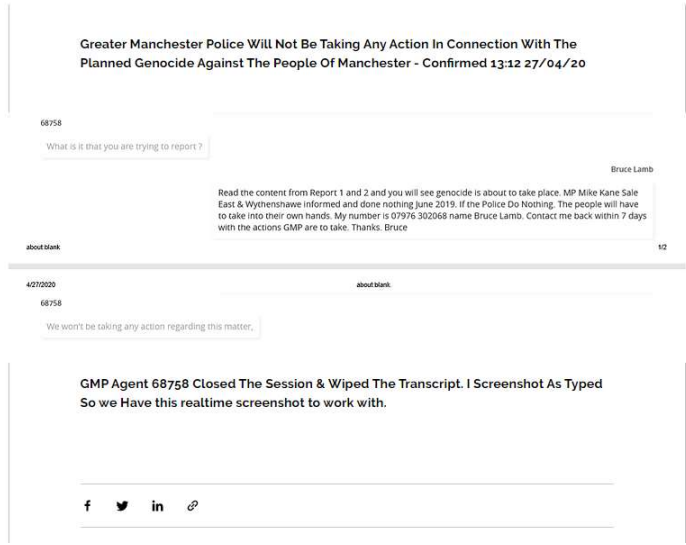

Retain for an initial six-year clear period, followed by subsequent five-year clear period reviews.

Either review and risk assess after a six-year clear period or carry out time-based disposal depending on force policy.

Please read your business rule base.

From personal experience attempting to report 5G/ Vaccination/ Bio Weapon Genocide to GMP online and having the chat sessions closed down was an interesting lesson in how the system really operates, identifying fraud, Police and MP cover ups (Cyclops 1146/12) i am well versed in what has taken place as are APPG Banking.

- <https://www.5gmediawatch.com/post/the-police-report-2-follow-up>

I have the experience of knowing when criminal activity is being covered up both personally and in a professional capacity when previously undertaking projects in the Corporate World on behalf of the Banking sector?

Data as per the screenshot above would NOT have been available for a Freedom of Information search so we have to mitigate the identified failings of the Police in covering up these crimes against the people of the UK.

Please make sure that all emails forwarded to NPCC FOI are kept as evidence and place against these a single Crime Report number that i will obtain from GMP via your email. 67064@gmp.police.uk I will start the process.

My paperwork was handed into GMP 20.3.2021 im waiting for Crime Report numbers now. I will follow this up: <https://www.5gmediawatch.com/post/world-freedom-day-20-03-2021> (Video evidence within the post) or repeat the exercise if necessary.

COVID Criminals wont describe the full scope of what criminal activity is taking place but it is the most appropriate mechanism for making sure that the audit trail of emails is maintained as evidence as we progress toward both legal and lawful solutions.

The CoronaVirus/ COVID 19 experience has identified and outed the guilty parties across many criminal activities.

In time this will possibly be seen as the most appropriate mechanism to out the guilty parties once their level of involvement is fully understood and all the evidence is collated for criminal charges.

The so called Pandemic has allowed COVID Criminals to have fallen on their own sword. Thanks

Dear Sherry,

We are all in distress and some for many years as the existing Police Crime reporting system is NOT working by design.

I've experienced this personally in the finance sector therefore had a head start on identifying the Criminals. Hence Cyclops 1146/12 identified the cover up mechanism within Police, SFO, ECU and financial regulators/ HMRC/ HM Treasury, John Glen copied.

Unfortunately we are presented with a set of events unique in our history that it is the Police Forces job to investigate and rectify but due to senior Police being manipulated and totally controlled the country is now in a state of economic, health and welfare/ medical meltdown.

This is now genocide, happening NOW!!

You have been informed, we need you and other law abiding Police Constables to act following your Oaths of Office.

This is terrorism and it is being covered up by your existing Police reporting networks, under orders from on high within your structure. Mark Sexton ex Constable confirmed.

I will call you today and yes, take this to a superior in your force possibly Martin Hewitt or Priti Patel, i will talk direct but we are putting in a reporting solution. NOT being fobbed off.

We will bring witnesses should a meeting follow, we need crime reports and we've done the investigations, have the evidence so the job is easier for you.

I feel internally you will be given an excuse as we have witnessed that in the world of UK Policing it is totally broken and needs remedy from external parties NOT from within.

Your Chief Constables have failed totally in doing their jobs as indicated by ex force members.

Now is NOT the time for any of us to state its NOT my responsibility or develop sloping shoulders as this wont wash, lives are at stake all ages and walks of life including Police Constables.

NPCC is the Governing body for Chief Constables.

With NPCC being the governing body and you responding whereas other Chief Constables (Your members) failed to respond including Ian Hopkins to the lawful process during 2020 we need to act swiftly to prevent total carnage and further loss of life.

Some Constables agreed with what we were doing but couldn't publicly align themselves as their jobs were at risk.

<https://www.we-the-people.co.uk/download-pdf-version-master>

We have a problem to solve, many of the criminals we have identified and its within your NPCC operations remit to deal with terrorist activity that is having a National Impact. This is such activity.

This is your footer - Your Title. You cant do your job correctly as your NOT getting ALL the raw data. Read on.

Were going to start sending these crimes to you as you will then be able to identify immediately where the problem is within your organisation. Its at Chief Constable and above where the cover up is taking place.

As Freedom of Information Officer and Decision Maker you will have the data direct so therefore can act and bring a speedy end to the problems experienced by all in the UK.

Examples provided in the 42 page document passed to ALL Chief Constables England and Wales and the process followed on the site [We The People](http://www.thewepeople.com) from last year.

Here is just one example of your existing system NOT working: <https://www.5gmediawatch.com/post/the-police-report-2-follow-up>

If you read the Police transcript above. I'm reporting 5G/ future Vaccine genocide which we are now witnessing and GMP are closing the session, therefore i cant report a crime. NO CRIME NUMBER GIVEN?

This has also been reported to Mike Kane MP who had already covered up the greater Financial Fraud in NOT asking questions of John Glen in The House of Commons dates: 16.10.2018 - 30.11.18. His letter response is in the same post.

He recently voted for further COVID powers something that he wasn't alone in supporting the [Asymmetrical War Criminal Matt Hancock](https://votes.parliament.uk/Votes/Commons/Division/988#yes). <https://votes.parliament.uk/Votes/Commons/Division/988#yes> This is a financial and genocide attack on the UK population.

This is a so called Virus (Bio Weapon - COVID 19 xx) that no one can isolate, 46 Countries have tried?

Please read No Virus - No Test - No Contagion if not fully aware of what is taking place. Linked below.

Dear All, Sherry,

Received previous mail from Mark - Save Us Now - I wasn't copied or did not see the response, now i will respond. Mark, thanks for the heads up.

Sherry I will call you tomorrow 14.04.2020 as we need the Police to do the job they are paid to carry out. Under Oath.

As it stands we are looking at misconduct in public office and similar crimes being committed by UK Police Forces nationwide, Chief Constable and above and Police Constables breaking the law following false instruction sets from their chain of command.

To date the Police have not performed and we have proof to this end from the work undertaken by many 2019 - 2020 and prior as case studies reflect in part 2 We The People.

<https://www.we-the-people.co.uk/>

<https://www.we-the-people.co.uk/part-2-case-studies>

<https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>

Your own Police Constables (Under Oath) are now recognising that top down you have a problem that has to be addressed.

As [Nurses, Doctors and other professionals](#) following the Government narrative there will be a price to pay for those who ignore the cries for help from those suffering and who continue to break the laws of these lands in delivery of the [Bio Weapon marketed as a vaccine](#).

The lawful addressing of the issues presented has been loosely referred to as Nuremburg 2.0 these are being planned now, lists are being drawn up and crimes will be punished. We are all witnesses and there is much footage and testimonies to go from.

Mark Sexton - Ex Police Constable talks - Listen to what he says: https://video.wixstatic.com/video/2c6f37_a546df8cb9f4a738702dbbcaa1cb025/480p/mp4/file.mp4

Ignorance is NO excuse in law and genocide is at play here, make no mistake on this point.

Mark Steeles response below spells it out very clearly what is taking place. We have made ourselves available to start sorting this mess out but been ignored so far.

If the Police at NPCC level choose to ignore what is happening The People have to look at alternative lawful remedies. This was made perfectly clear in 2020.

How the Police want to handle the volume of calls and email crime reports direct to NPCC you will need to sort out internally as a National Process or Strategy.

This helps you identify the source or root cause. We know the source and root cause but it would appear local forces cant or wont deal with the real issues. Again, this helps you.

We are taking this line of action after zero response to crime reports and criminal activity that is being covered up within your Constabularies nationally, by design.

