Dear Ian,

UK Chief Constables, MP's, APPG Banking. All,

Maintaining the email trail for communication and audit purpose. Sir Ian Burnett - Lord Chief Justice copied with complete delivered document set 14.12.20.

Yesterday we commenced the final stage and gate of the lawful process through postal delivery of The Affidavit or Statement of Truth. linked here - Default 3-7 <https://www.we-the-people.co.uk/default-3-7>

Each Chief Constable will be able to track his own Royal Mail delivered copy from the linked post <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-we-the-people>

The final stages of the process i recorded so there is NO excuse for stating its NOT been received or any UK Chief Constable is NOT aware of the process or the fact that this process which commenced for ourselves in July/ August 2020 took place.

For yourselves this commenced 16th October 2020 with the NOTICE OF OBLIGATION ACCORDING TO ENGLISH CONSTITUTIONAL LAW.

The complete process is well documented online, text, video and still images and has seen web traffic across the globe with parallel initiatives now taking place within the Commonwealth, the Canadians, Australians and Kiwi's (NZ) are now following with their own versions.

In the UK a number of those who served documents have lost loved ones during this period or those close to them and felt compelled to take some form of action and we are grateful they gave up their valuable time to do so and play their part.

At the end of the [5gmediawatch.com](https://www.5gmediawatch.com) post linked above an email was copied, this was sent to Isle of Man Police Officers, i entered the content as it is valuable information for you all.

Its the work of courtenay-adam-lawrence:heading who I consider to be a good friend.

He passed three copies of his latest book to an officer Emily Perkins? Also a letter entitled covid criminals - (my emphasis) "NO VIRUS - NO TEST - NO CONTAGION".

There are two videos from leading experienced researchers in the medical area. Tom Barnett and Dr Thomas Cowan.

Id recommend reading courtenay's letter, watching the videos and make the decision you feel in your heart as to how you lead your individual Police Forces.

It is our belief that you have either been misled by a corrupt TREASONOUS Government or leveraged through circumstances that each one of you know about personally.

The NOTICE OF OBLIGATION and the process is a lawful process. The UK's NOTICE OF OBLIGATION lawful process is completed by The Affidavit - Statement of Truth.

May we remind you of the following Maxims of law. These are not the complete list as there are many but these directly link to the process we-the-people.co.uk have followed and relevant to this communication.

1. All are equal before the law
2. An un rebutted presumption stands at law
3. An un rebutted affidavit stands as truth in commerce
4. An un rebutted affidavit becomes the judgement in commerce
5. Truth is expressed by means of an affidavit
6. A matter must be expressed to be resolved
7. He who leaves the field of battle first loses by default
8. Ignorance of the law is no excuse

In supporting courtenay's content once again i will draw your attention to the following pieces or evidence highlighting there was NO PANDEMIC and we are looking at a media frenzy based upon a TREASONOUS bought Government.

<https://www.gov.uk/guidance/high-consequence-infectious-diseases-hcid>

https://peerlessreads.s3.us-east-2.amazonaws.com/CvFNF_GovtKiller.mp4

<https://plandemicvideo.com/>

As a business analyst myself used to finding issues in business and enabling company turnarounds and performance improvement witnessed by MP's and APPG Banking officials copied 16.10.18 Portcullis House Westminster.

Evidence had been provided to Kevin Hollinrake MP identifying the economic take down of the UK economy with Mike Kane MP tasked with asking questions of John Glen Treasury Minister in the House of Commons.

This Mike Kane failed to carry out as is his public duty, it would appear he is compromised. Only Mr Kane will know why he took the course of action he did and failed the directives of Heather Buchanan APPG Banking Exec Director.

I leave you with this piece of analysis by a fellow truth seeker from Action 4 Justice Trevor Mealham. <https://youtu.be/Pjj3gmyLTRM>

We do know what is taking place and the existing services paid for through UK public funds and Council taxes are no longer fit for purpose.