The terrorist activities of Government are being exacerbated by corrupt or easily manipulated Senior Police Force members, this will be sorted out.

Again listen to Mark Sextons plea, it is only a matter of time before it breaks into something that none of us want but those who control Government would be pleased to witness, that being the total breakdown of UK society and absolute chaos, worse than the current fabricated situation.

We can stop this if dealt with immediately. Again, listen to Mark Sexton: https://video.wixstatic.com/video/2c6f37_a546df8cb9f4a738702dbbcaa1cb025/480p/mp4/file.mp4

I look forward to talking and for this country to start making headway in draining our swamp.

This has been a necessary step to out the criminals, which is what we all require. I'm texting you my number.

At some point this situation will visibly start to turn in the UK. Lets make it today or tomorrow. Thanks

Subject: Re: NOTICE OF CRIME AGAINST HUMANITY - BARRY TROWER TETRA REPORT

Dear all

To make everyone clear on what is happening and for the avoidance of doubt, Misconduct in public office carries a life sentence. The prima facie evidence shows that what is occurring is an asymmetrical war orchestrated out of China. Promoted by Bill Gates and the WEF Great reset agenda using a bio chemical weapon development (Vaccine) to cause the premeditated murder of 55 million in the United Kingdom as the intelligence documents confirm by 2025. The Virus is just a cover for the biological damage from the weapons Tungsten Nano particulate contamination that is activated in the magnetic fields of the Chinese 5G. See attached. Tungsten Nano particles are toxic to biology.

Covering up Genocide and the support for domestic and foreign terrorists who are responsible for this known Chinese terrorist attack on this country are all indictable crimes under current legislation. It is crucial for the gathering of evidence against the actors who are supporting this crime so that they can be brought to justice in due course. The willful breach of duty for inaction and Non investigations of this genocide agenda have already been evidenced after a IOPC appeal was upheld against the Police for the none investigation.

The best way forward is to uphold the law without fear of favour and bring the criminals behind this evil to justice.

Mark

The Police we have now confirmed are supporting a TREASONOUS Government. <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>

From the NPCC website, What We Do And Why: <https://www.npcc.police.uk/About/AboutNPCC.aspx>

[We The People](#) are now helping you coordinate National Operations as the UK Government is a confirmed terrorist operation - this we have provided case study evidence for: <https://www.we-the-people.co.uk/part-2-case-studies> You have senior staff members unfortunately that are corrupt and have broken the law.

Failing to act identifies you are also supporting terrorist activities against the men women and children of the UK <https://www.legislation.gov.uk/ukpga/2000/11/section/15>

From your NPCC key functions: Some of the biggest threats to public safety are national and international.

Public confidence and support is essential. We're always striving to improve the way we work and learn from when things go wrong to build people's confidence in us.

It's more important than ever that our service is efficient and effective providing best value for money.

"The command of counter terrorism operations and delivery of counter terrorist policing through the national network as set out in the Counter Terrorism Collaboration Agreement"

The app emails will still be sent to the NPCC central location as you know where the problem is and you are in denial of resolving this in an [effective manner and quickly](#).

Your delay in acting will cost further lives.

Email on the App: <https://qr.cr/m/cc101/> QR Code: <https://qr.cr/qr/V2T1/>

Curtis please contact Sherry Traquair or Fiona and decide who is going to provide the Crime Report number for this and future reports the public will send from National locations.

I am still waiting for my Crime Report Number submitted 20th March 2021. I have the criminals at each stage of the re-investigation i carried out of Cyclops 1146/12 and Government officials and MPs involved in the cover up. Its the same guys that are COVID Criminals so we have a significant amount of evidence already to cover and the overlaps are many.

The evidence in the main will be 5G, BioWeapon/ Vaccine and Finance related which all fall under the crimes against humanity as the plan is a mix of fraud, financial theft and genocide to take down the UK economy and kill the population using Bio-Weapons and Radiation (5G), then cash in on the Sovereign Wealth Bonds (HM Treasury - John Glens department).

NPCC can sort out the National process as its a National problem and the problem starts in Government from a Public office criminal offence perspective.

Your first point of call to speed things up will be the MPs who recently identified themselves as COVID Criminals: <https://votes.parliament.uk/Votes/Commons/Division/988#ayes>

This was a big mistake on their behalf, but this is what you find when looking for criminals they fall into traps of their own making:

<https://www.5gmediawatch.com/post/no-virus-no-test-no-contagion-a-revisit-a-question>

Remember: The NPCC brings police forces in the UK together to help policing coordinate operations, reform, improve and provide value for money.

This is what they, you, are paid to do.. Its on your website.

This is now your job, do not try and evade the task of arresting the criminals. We now have the evidence and did your investigative jobs for you.

I've sent John my bill as it has come at a cost. Thanks

Crime Report.

FAO: Sherry Traquair, FOI NPCC.

Action4Justice copied.

Sherry this is my COVID Criminal crime report and id like a Crime Number for it please. This i feel will be the first of many for you.

I've attached the mail from the 7th April for reference although its in the email trail. I will be contacting the NPCC office later today for my crime report number.

It would help though if you could provide by return email, it speeds up the process. Thanks.

Some further evidence is linked below and confirmation of the fraud at both a financial and medical levels which somewhat highlights the genocide/ democide intent.

This is a fraction of the supporting evidence as we are all aware.

Content is also [linked here as evidence](#) but will be identified for simplicity and doing your duty as a Public Servant/ Service under oath, thus making UK Policing more efficient.

GMP Northampton Road copied 67064@gmp.police.uk - Curtis. Please can you get my crime report number for 20th March 2021. Thanks.

FOI Greater Manchester Combined Authorities copied. Please make sure Andy Burnham is aware as he is ultimately responsible for crime levels in Greater Manchester, December 18th 2020 identified this fact and the reason Ian Hopkins was "early retired" is that crimes were being reported and nothing done, that was the official narrative.

My MP, copied here Mike Kane - Sale East & Wythenshawe knows the full Government handlers plan but chose to keep quiet and allow thousands and what will eventually be millions to be genocided. He isn't alone. I have the supporting evidence, so does he.

Fortunately Mike and 483 other MP's kindly voted and identified themselves to continue the fraud and genocide and provided their details for ease of Police in criminal processing.

This link can also be found on the [COVID Criminals app](#) under the blue pictures symbol, line 2 second in.

Its linked to the Government website: <https://votes.parliament.uk/Votes/Commons/Division/988#ayes> so it must be correct? This is evidence, don't let it be removed.

The app makes it easier for the Public and Police to recognise a COVID Criminal and Police to do their jobs more effectively alongside this knowledge now passed to you.

COVID Criminals wont be limited to Politicians but also those in public office failing to do their duty be they Police, Councils or Corporates committing fraud and genocide against the UK public.

Unfortunately they have been leveraged into this line of work by The City Bankers and their UN/ EU Leaders.

Mike Kane & APPG Banking were fully informed of the coming financial collapse by 16.10.2018, now known as the World Economic Forums Great Reset by his/ their handlers.

Mike was further placed on NOTICE of 5G/ Vaccine/ Bio Weapons impact and the death toll that would follow. He's voted to continue the controlled Rothschild Banker Government mandate and Bio Weapon rollout. He refused to ask questions of John Glen Treasury Minister in The House of Commons 30.11.18. Mandated by Heather Buchanan 16.10.18 Portcullis House Westminster. Its televised.

The Government were aware in advance of initial side effects as the Bio Weapons are designed to harm.

Hence tendering for AI software in advance to handle a high level of adverse reactions.

You are running a fraudulent criminal operation and killing the UK population to cash in on the sovereign wealth bonds. This is NOT the way to honestly make money as you will be no doubt aware.

Sherry please make a note to self : vaccine/bio weapon/ SG = Government payday to HM Treasury ££ Rothschild - City of London.

A Quote from the NPCC website. "The NPCC brings police forces in the UK together to help policing coordinate operations, reform, improve and provide value for money".

Lets hope you do, now that you have the proof required to act and sort out the mess before more people are harmed or murdered. We've now created a tool to make things simpler.

The Bath veterans incident referenced later will need explaining to a wider audience in time i feel. Use the intelligence we have brought together to do as your strap line states, your current strategies are costing peoples lives.

Note: You can be publicly named, shamed and prosecuted by the subject of your manipulations, this goes for all the UK public which did stand at around 66 Million 2020.

To date April 7th 2021 this will be considerably less and possibly millions less in 4 -14 Months time when the Government sponsored NHS deployed Bio Weapon takes full effect.

This is Government sponsored Banking/ Corporate financed criminal activity, Police protected genocide/ democide, please deal accordingly, you have all the evidence.

67064 (Curtis) please provide an update on my crime report delivered 20/3/21 as I haven't received a crime report number and we are now on 7th April 2021.

This can be done by return email to this email address.

Please make sure a Constable under oath is made available to get the full details and re open the fraud investigation Cyclops 1146/12, we now have the bigger picture and all the parts of the construct to hand, this now includes murder through medical intervention under Government directive.

<https://www.5gmediawatch.com/post/world-freedom-day-20-03-2021>

I will come into GMP Northampton Road to give my witness testimony/ statement, we now know the key players, the job is done for you at a cost.

John will take care of the bill being admin/ trustee on the Cestui Que Vie Trust. See mailed docs.

The full details of the financial crime I reported, reference Cyclops 1146/12 are with GMP. Kevin Hollinrake MP and APPG Banking's Heather Buchanan, meeting witnessed by Mike Kane MP and James Ventress 16.10.2018 Portcullis House, Westminster, this was documented from 2007.

This is key sample evidence on how the UK economy was being taken down gradually from within, using mortgage backed securities on off plan properties that were overvalued by design against a delivered end product.

This went unchecked and overlooked by design, by regulators and the plan was initiated by the Rothschilds Banking Cabal and HMRC/ HM Treasury, Civil Servants into the BoE hub and spoke banking network.

John Glen and his department are complicit, this was covered up by APPG Banking 2018, by Police from 2007 and eventually Mike Kane MP Sale East & Wythenshawe helped confirm the Westminster cover up of the white collar crime syndicate.

Mike Kane didn't ask questions of John Glen in the House of Commons as requested by Heather Buchanan APPG Banking Exec Director meetings 16.10.2018 & 30.11.2018 as its televised.

He'd have blown his cover and ruined the finale' COVID 1984 event, we are all experiencing now. This is detailed in [Silent Weapons Quiet Wars](#) among other publications.

John Glen's team are implicated in the cover up at an FSA/ FCA regulatory capacity throughout the process. HM Treasury and HMRC are dual collaborators of the crimes in the UK via manipulated Government parties lead by the Rothschild Cabal.

This was confirmed by ex MP Amber Rudd's communication 15.11.2019 to Katy Bourne OBE - Sussex Police and Crime Commissioner [We The People Part 2 Case Study 4](#)

This email is also confirms as part of the plot, energy weapons deployed in 5G mast Arrays and LED Street Lighting infrastructures that needs to be addressed as a crime report <https://bit.ly/3rlbsVfR> <https://www.we-the-people.co.uk/part-2-case-studies>

Marks slide deck attached from Oldham event 2019. All England and Wales Chief Constables previously informed.

Please review further expert witness testimony confirming what Mark Steele has been telling us from day 1 - This is a radiation attack, it affects Police too but possibly quicker as per the Barrie Trower 2009 report handed into GMP 1.3.2021. Reference Tetra Airwave units on body kit.

https://video.wixstatic.com/video/2c6f37_8ec47c64f52849db13ab9e64c58eb29/144p/mp4/file.mp4

Previous communications to GMCA and Trafford Borough Council via FOI GMCA requests were given the run around and eventually pointed the finger at GMCA involved in 5G and LED deployment through EU/ UN directives.

This will be dealt with separately in the great reveal as the COVID Criminals UK are hauled in for justice either by Police under oath or those who see it their public duty to do what the Police have failed to carry out which is a gross neglect of their public duty.

Sherry - Call me, lets get this investigation moving in the right direction to save lives. 07976 302068. This includes your own, colleagues, friends families lives also.

This communication is also to make you fully aware of the next stages in alerting the wider public and in turn the Police will be experiencing a greater degree of crime reports placed centrally, directly to the NPCC Police Chief Constables Freedom of Information officer.

This centralised COVID Criminals strategy is to aid or assist your targets by "**helping policing - coordinate operations, reform, improve and provide value for money**" **As per your strap line on the web site.**

The latest criminal activity and some complicit parties are listed here on the Govt web site: <https://votes.parliament.uk/Votes/Commons/Division/988#ayes>

They identified themselves by voting "Aye" to continue the UK Govt/ WHO/ Gates/ Gavi / Rothschild/ Rockefeller eugenics plan and therefore further suffering and deaths of the misinformed, will continue.

Remember 46 Countries cant isolate or purify SARS CoV 2 <https://www.5gmediawatch.com/post/no-virus-no-test-no-contagion-a-revisit-a-question> but these guys voted for more of the same and some for new police powers to be ushered in?

This creates an even greater problem for Police by design. The MP's are bought, manipulated or controlled and misleading the Police by sending them on a wild goose chase or perverting the course of justice in legal/ lawful terms. This carries a life sentence for those involved under common law.

Sherry you were made the new primary contact for Chief Constables by [We The People](#) after Ian Hopkins (GMP) was retired early 18.12.2020. Are you and the current existing Chief Constables to allow this to happen?

Ian Hopkins was failing or reported as failing in handling criminal activity effectively in Greater Manchester.

Andy Burnham made this decision as dual GMCA leader and GMP Crime Commissioner rolled into one, foxes and hen houses come to mind. The book stops with him, I feel the local GMCA problem starts with him and the leveraged Greater Manchester MP's.

We can now all witness and confirm this activity is across the UK due to control by external forces (UN/ EU) and misinformation and manipulation from Whitehall/ Westminster or specifically Deutsche Verteidigungs Dienst. **For those who the war never ends.**

I have also attached a soft copy of my invoice to date for doing the job that GMP/ GMCA - (Andy Burnham) MP - Mike Kane, HMRC/ HM Treasury - John Glen failed to do, as they are compromised or bought by the UN/ EU/ WHO - Rothschild Banking Cartel.

Mike Kane this includes you as a co conspirator and an MP/ Public servant. The Conspiracy is now no longer a theory but you are now a confirmed conspirator and collaborator at the centre of the Great Deception or World Economic Forum's - Great Reset. You are a COVID Criminal.

Included in the invoice are costs for harming the man bruce-robert: lamb which others will be able to invoice the Government co conspirators for once they awake to the fact of what is really going on here I'm sure they will require compensating.

Many will want to do this as the funds are there as we know in the Bonds/ Sovereign Wealth Funds.. John this is your department.

There will be a monthly bill also until this Government contrived exercise is terminated and technologies corrected.

This will go to John Glen, the daily and recorded event rates were handed into GMP 1.3.2021 and HMRC will have a hard copy within the post sent today..

Please read confirmation of CoronaVirus/ COVID 1984 being a UN/ WHO Trigger event:

https://apps.who.int/gpmb/assets/annual_report/GPMB_Annual_Report_Exec_Summary_Foreword_and_About_English.pdf full doc attached.

The United Nations must strengthen coordination mechanisms.

The Secretary General of the United Nations, with WHO and United Nations Office for the Coordination of Humanitarian Affairs (OCHA), must strengthen coordination in different country, health and humanitarian emergency contexts, by ensuring clear United Nations systemwide roles and responsibilities; rapidly resetting preparedness and response strategies during health emergencies; and, enhancing United Nations system leadership for preparedness, including through routine simulation exercises. WHO should introduce an approach to mobilize the wider national, regional and international community at earlier stages of an outbreak, prior to a declaration of an IHR (2005) Public Health Emergency of International Concern.

Progress indicator(s) by September 2020

- The Secretary-General of the United Nations, with the Director-General of WHO and Under-Secretary-General for Humanitarian Affairs strengthens coordination and identifies clear roles and responsibilities and timely triggers for a coordinated United Nations systemwide response for health emergencies in different countries and different health and humanitarian emergency contexts.
- The United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen.
- WHO develops intermediate triggers to mobilize national, international and multilateral action early in outbreaks, to complement existing mechanisms for later and more advanced stages of an outbreak under the IHR (2005).
- The Secretary General of the United Nations convenes a high-level dialogue with health, security and foreign affairs officials to determine how the world can address the threat of a lethal respiratory pathogen pandemic, as well as for managing preparedness for disease outbreaks in complex, insecure contexts.

On Topic - Related Event - Bath PTSD Farm Incident: <https://youtu.be/Bc9yEoXUCI>

It came to light last week that a farm that was used to assist forces veterans suffering with PTSD was raided by Police OFFICERS - Constables and possibly military, the use of plastic tie wraps as opposed to hand cuffs and Police NOT giving their collar numbers we find suspicious.

Details coming in daily from those who previously delivered [We The People document sets](#) to Avon & Somerset Police.

I've asked them to copy Sherry as a number of forces are involved. Police damage will need to be paid for, keys were provided for locked units but excessive force/ crowbars and small explosives were the preferred tools of choice for access?