We do communicate and will resolve many of the economic crimes that are being covered up within the existing legal system.

The overall cost of economic decline and crime is now with those responsible in public office under oath and those who cover up the criminal activities. This goes for both medical and financial.

Further analysis and Court De Jure's will decide individuals outcomes.

Please check your post for your Affidavit - Statement of Truth, a 7 day timer has now commenced. Thanks

In accordance with Companies House Requirements for: **GOVERNMENT UK LIMITED** : Company number **05522373**, **Objection to a dissolution**.

11. Objecting to a company's dissolution

Any interested party can object to a company's application to be struck off the register and dissolved.

An objection can only be considered by the registrar once notification has been published in the Gazette showing the registrar's intention to strike the company off the register at the expiration of 2 months.

It is important to send any objection to the registrar at the earliest opportunity after publication of the Gazette notice and at least two weeks prior to the notice expiry date.

11.1 How and why objections are made

Reasons for objection might be:

- the company has broken any of the conditions of its application (for example, if it traded, changed its name, or become subject to insolvency proceedings during the 3 months prior to the application, or afterwards)
- some form of action is being taken, or is pending, to recover any money owed (such as a winding-up petition or action in a small claims court)
- the directors have not informed interested parties
- any of the declarations on the form are false
- other legal action is being taken against the company
- the directors have wrongfully traded or committed a tax fraud or some other offence

A full list of conditions can be found in [section 1004](#) and [section 1005 of the Companies Act 2006](#).

In most instances, you should make your objection in writing. The safest and quickest way for an objection to be considered is by emailing enquiries@companieshouse.gov.uk. Send your objection by post to the dissolution section. You must include supporting evidence.

Contact our enquiries department on 0303 1234 500 if you can't send an objection by post.

Personally i have provided evidence of Criminal Activity that was traced to HMRC and HM Treasury by 2017 - 2018.

This was passed to APPG Banking's Kevin Hollinrake MP October 2018 resulting in meetings in Portcullis House Westminster 16.10.2018. The outcome, questions should have been asked of John Glen Treasury Minister, this was prevented by the actions of MP Mike Kane. 30.10.18

Over a number of years 2006 to date, similar evidence has been collated where Criminal Activity has lead to the economic deterioration and now destruction of the UK economy, linked to those who have been involved with UK Governments 05522373 activities.

Much of this recent activity is recorded during Theresa Mays and Boris Johnsons terms as Prime Ministers. This has a readily available audit trail that we have collated and recorded. Others will have the GAP data to 1970's.

We have commenced a [NOTICE OF OBLIGATION](#) process highlighting TREASON and [7 \(Seven\) case studies](#) where we believe allowing these acts of financial terrorism have in part brought down the UK economy. This should be investigated by the Police Chief Constables of England and Wales.

To date only Avon and Somerset have provided a Crime Report Number on receipt. Thanks again Jack Roth.

Reading the documentation and using my judgement as a Business Analyst and Project Manager with experience of exposing financial criminality having had this done to myself in 2006/7 and witnessing a cover up (GMP - Cyclops 1146/12), i believe I'm well placed to see the larger picture and identify the criminals behind the crime. Looking through the documentation set linked with the DS01 it would appear that those who control the Government through the nominated representative "Laird James Coutts" are looking to steal the asset base of the people of the United Kingdom through stealth?

Companies House **DS01** (ef)
Application to strike off

Company Name: GOVERNMENT UK LIMITED
Company Number: 05522373

Important notice for all interested parties

This company has applied to be struck off and dissolved. The registrar will proceed unless there is reasonable cause not to, and on dissolution any assets remaining in the company will be passed to the Crown. Guidance is available on grounds for objection. If in doubt seek professional advice.

Declaration of director(s)

We, as the majority of directors apply for this company to be struck off the Register and declare that none of the circumstances described in section 1004 and 1005 of the Companies Act 2006 (being circumstances in which the directors would otherwise be prohibited under those sections from making an application) exists in relation to the company.