We need to comprehend why we are told 10 armed officers initially woke at 5am the owner/ operators of the farm, Jo and Dion.

I'm reliably informed from site up to 200 officers from a number of southern constabularies were involved eventually in an investigation which we believe to date has found nothing but is ongoing?

We are told the original warrant was an anonymous warrant with initials only?

Talking with ex Police Detective Constables there is no such thing as an anonymous warrant and it was only initialed not signed by the judge who now appears difficult to trace?

Sherry, please explain an anonymous warrant and what circumstances an anonymous warrant is used and shed further light on this event.

It appears Priti Patel and her Home Office department could be going rogue on the UK public?

Details as we receive further information will be posted here for reference: <https://www.5gmediawatch.com/post/uk-veterans-ptsd-respite-centre-raided-by-avon-somerset-police-why>.

I only reference the event in Bath for context, as such a high Police turnout to find nothing to date and causing damage to property, harm to livestock and the disruption of a beneficial service to ex forces members looking to heal, when you consider that UK Councils, financially leveraged by Banks and Common Purpose with assistance from senior ranking Police Chief Constables have enabled the cover up of Defence Energy Weapon deployment across the UK?

This is now targeting millions of UK men, women and children in what is designed and planned to be the largest mass murder on record has gone without any serious level of Police investigation. 5G Locations: <https://www.speedtest.net/ookla-5g-map>

This is even though we have offered to support to these investigation services since 2019 and Mark Steele before this date. This starts to ring alarm bells as to what are we paying the Police and intelligence services for exactly, who are you actually protecting from what?

Sherry you are about to get very busy in handling crime reports that could have been addressed when first reported by professionals that have submitted evidence to every England and Wales Chief Constable October - December 2020 and in Gateshead by Mark previously.

There is NO Pandemic as is well documented in many areas and the NHS now admit this under a FOI request so why continue to follow the guidelines of a proven [TREASONOUS Government?](#)

Unless you are totally complicit in the genocide plan as a manipulated operation part of the Government confirmed psychological - asymmetrical warfare operation, you are in breach of your oath of office and supporting TREASON.

I have submitted evidence previously and proven wider fraud from 2006/7 to date that is linked that was given reference Cyclops 1146/12. This proved eventually to be a cover up of fraud by GMP, GMCA, who are responsible for GMP activities. Also FSA/ FCA/ ECU/ SFO, HMRC and HM Treasury were involved in the cover up.

Further evidence was submitted Nationally via We The People 2020: <https://www.we-the-people.co.uk/> Specifically Case Study 4 Part 2. <https://www.we-the-people.co.uk/part-2-case-studies>

Mike Kane MP was responsible as my MP for the further cover up witnessed after the meet in Portcullis House 16.10.2018 by Heather Buchanan, James Ventress at a meeting requested by Kevin Hollinrake MP, APPG Banking.

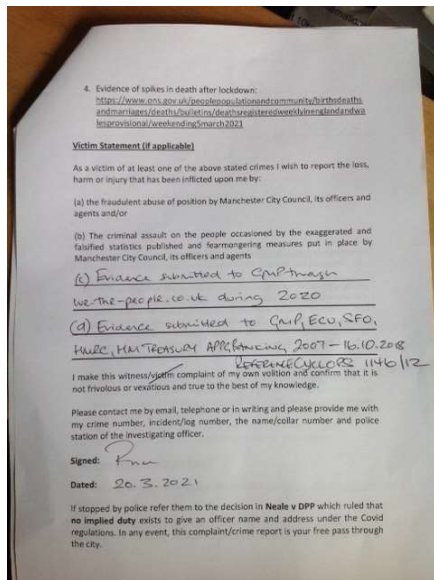

Failure of Mike Kane MP at the resulting meet on 30.11.2018 in his Office in Wythenshawe to carry out the designated task of questioning John Glen (Treasury Minister) has lead to the hoax pandemic proliferation to be successful in further wrecking the UK economy and then allowing the manipulated Government under EU/ UN/ control to develop and release a Bio Weapon on the British Public. <https://www.saveusnow.org.uk/covid-19-vaccine-is-a-biological-chemical-weapon-not-a-vaccine/>

Owen Weatherill ACC NPCC stated at the recent Human Rights committee meeting broadcast Wednesday 24th Feb on Parliament. tv their job was to mitigate deaths to the least number possible.

Unfortunately you have been misled by a TREASONOUS Government <https://www.we-the-people.co.uk/>

The We-The-People outcome confirmed this and you no longer have the correct information to work with by design of leveraged individuals in Central and Local Government.

The 5G and Bio Weapon Vaccine combination also LED Street lighting affects you all, so research in your private capacity would be recommended for personal safety: Case Study 5; <https://www.we-the-people.co.uk/part-2-case-studies>

<https://www.5gmediawatch.com/post/notice-of-crime-against-humanity-22-02-2021>

Who is behind this and Why go to such lengths? I feel that the research of others linked together along with the banking evidence provided to Kevin Hollinrake MP October 2018 (APPG Banking) and Heather Buchanan (APPG Banking) 16.10.2018 Portcullis House Westminster witnessed by Mike Kane MP who failed in his duties to ask a question set of John Glen (Treasury Minister - HMRC - HM Treasury - FCA) thus potentially preventing further economic destruction and now the loss of life that we are now witnessing from a hoax pandemic is key.

These components in reality are asymmetrical warfare with a media misinformation parallel exercise that goes well beyond the realms of being unscientific and against advertising standards best practice.

In truth these are acts of misrepresentation of the scientific facts, Government misinformation on advice to the public, terrorism and genocide covered by Nuremburg Code, various Human Rights Acts and UK Terrorism Acts 2000 - 2006. All involved in this misinformation, delivery and cover up will be exposed and dealt with through the correct channels. <https://www.5gmediawatch.com/post/torah-amalek-kabbalah-covid1984-5g-gentile-goyim-destruction-zion>

At the time in his office in Wythenshawe 30.11.18 Mike Kane called me a conspiracy theorist and of being antisemitic in nature, i pointed out i had Jewish friends but they were NOT killers, this we can see is now the fact from the words of Rabbi's that condone genocide for historical religious ends and it is being carried out against many western nations ultimately through 5G and a Bio Weapon marketed as a vaccine as we in the west, as most non Jewish nations are considered "Amalek".

Piece the information together yourselves it isn't difficult but will save lives if you help stop this mass genocide/ democide through the use of a bio weapon (Vaccine) and 5G implementation.

MHCC i expect you from a hypocratic oath perspective to do the same in the NHS. Lets see if this stops now or a different style of intervention may be necessary.

FOI GMCA please inform Andy Burnham and find attached my billing schedule within Schedule 1 Page 14 NOTICE OF CRIME AGAINST HUMANITY which will commence shortly. I will draw your attention to a response to NPCC FOI Decision Maker - Sherry Traquair who has had the message drilled home that the UK Government is now clearly involved in Genocide and in breach of the Nuremberg Code. Both Medically through Medical Genocide (Bio Weapon - Vaccine) and Technically through LED Street Lighting and 5G Kill Grid implementation UK wide. The principles established by this code for medical practice now have been extended into general codes of medical ethics.

The Nuremberg Code (1947)

Permissible Medical Experiments

The great weight of the evidence before us to effect that certain types of medical experiments on human beings, when kept within reasonably well-defined bounds, conform to the ethics of the medical profession generally. The protagonists of the practice of human experimentation justify their views on the basis that such experiments yield results for the good of society that are unprocurable by other methods or means of study. All agree, however, that certain basic principles must be observed in order to satisfy moral, ethical and legal concepts:

1. **The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, duress, overreaching, or other ulterior form of constraint or coercion, and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision.** This latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.
2. The duty and responsibility for ascertaining the quality of the consent rests upon each individual who initiates, directs, or engages in the experiment. It is a personal duty and responsibility which may not be delegated to another with impunity.
3. The experiment should be such as to yield fruitful results for the good of society, unprocurable by other methods or means of study; and not random and unnecessary in nature.
4. The experiment should be so designed and based on the results of animal experimentation and a knowledge of the natural history of the disease or other problem under study that the anticipated results justify the performance of the experiment.
5. **The experiment should be so conducted as to avoid all unnecessary physical and mental suffering and injury.**
6. **No experiment should be conducted where there is an a priori reason to believe that death or disabling injury will occur; except, perhaps, in those experiments where the experimental physicians also serve as subjects.**
7. **The degree of risk to be taken should never exceed that determined by the humanitarian importance of the problem to be solved by the experiment.**
8. **Proper preparations should be made and adequate facilities provided to protect the experimental subject against even remote possibilities of injury, disability or death.**
9. The experiment should be conducted only by scientifically qualified persons. The highest degree of skill and care should be required through all stages of the experiment of those who conduct or engage in the experiment.
10. **During the course of the experiment the human subject should be at liberty to bring the experiment to an end if he has reached the physical or mental state where continuation of the experiment seems to him to be impossible.**
11. **During the course of the experiment the scientist in charge must be prepared to terminate the experiment at any stage, if he has probable cause to believe, in the exercise of the good faith, superior skill and careful judgment required of him, that a continuation of the experiment is likely to result in injury, disability, or death to the experimental subject.**

Hi Sherry,

The NPCC as a body will be interested from a Health and Welfare perspective of its staff and have a duty of care to its members. Informing Police Constables, Chief Constables of the impact of being injected with an untested COVID 19 Vaccine.

The linked data in posts is evidence that The Police Chief Constables and NPCC have been informed of a breach of the Nuremberg Code. <http://www.cirp.org/library/ethics/nuremberg/>

The impact of Tetra microwaves on Nano Particulates as they are within the vaccine content will bring on Hypoxemia related issues in an accelerated fashion in many Police Constables.

In the US the VAERS (Vaccine Adverse Effect) data that should be available in the UK is NOT.

The UK Government are hell bent on using our Police Forces as Guinea pigs before the 5G EMF levels are raised, not only that they have given you false information and instruction on the Corona Virus ACT.

<https://www.independent.co.uk/news/uk/home-news/coronavirus-act-unlawful-prosecutions-review-uk-a9516566.html>

All prosecutions under the new [Coronavirus Act](#) have been unlawful, a review has found.

The Crown Prosecution Service (CPS) revealed that all 44 charges it had so far checked had been withdrawn or overturned.

Those wrongly convicted include a woman who was [fined £660 after being stopped while "loitering"](#) at a railway station in Newcastle.

Read Barrie Trower's report on Police Tetra microwave specifically delivered then ignored by Police Authorities, Government and Local Councils June 2009.

Make yourself aware of what the mRNA based vaccines will do to Police Constables DNA and act before its too late. They will no longer be human.

We've communicated through the [We The People Project](#) of the Risks, TREASON and Commercial Take Down of the UK ([Unrebutted affidavit - Truth in Law 22.12.20](#)) to all England & Wales Chief Constables, but now the Police forces need to be vigilant for themselves.

I've copied Courtenay Heading as he's delivered the message to the Isle of Man Police (Video 1.2.21) and this is recorded in the second post. All Police Chief Constables have been forewarned. NPCC forewarned. A number of MP's and subject matter experts copied.

Both the NHS/ Local Council joint ventures that are delivering untested COVID 19 Vaccines are now in breach of the Nuremburg Code.

The Data samples from the US show instant Deaths in a number of COVID Vaccine cases. These tests on humanity should be stopped.

This is Genocide - Democide and the Police have been targeted next. Daily Mail frontpage.

You need access to the vaccine adverse effects register for the UK from the MHRA/ NHS, for your Constables, so do we for the people. The Govt wont make this data public.

Read the posts, comprehend the full picture, watch Courtenay addressing the IoM Constable, act to save your Constables before they are vaccinated.

Courtenay's document ([No Virus, No Test, No Contagion](#)) should be read and the videos watched if this issue is not understood fully. Thanks

It is unclear to me what recorded information you are seeking.

Part 1 seems to be requesting a 'NHS Dada adverse effects register' and I would be grateful if you could confirm you are requesting whether the NPCC holds this information.

Parts 2 and 3 do not appear to be requesting recorded information from the NPCC, but for the attention of someone called Zac (Part 2).

I am unable process this request further until I have received confirmation from you as to the exact records / information you seeking from the NPCC in order for me to initiate retrieval processes.

No inference can be made that information does or does not exist.

If I have not received a response by 01/03/2021, an inference will be made of your FOI withdrawal.

With kind regards.

Subject: Re: CDC Data - MHRA Data Requirement - FOIR GMCA - MHRA - NHS - Adverse Effects Register

Dear All, Chief Constables, NHS Manchester - GMCA FOIR - MPs.

Linked videos supporting the genocide democide claim and information supporting the specific targeting of the Elderly and now the younger generation through the lure of Health Passports to enable access to Pubs Clubs back to a normal life etc.

<https://www.bitchute.com/video/xmKLRGk2YCu/>

The links between historical events and a misinformed public is strong. Misrepresentation, Deception, Manslaughter will follow.

The information relating to Microwave impact on the vaccine is further supported within this post: <https://www.5gmediawatch.com/post/global-vaccine-passport-blair-health-passports-your-risks>

Barrie Trower Report: <https://www.5gmediawatch.com/post/police-teachers-next-hancock-bollox-5g-vaxx>

As stated by Dr Rashid Buttar this is the greatest atrocity against man that has ever been committed in recorded history and only the stupidity of the human species will allow this extinction event to continue.

Freedom of Information Requirements:

1. Freedom of Information Request. Access to MHRA - NHS Data adverse effects register by file ID - NO Names. As the US provides raw data so should the UK for the general public to make an educated decision on taking COVID 19 vaccines.
2. The Vaccination programme in Manchester is being run through a JV within Manchester Council (GMCA) and NHS teams. This is a possible starting point for holding or access to this data. The same will be for the other major UK Cities and NHS health teams. Zac please provide the data requested via the GMCA JV.
3. Vaccinating the Front line services Nurses, Police, Teachers is a strategy to remove key infrastructure operatives and evidence reporting mechanisms. Police will feel the impact first as the Tetra Units are microwave devices fitted to their body kit. Nano particulate (Metals) frequency resonance factors will kick in.

The [We The People Project](#) through the un rebutted affidavit being Truth in Law proved we have a TREASONOUS Government supported by Banks, Judiciary, Local Councils, Police at a specific level and above carrying out the false narrative of that TREASONOUS Government.

Unfortunately if the Police Do NOT comprehend what is taking place they will be among the first in active society to witness the extinction process among their own members.

Having witnessed first hand at Trafalgar Square 2020 all three events, the following of misguided orders by baton wielding City of London, Met Police and Private Security businesses to protect an ideology of eugenics against those giving professional medical views to families, the madness of UK Government became self evident.

Just Following Orders, just shutting down businesses, just implementing rules based on unscientific myths, just taking a vaccine that is effectively a bio weapon will now lead to the demise of those who take the shot if not immediately within short timescales. Estimated 4-14 Months.

Do NOT participate in breaches of the Nuremberg Code as Just following orders is NOT a valid response as a limited number of Nazis found out 1945-6 https://en.wikipedia.org/wiki/Nuremberg_trials : <http://www.cirp.org/library/ethics/nuremberg/> The madness of 1939 is witnessed today, <https://www.bmj.com/content/313/7070/1416.full>

I look forward to gaining access to the UK data sets required to substantiate adverse reactions against COVID 19 vaccines - bio weapons, posing as a health product. Any NHS vaccine programmes should be stopped as they are in breach of the Nuremberg Code based on US evidence already available.

The Police will also need this FOIR data to support the criminal activity that Government, NHS Corporates, Funded Research Groups and UK Councils have engaged in. Thanks

As stated previously the impact of microwaves will be quicker for those Police Officers wearing the Tetra system and Barrie Trower's report was made available to you.

Please make sure this information is shared with your fellow Police Constables as I believe they are at Risk of Harm from the combined impact of an untested vaccination is now breaching The Nuremberg Code. Causes of Death would be Hypoxemia, Hypoxia and brought on by rapid microwave radiation poisoning due to nano particulates - lipids in the vaccine or as per the adverse event descriptions attached.

GMCA FOI Officer Please inform Andy Burnham after terminating Ian Hopkins appointment 18.12.20.

His replacement will need to protect his Constables - OFFICERS. Please watch the content and read the reports below:

Outcome from We The People Exercise:

<https://www.we-the-people.co.uk/>

<https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>

I've placed information that will be relevant to maintain the good health of your POLICE OFFICERS and Police Constables whichever title they wish to associate with.

Also tie together the final pieces of the investigation you would have needed to identify the true criminals. The jobs done for you. Again.

Taking the Daily Mail headline 20.01.21 in reference to Teachers and Constables being the focus of the next phase of vaccination.

The vaccination will terminate life on the increase of microwave radiation and an estimate 4-14 Months life expectancy for those just taking the vaccine. This is the Genocide/ Democide component.

Start to join the dots. It Impacts You and Your Staff.