Authorising company Director(s):
 Director: **Laird James Coult**
 Laird James COULTS
 Signature Date: 07-10-2020

The DS01 declaration would appear to state that all assets (public property) owned by [We-The-People/](#) The UK Public is to be stolen from under our very noses in a matter of days?

This in turn would then be passed to the Crown?

Here in lies the Crime that the UK Chief Constables need to take note and commence investigation of immediately. Anthony Stansfeld copied Thames Valley Police and Crime Commissioner.

Professionals copied: Professor Nigel Harper.

Important notice for all interested parties

I believe by reviewing the documentation sets provided within [We The People](#) which not only identifies the TREASON and examples of White Collar Criminality of those associated with 05522373.

This last piece of documentation on the Companies House web site not only confirms that the 5G/ Vaccine Genocide intention is planned (to kill or harm the owners of the property/ assets), but the final objective is to clean out the asset base of [We The People](#) if this is NOT stopped and investigated thoroughly.

The less people around to object the better for those linked to benefit - The Crown or Crown Corporation?

An international panel of Common Law Judges sat recently highlighting the International Criminality. Combined Intel linked here: <https://www.5gmediawatch.com/post/international-criminal-code-indictments-the-outcome>

I do believe we have uncovered another aspect of intent to this criminal activity in the documentation on the Companies House Website.

Please make sure that 05522373 is NOT dissolved and a Criminal Investigation should commence through UK Police Forces. Thanks

Dear Ian,

Email Audit trail maintained. Again, Please make sure ALL Chief Constables are fully aware of the linked documents as they will have either received or shortly will be in receipt of the [NOTICE OF DEFAULT & OPPORTUNITY TO CURE](#).

Manchester's was receipted on Monday 30/11/20 by Constable 71918 at GMP HQ Central Park. 1400 Hours approximately.

It has become self evident that UK Chief Constables are NOT aware of the Lawful Process or in total denial of their responsibilities to act when criminal activity such as TREASON is reported that is taking down the economic and social fabric of the United Kingdom.

This is economic Terrorism and will be dealt with accordingly through the lawful process. The International Lawful process has commenced: <https://www.5gmediawatch.com/post/international-common-law-indictments-boris-world-leaders-royalty-businesses-banks>

The lack of Chief Constables Lawful knowledge has been highlighted by the request from Staff Officer [Gill Cherry's response](#) on behalf of Cumbria's Chief Constable - Michelle Skeer, who stated "Cumbria Police will be taking no further action in relation to your correspondence"

The job of the Police and the Chief Constables to our comprehension is to deal with Criminal Activity, this is what they are paid for (Via Council Tax) and unfortunately in the Case Studies provided, serious crimes have been reported on more than one occasion over a number of years.

Nothing has been done of value by those who are meant to maintain law and order also keep the peace? We have proven cover ups within the UK Police forces and more recently witnessed Police Constables or Officers kidnapping our team members.

For clarity of the case study issues reported please have each Chief Constable re read the 42 Page document on <https://www.we-the-people.co.uk/>

NOTICE OF OBLIGATION ACCORDING TO ENGLISH CONSTITUTIONAL LAW this can be downloaded again here: <https://www.we-the-people.co.uk/download-pdf-version-master>

In the past i have done the job for you on the Mortgage and Bank Securities Fraud that was covered up in part by GMP all the way through to Westminster, proven 16.10.18 - 30.11.18 - Mike Kane MP Sale East - Wythenshawe needs to be brought in for questioning in relation to this cover up.

Once again please find the "Breadcrumbs" that lead to the root cause if you read and follow the guided path of research, analysis and experience and NOT the instructions of the Genocidal Psychopaths in Westminster.

Protocols of the Learned Elders of Zion (Point 6) is a bit of a give away when read and I've placed the points you need to put together in order 1-6 for ease of understanding and root cause analysis to find the source criminality.