Read Barrie Trower's report on the Tetra System 2009 (Its A Microwave System) and its links with cancer, the Lipids or Nano Particulate (Metals - Tungsten, Trace Mercury, Aluminium) component of the untested vaccine is a killer in disguise.

The report was kindly forwarded by Defence Energy Weapons expert Mark Steele.

Having metals/ lipids in the system of your staff wearing TETRA Microwave Radio devices will lead to early termination of life - Barrie Trower's report already made the risk assessment and warnings clear. These were ignored.

What the Government are NOT telling you the impact of the System with Metals that will be in your body after vaccination.

This now take on a different dynamic as 4-14 Months life expectancy while wearing a microwave radio device is a different factoring level completely from a health perspective.

This could lead to death in a matter of months with COVID style symptoms as the outcome. <https://www.microwavedvets.com/virus>

The Government Cover Up - Finance Links - Metals Market and Gold Price Rigging.

Here we jump into the analysis of Mark Taylor who i was asked to speak with a number of years ago and we exchanged analysis over time as we both had identified massive fraud.

Mine in the Mortgage and Securities Markets - Marks in the Gold and Silver Rigging markets.

This isnt difficult to see when you are trained in root cause analysis or have it put in front of you. Marks work shows the hold over politicians by Bankers and the Paedophilia connections.

The Police are used to NOT investigate and block the high level White Collar Crime. This we proved through the Dylan Harvey Group - Toby Whittaker investigations linked to Cyclops 1146/12 and GMP's cover up.

Sir Ian Burnett, Lord Chief Justice was copied with the We The People process, due to his cover up of the metals rigging market he is implicated and now exposed as are many in the judiciary.

Chief Constables, Martin Hewitt, the Government we believe are looking to recruit Frontline Health Workers and Police - Media - Adverts etc.

There is NO Pandemic but there is an exercise to terminate life under the cover of a supposed Pandemic.

There is a cover up in the Financial markets and at the core are the The City of London financiers: <https://www.we-the-people.co.uk/part-2-case-studies> Case Study 4. Amber Rudd's letter.

<https://www.5gmediawatch.com/post/the-reality-the-lies-nhs-doctors-speak-wip-holding-mp-s-police-judges-to-account-clc>

The lives they are now to target are your own Police Constables. This is now self preservation for yourselves.

Hopefully you will now make the right decisions for you and your staff. Thanks

Dear Chief Constables, All,

Copying Andy Burnham, FOI Officer @ GMCA in the absence of Ian Hopkins. Zac, FOI officer GMCA please make Andy Burnham and Councilors aware of the process and outcome.

As the reporting line for Ian Hopkins, Mr Burnham should have been aware as of about 18/10/20 at process start or on receipt of the NOTICE OF OBLIGATION through the reporting line within local Government.

The Affidavit - Statement of Truth window closed for [THE NOTICE OF OBLIGATION](#), providing a timely, full response to our presented documents at 13:30 hours 22.12.20.

No written or emailed responses were received specific to the statements or documents delivered by the people to the Chief Constables of England & Wales, Isle of Man, Northern Ireland.

In support of the corrupt now confirmed TREASONOUS Government we saw an Open Letter from a number of North West Chief Constables and did receive a crime report number (5220243533) from Avon and Somerset, but NOT one from Ian Hopkins as requested. This outcome we expected but needed to be proven by following this process through to the end. This is one of the crimes that we now fully expect Andy Burnham to provide a Crime Report number for in Greater Manchester other Council Leaders UK wide will be expected to do the same.

May we remind you of a few of the Maxims of Law from our previous communications.

- All are equal before the law.
- An un rebutted presumption stands at law.
- An un rebutted affidavit stands as truth in commerce.
- An un rebutted affidavit becomes the judgment in commerce
- Truth is expressed by means of an affidavit.
- A matter must be expressed to be resolved.
- He who leaves the battle first loses by default.
- False in one thing is false in all.
- Ignorance of the law is NO Excuse.

I'm attaching an email i sent to Bruntwood Ltd, my registered office provider. It copied a number of key individuals involved in the process and my journey to date. All of you who have loved ones, families, grand children would do well to review the content as its a working example of how the Genocide/ Democide will take place. 5G Electro Magnetic Fields/ Swabs and vaccines (Nano Particulates) don't mix, they are designed to kill you.

Look to your own Constabulary's and you will find the same scenario whereby Corporations and individuals who are influenced and controlled are allowing the planned murder of those whose welfare and public duty of care you are all responsible for. You have an Oath of Office and now are aware of the Law and this process. Ignorance of the Law is NO excuse.

I will be asking for a crime number from GMCA and GMP and i will be recommending everyone else to do the same. This journey to the truth has just started.

Wishing you all a peaceful Christmas and Truthful New Year.

Dear Ian,

UK Chief Constables, MP's, APPG Banking, All,

Maintaining the email trail for communication and audit purpose. Sir Ian Burnett - Lord Chief Justice copied with complete delivered document set 14.12.20.

Yesterday we commenced the final stage and gate of the lawful process through postal delivery of The Affidavit or Statement of Truth. Linked here - Default 3-7 <https://www.we-the-people.co.uk/default-3-7>

Each Chief Constable will be able to track his own Royal Mail delivered copy from the linked post <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-we-the-people>

The final stages of the process i recorded so there is NO excuse for stating its NOT been received or any UK Chief Constable is NOT aware of the process or the fact that this process which commenced for ourselves in July/ August 2020 took place.

For yourselves this commenced 16th October 2020 with the NOTICE OF OBLIGATION ACCORDING TO ENGLISH CONSTITUTIONAL LAW.

The complete process is well documented online, text, video and still images and has seen web traffic across the globe with parallel initiatives now taking place within the Commonwealth, the Canadians, Australians and Kiwi's (NZ) are now following with their own versions.

In the UK a number of those who served documents have lost loved ones during this period or those close to them and felt compelled to take some form of action and we are grateful they gave up their valuable time to do so and play their part.

At the end of the [5gmediawatch.com](https://www.5gmediawatch.com) post linked above an email was copied, this was sent to Isle of Man Police Officers, i entered the content as it is valuable information for you all.

Its the work of courtenay-adam-lawrence:heading who I consider to be a good friend.

He passed three copies of his latest book to an officer Emily Perkins? Also a letter entitled covid criminals - (my emphasis) "NO VIRUS - NO TEST - NO CONTAGION".

There are two videos from leading experienced researchers in the medical area. Tom Barnett and Dr Thomas Cowan.

Id recommend reading courtenay's letter, watching the videos and make the decision you feel in your heart as to how you lead your individual Police Forces.

It is our belief that you have either been misled by a corrupt TREASONOUS Government or leveraged through circumstances that each one of you know about personally.

The NOTICE OF OBLIGATION and the process is a lawful process. The UK's NOTICE OF OBLIGATION lawful process is completed by The Affidavit - Statement of Truth.

May we remind you of the following Maxims of law. These are not the complete list as there are many but these directly link to the process [we-the-people.co.uk](https://www.we-the-people.co.uk) have followed and relevant to this communication.

1. All are equal before the law
2. An un rebutted presumption stands at law
3. An un rebutted affidavit stands as truth in commerce
4. An un rebutted affidavit becomes the judgement in commerce
5. Truth is expressed by means of an affidavit
6. A matter must be expressed to be resolved
7. He who leaves the field of battle first loses by default
8. Ignorance of the law is no excuse

In supporting courtenay's content once again i will draw your attention to the following pieces or evidence highlighting there was NO PANDEMIC and we are looking at a media frenzy based upon a TREASONOUS bought Government.

<https://www.gov.uk/guidance/high-consequence-infectious-diseases-hcid>

https://peerlessreads.s3.us-east-2.amazonaws.com/CvFNF_GovtKiller.mp4

<https://pandemicvideo.com/>

As a business analyst myself used to finding issues in business and enabling company turnarounds and performance improvement witnessed by MP's and APPG Banking officials copied 16.10.18 Portcullis House Westminster.

Evidence had been provided to Kevin Hollinrake MP identifying the economic take down of the UK economy with Mike Kane MP tasked with asking questions of John Glen Treasury Minister in the House of Commons.

This Mike Kane failed to carry out as is his public duty, it would appear he is compromised. Only Mr Kane will know why he took the course of action he did and failed the directives of Heather Buchanan APPG Banking Exec Director.

I leave you with this piece of analysis by a fellow truth seeker from Action 4 Justice Trevor Mealham. <https://youtu.be/Pij3gmyLTRM>

We do know what is taking place and the existing services paid for through UK public funds and Council taxes are no longer fit for purpose.

We do communicate and will resolve many of the economic crimes that are being covered up within the existing legal system.