Read in conjunction with [Section 2 Case Study 5](https://www.5gmediawatch.com/post/cops-robbers-murders-rip-off-a-nation-banks-control-police-judiciary-councils-mp-s) <https://www.5gmediawatch.com/post/cops-robbers-murders-rip-off-a-nation-banks-control-police-judiciary-councils-mp-s>

The following text specifically identifies the modern day kill mechanism (5G Kill Grids installed in UK Major Cities under UK Govt instruction) of the 5G EMF - Hydrogel Swab - Covid 19 Vaccine combination to commit Genocide ([See section 2 Case Study 5](#)).

Microwaved vets <https://www.microwavedvets.com/virus> helps clarify.

It does state quite clearly in the Learned Elders of Zion text that their **"Agents Are Kept in Submission and Judges Decide as They are Dictated to"**.

This is why we refer to your Oaths of Office and point out that a man or woman cannot serve two masters within our delivered texts: <https://biblehub.com/matthew/6-24.htm>

As stated previously we have Medical professionals, Technical experts and Financial Analysis teams that are available if you really need to understand what is taking place. That facility is still open.

If you align yourselves with the TREASON and Genocide then a Common Law Court Du Jure will determine the outcome as per Default 2-7 the latest delivered stage. <https://www.we-the-people.co.uk/default-2-7>

For clarity on the lawful position (Please Note Cumbria CC, Michelle Skeer) - an unrebutted affidavit stands as truth in law.

5.) AN UNREBUTTED AFFIDAVIT STANDS AS THE TRUTH.

(12 Pet. 1:25; Heb. 6:13-15;)

6.) AN UNREBUTTED AFFIDAVIT BECOMES THE JUDGMENT IN COMMERCE.

(Heb. 6:16-17;).

<https://www.5gmediawatch.com/post/woody-s-statement-of-truth-chief-constables-default-2-7-the-solution-is-in-our-hands>

To date we have had NO responses that actually address the TREASON and crimes placed at your door. We have received a crime number from Avon and Somerset but NOT from any other parties.

Asking us to stop the lawful process is an invalid response should any of the other Chief Constables think this is an appropriate measure.

Sir Ian Burnett - Lord Chief Justice - England and Wales will be receiving the document set complete for his review.

Given the quoted text above i suspect i know the response. **"JUDGES DECIDE AS WE DICTATE TO THEM"**.

We look forward to completing the process shortly then we can start the repair job in earnest. Thanks

Dear Ian,

Please make sure ALL Chief Constables are aware of the attached document P1 - Performance, Title in Full: NOTICE TO COMPEL PERFORMANCE. Served 14th - 20th November.

Some will NOT have been received as yet as will be explained later in this text, please make sure ALL UK Chief Constables receive their PDF copy. Thanks.

<https://www.we-the-people.co.uk/performance1-14>

We have received a single Crime Report number from Jack Roth - Avon & Somerset, copied. Again thanks to Jack.

The core driving issue behind this course of action is TREASON and this should NOT be dismissed or ignored by our Police Chief Constables. Our Country is under attack economically and now physically with the [hoax pandemic](#) claim.

I have NOT received a crime report from yourself, Ian as yet? Cyclops 1146/12 should never have been closed by GMP, it helps identify an approximate £1.8 Trillion Bank securities fraud run out of The City of London impacting All within the UK, this is when the investigative work is completed thoroughly. This criminal activity is further confirmed by Amber Rudd's letter to Katy Bourne, Police & Crime Commissioner for Sussex. Page 33 NOTICE OF OBLIGATION. <https://www.we-the-people.co.uk/download-pdf-version-master>

There are many more crimes linked to 5G and the unlawful vaccine and testing regime we have now entered into. The Corona Virus Act is written in DOG LATIN, NOT- ENGLISH and is a counterfeit document as mentioned previously.