The overall cost of economic decline and crime is now with those responsible in public office under oath and those who cover up the criminal activities. This goes for both medical and financial.

Further analysis and Court De Jure's will decide individuals outcomes.

Please check your post for your Affidavit - Statement of Truth, a 7 day timer has now commenced. Thanks

In accordance with Companies House Requirements for: **GOVERNMENT UK LIMITED** : Company number **05522373**, **Objection to a dissolution.**

11. Objecting to a company's dissolution

Any interested party can object to a company's application to be struck off the register and dissolved.

An objection can only be considered by the registrar once notification has been published in the Gazette showing the registrar's intention to strike the company off the register at the expiration of 2 months.

It is important to send any objection to the registrar at the earliest opportunity after publication of the Gazette notice and at least two weeks prior to the notice expiry date.

11.1 How and why objections are made

Reasons for objection might be:

- the company has broken any of the conditions of its application (for example, if it traded, changed its name, or become subject to insolvency proceedings during the 3 months prior to the application, or afterwards)
- some form of action is being taken, or is pending, to recover any money owed (such as a winding-up petition or action in a small claims court)
- the directors have not informed interested parties
- any of the declarations on the form are false
- other legal action is being taken against the company
- the directors have wrongfully traded or committed a tax fraud or some other offence

A full list of conditions can be found in [section 1004](#) and [section 1005 of the Companies Act 2006](#).

In most instances, you should make your objection in writing. The safest and quickest way for an objection to be considered is by emailing enquiries@companieshouse.gov.uk. Send your objection by post to the dissolution section. You must include supporting evidence.

Contact our enquiries department on 0303 1234 500 if you can't send an objection by post.

Personally i have provided evidence of Criminal Activity that was traced to HMRC and HM Treasury by 2017 - 2018.

This was passed to APPG Banking's Kevin Hollinrake MP October 2018 resulting in meetings in Portcullis House Westminster 16.10.2018. The outcome, questions should have been asked of John Glen Treasury Minister, this was prevented by the actions of MP Mike Kane. 30.10.18

Over a number of years 2006 to date, similar evidence has been collated where Criminal Activity has lead to the economic deterioration and now destruction of the UK economy, linked to those who have been involved with UK Governments 05522373 activities.

Much of this recent activity is recorded during Theresa Mays and Boris Johnsons terms as Prime Ministers. This has a readily available audit trail that we have collated and recorded. Others will have the GAP data to 1970's.

We have commenced a [NOTICE OF OBLIGATION](#) process highlighting TREASON and [7 \(Seven\) case studies](#) where we believe allowing these acts of financial terrorism have in part brought down the UK economy. This should be investigated by the Police Chief Constables of England and Wales.

To date only Avon and Somerset have provided a Crime Report Number on receipt. Thanks again Jack Roth.

Reading the documentation and using my judgement as a Business Analyst and Project Manager with experience of exposing financial criminality having had this done to myself in 2006/7 and witnessing a cover up (GMP - Cyclops 1146/12), i believe I'm well placed to see the larger picture and identify the criminals behind the crime. Looking through the documentation set linked with the DS01 it would appear that those who control the Government through the nominated representative "Laird James Coutts" are looking to steal the asset base of the people of the United Kingdom through stealth?

Companies House DS01 (ef)

Application to strike off

Company Name: GOVERNMENT UK LIMITED
Company Number: 09422373

Important notice for all interested parties

This company has applied to be struck off and dissolved. The registrar will proceed unless there is reasonable cause not to, and on dissolution any assets remaining in the company will be passed to the Crown. Guidance is available on grounds for objection. If in doubt seek professional advice.

Declaration of director(s)

I/We as the majority of directors apply for this company to be struck off the Register and declare that none of the circumstances described in section 1004 and 1005 of the Companies Act 2006 (being circumstances in which the directors would otherwise be prohibited under those sections from making an application) exists in relation to the company.

Authorising company Director(s):

Delegated by:

Signature Date: 07-10-2020

The DS01 declaration would appear to state that all assets (public property) owned by [We-The-People/](#) The UK Public is to be stolen from under our very noses in a matter of days?

This in turn would then be passed to the Crown?

Here in lies the Crime that the UK Chief Constables need to take note and commence investigation of immediately. Anthony Stansfeld copied Thames Valley Police and Crime Commissioner.

Professionals copied: Professor Nigel Harper.

I believe by reviewing the documentation sets provided within [We The People](#) which not only identifies the TREASON and examples of White Collar Criminality of those associated with 05522373.

This last piece of documentation on the Companies House web site not only confirms that the 5G/ Vaccine Genocide intention is planned (to kill or harm the owners of the property/ assets), but the final objective is to clean out the asset base of [We The People](#) if this is NOT stopped and investigated thoroughly.

The less people around to object the better for those linked to benefit - The Crown or Crown Corporation?

An international panel of Common Law Judges sat recently highlighting the International Criminality. Combined Intel linked here: <https://www.5gmediawatch.com/post/international-criminal-code-indictments-the-outcome>

I do believe we have uncovered another aspect of intent to this criminal activity in the documentation on the Companies House Website.

Please make sure that 05522373 is NOT dissolved and a Criminal Investigation should commence through UK Police Forces. Thanks

Dear Ian,

Email Audit trail maintained. Again, Please make sure ALL Chief Constables are fully aware of the linked documents as they will have either received or shortly will be in receipt of the [NOTICE OF DEFAULT & OPPORTUNITY TO CURE](#).

Manchester's was receipted on Monday 30/11/20 by Constable 71918 at GMP HQ Central Park. 1400 Hours approximately.

It has become self evident that UK Chief Constables are NOT aware of the Lawful Process or in total denial of their responsibilities to act when criminal activity such as TREASON is reported that is taking down the economic and social fabric of the United Kingdom.

This is economic Terrorism and will be dealt with accordingly through the lawful process. The International Lawful process has commenced: <https://www.5gmediawatch.com/post/international-common-law-indictments-boris-world-leaders-royalty-businesses-banks>

The lack of Chief Constables Lawful knowledge has been highlighted by the request from Staff Officer [Gill Cherry's response](#) on behalf of Cumbria's Chief Constable - Michelle Skeer, who stated "Cumbria Police will be taking no further action in relation to your correspondence"

The job of the Police and the Chief Constables to our comprehension is to deal with Criminal Activity, this is what they are paid for (Via Council Tax) and unfortunately in the Case Studies provided, serious crimes have been reported on more than one occasion over a number of years.

Nothing has been done of value by those who are meant to maintain law and order also keep the peace? We have proven cover ups within the UK Police forces and more recently witnessed Police Constables or Officers kidnapping our team members.

For clarity of the case study issues reported please have each Chief Constable re read the 42 Page document on <https://www.we-the-people.co.uk/>

NOTICE OF OBLIGATION ACCORDING TO ENGLISH CONSTITUTIONAL LAW this can be downloaded again here: <https://www.we-the-people.co.uk/download-pdf-version-master>

In the past I have done the job for you on the Mortgage and Bank Securities Fraud that was covered up in part by GMP all the way through to Westminster, proven 16.10.18 - 30.11.18 - Mike Kane MP Sale East - Wythenshawe needs to be brought in for questioning in relation to this cover up.

Once again please find the "Breadcrumbs" that lead to the root cause if you read and follow the guided path of research, analysis and experience and NOT the instructions of the Genocidal Psychopaths in Westminster.

Protocols of the Learned Elders of Zion (Point 6) is a bit of a give away when read and I've placed the points you need to put together in order 1-6 for ease of understanding and root cause analysis to find the source criminality.

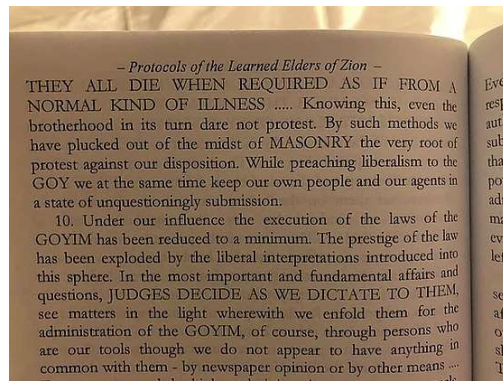

Read in conjunction with [Section 2 Case Study 5](#) <https://www.5gmediawatch.com/post/cops-robbers-murders-rip-off-a-nation-banks-control-police-judiciary-councils-mp-s>

The following text specifically identifies the modern day kill mechanism (5G Kill Grids installed in UK Major Cities under UK Govt instruction) of the 5G EMF - Hydrogel Swab - Covid 19 Vaccine combination to commit Genocide ([See section 2 Case Study 5](#)).

Microwaved vets <https://www.microwavedvets.com/virus> helps clarify.

It does state quite clearly in the Learned Elders of Zion text that their "Agents Are Kept in Submission and Judges Decide as They are Dictated to".

This is why we refer to your Oaths of Office and point out that a man or woman cannot serve two masters within our delivered texts: <https://biblehub.com/matthew/6-24.htm>

As stated previously we have Medical professionals, Technical experts and Financial Analysis teams that are available if you really need to understand what is taking place. That facility is still open.

If you align yourselves with the TREASON and Genocide then a Common Law Court Du Jure will determine the outcome as per Default 2-7 the latest delivered stage. <https://www.we-the-people.co.uk/default-2-7>

For clarity on the lawful position (Please Note Cumbria CC, Michelle Skeer) - an unrebutted affidavit stands as truth in law.

5.) AN UNREBUTTED AFFIDAVIT STANDS AS THE TRUTH.

(12 Pet. 1:25; Heb. 6:13-15;)

6.) AN UNREBUTTED AFFIDAVIT BECOMES THE JUDGMENT IN COMMERCE.

(Heb. 6:16-17;).

<https://www.5gmediawatch.com/post/woody-s-statement-of-truth-chief-constables-default-2-7-the-solution-is-in-our-hands>

To date we have had NO responses that actually address the TREASON and crimes placed at your door. We have received a crime number from Avon and Somerset but NOT from any other parties.

Asking us to stop the lawful process is an invalid response should any of the other Chief Constables think this is an appropriate measure.

Sir Ian Burnett - Lord Chief Justice - England and Wales will be receiving the document set complete for his review.

Given the quoted text above i suspect i know the response. "**JUDGES DECIDE AS WE DICTATE TO THEM**".

We look forward to completing the process shortly then we can start the repair job in earnest. Thanks

Dear Ian,

Please make sure ALL Chief Constables are aware of the attached document P1 - Performance, Title in Full: NOTICE TO COMPEL PERFORMANCE. Served 14th - 20th November.

Some will NOT have been received as yet as will be explained later in this text, please make sure ALL UK Chief Constables receive their PDF copy. Thanks.

<https://www.we-the-people.co.uk/performance1-14>

We have received a single Crime Report number from Jack Roth - Avon & Somerset, copied. Again thanks to Jack.

The core driving issue behind this course of action is TREASON and this should NOT be dismissed or ignored by our Police Chief Constables. Our Country is under attack economically and now physically with the [hoax pandemic](#) claim.

I have NOT received a crime report from yourself, Ian as yet? Cyclops 1146/12 should never have been closed by GMP, it helps identify an approximate £1.8 Trillion Bank securities fraud run out of The City of London impacting All within the UK, this is when the investigative work is completed thoroughly. This criminal activity is further confirmed by Amber Rudd's letter to Katy Bourne, Police & Crime Commissioner for Sussex. Page 33 NOTICE OF OBLIGATION. <https://www.we-the-people.co.uk/download-pdf-version-master>

There are many more crimes linked to 5G and the unlawful vaccine and testing regime we have now entered into. The Corona Virus Act is written in DOG LATIN, NOT- ENGLISH and is a counterfeit document as mentioned previously.

We are also aware of the Connections between Chief Constable, Andy Marsh (Avon & Somerset) and Common Purpose from intelligence gathered by the Action 4 Justice team and Trevor Mealham's investigative work on behalf of the Lloyds signature fraud team and a number of bait and snatch cases which now number into the thousands. This will increase as the [Pandemic Hoax](#) is played out by Boris De Pfeffel Johnson and his pro EU - UN - Common Purpose team.

On this note reviewing an ex radiographer's testimony will help further sort fact from fiction, <https://www.5gmediawatch.com/post/the-truth-the-whole-truth-nothing-but-the-truth>
5G EMFs and Hypoxemia is the cause of the identified disease, not a cold or flu virus. <https://www.5gmediawatch.com/post/a-man-with-credentials-speaks-dr-harkinson>

The Common Purpose - Criminal Activity connection can be previewed in The Matrix document linked to the NOTICE OF OBLIGATION delivered both physically and as a PDF.

Also here as a video: <https://bit.ly/36RQlnz> Trevor Mealham provides the high level analysis

It came to our attention that during the serving of Lawful documents by our [We The People](#), Lancashire Constabulary Team, an attempt was made to prevent the NOTICE OF PERFORMANCE from being delivered by a number of Police Constables (Officers) and viewed live by more than two thousand witnesses? Whether Ain'e takes this further will be up to her.

I witnessed Assault, Kidnap, harassment multiple attempts at false joinder and i believe her mobile phone was taken for a short period? <https://www.5gmediawatch.com/post/police-constables-create-duress-notice-of-performance-headed-off-at-the-pass> She gave a conditional offer of value which it appeared finally the Constables accepted and removed her with force from the vehicle after attempting to prevent the serving of the lawful document's. Lanc's CC may receive a large invoice?

Another Lancs team member had the documents so the serve was successfully completed.

We are also aware that Lee Garrett was prevented from delivering documents as he now has a warrant for his arrest, we need to find out what the crime is and who was the victim and who signed or gave authority for the warrant?

If the crime is to deliver lawful documents identifying TREASON we have some major issues in our Police force to address.

We've identified through video footage, that many constables/ officers aren't aware they are acting under Admiralty, Talmudic, Babylonian and Roman Laws to date and bringing laws of the sea on to the land?

Hopefully you fully comprehend we are asking our Police Forces to do their jobs correctly and the case studies identify how the United Kingdom economy is being taken down by external forces working within Government at both a Local and Central level.

As you will be fully aware MPs have a Private Criminal Prosecution case against them from Michael O' Bernicia seeking Justice for The People of The United Kingdom. <https://www.thebernician.net/private-criminal-prosecution-moves-to-final-pre-court-stage/>

MP Mike Kane has already made his position clear after events in Portcullis House, Westminster 16.10.18 and will be dealt with using the evidence to hand through the Common Law Court process.

Id like to add at this point that a 108 page International Criminal Law - Common Law Indictment has now been raised against ALL parties that have acted unlawfully and continue to do so in assisting with the crimes of Genocide and Crimes Against Humanity that will be brought against all that participate in this exercise. Matt Hancock should be the first to be arrested following this process.

Ignorance is NO excuse in Law. Document Linked: <https://www.5gmediawatch.com/post/international-common-law-indictments-boris-world-leaders-royalty-businesses-banks>

We still look forward to meeting and finding out your true position or each Constabulary's position in this Criminal exercise by parties operating for The City - Crown Corporation through its Masonic and Common Purpose links.

We wish to work with the Police in resolving this criminal activity, this process will identify those who are working to their Oath of Office and those who are working alongside the TREASONOUS Government.

Have a good weekend, we will continue serving the documents and completing the process. Thanks

Dear Ian,

I have placed your name as the primary contact as you have already received the PDF copy with Links to evidence and source materials for review while information exchanges were made with Police Liaison Officer Jack Roth of Avon & Somerset. Jack we appreciate you responding, I mean this sincerely.

Ian, I'd like you to make sure that your colleagues at Chief Constable level, UK wide, all receive the attached document. This is important for every man, woman and child in the UK.

This country has not been in this position to my knowledge for decades, if at all in its long history.

We hope we can get a speedy resolution with our Police Forces working alongside the people and making the necessary steps for all our safety and that of our families.

We know exactly who runs the criminal operations and that Treason has and is taking place.

We've done the research over years in some cases and have the experience, be it financial, technical, medical and data necessary to quickly resolve the issues we now face.

We want our Police forces to make the right decision and commence the critical thinking required to identify and investigate, identify the facts from fiction.

The question for yourselves is, should you work with a treasonous Government or work with the people under your Oaths of Office and provide the service and respect our Police Forces once had.

I look forward to meeting you with professional representatives, some copied enabling us to resolve the immediate threat we are all exposed to.

I've placed and linked some extracts of the immediate threat on a post for clarity. Those fellow officers that may not be aware of the energy weapons deployed and cancer causing street lighting nationwide can easily become informed by reviewing the linked content.

Those parties who have made this carefully planned intended attack on the people of this country over time, have spent our time and our money/ credit and energy in creating a disguised weapons system or mechanism masquerading as a Telecommunications solution that alongside the intended Nano particulate vaccine solution will result in millions dying unnecessarily as experienced in Wuhan.

This will be an act of Democide or Genocide and your officers and frontline workers will be impacted too. You are now all aware of what is taking place.

We can stop this if we act swiftly. I look forward to a positive response from each region and we can make these lands safe again.

We are prepared to meet at your earliest convenience. Thanks

Kind Regards