We are also aware of the Connections between Chief Constable, Andy Marsh (Avon & Somerset) and Common Purpose from intelligence gathered by the Action 4 Justice team and Trevor Mealham's investigative work on behalf of the Lloyds signature fraud team and a number of bait and snatch cases which now number into the thousands. This will increase as the [Pandemic Hoax](#) is played out by Boris De Pfeffel Johnson and his pro EU - UN - Common Purpose team.

On this note reviewing an ex radiographer's testimony will help further sort fact from fiction. <https://www.5gmediawatch.com/post/the-truth-the-whole-truth-nothing-but-the-truth> 5G EMF's and Hypoxemia is the cause of the identified disease, not a cold or flu virus. <https://www.5gmediawatch.com/post/a-man-with-credentials-speaks-dr-harkinson>

The Common Purpose - Criminal Activity connection can be previewed in The Matrix document linked to the NOTICE OF OBLIGATION delivered both physically and as a PDF. Also here as a video: <https://bit.ly/36RQlnz> Trevor Mealham provides the high level analysis

It came to our attention that during the serving of Lawful documents by our [We The People](#), Lancashire Constabulary Team, an attempt was made to prevent the NOTICE OF PERFORMANCE from being delivered by a number of Police Constables (Officers) and viewed live by more than two thousand witnesses? Whether Ain'e takes this further will be up to her.

I witnessed Assault, Kidnap, harassment multiple attempts at false joinder and i believe her mobile phone was taken for a short period? <https://www.5gmediawatch.com/post/police-constables-create-duress-notice-of-performance-headed-off-at-the-pass> She gave a conditional offer of value which it appeared finally the Constables accepted and removed her with force from the vehicle after attempting to prevent the serving of the lawful document's. Lanc's CC may receive a large invoice?
Another Lancs team member had the documents so the serve was successfully completed.

We are also aware that Lee Garrett was prevented from delivering documents as he now has a warrant for his arrest, we need to find out what the crime is and who was the victim and who signed or gave authority for the warrant?

If the crime is to deliver lawful documents identifying TREASON we have some major issues in our Police force to address.
We've identified through video footage, that many constables/ officers aren't aware they are acting under Admiralty, Talmudic, Babylonian and Roman Laws to date and bringing laws of the sea on to the land?

Hopefully you fully comprehend we are asking our Police Forces to do their jobs correctly and the case studies identify how the United Kingdom economy is being taken down by external forces working within Government at both a Local and Central level.

As you will be fully aware MPs have a Private Criminal Prosecution case against them from Michael O' Bernicia seeking Justice for The People of The United Kingdom. <https://www.thebernician.net/private-criminal-prosecution-moves-to-final-pre-court-stage/>

MP Mike Kane has already made his position clear after events in Portcullis House, Westminster 16.10.18 and will be dealt with using the evidence to hand through the Common Law Court process.

Id like to add at this point that a 108 page International Criminal Law - Common Law Indictment has now been raised against ALL parties that have acted unlawfully and continue to do so in assisting with the crimes of Genocide and Crimes Against Humanity that will be brought against all that participate in this exercise. Matt Hancock should be the first to be arrested following this process.

Ignorance is NO excuse in Law. Document Linked: <https://www.5gmediawatch.com/post/international-common-law-indictments-boris-world-leaders-royalty-businesses-banks>

We still look forward to meeting and finding out your true position or each Constabulary's position in this Criminal exercise by parties operating for The City - Crown Corporation through its Masonic and Common Purpose links.

We wish to work with the Police in resolving this criminal activity, this process will identify those who are working to their Oath of Office and those who are working alongside the TREASONOUS Government.

Have a good weekend, we will continue serving the documents and completing the process. Thanks

I have placed your name as the primary contact as you have already received the PDF copy with Links to evidence and source materials for review while information exchanges were made with Police liaison Officer Jack Roth of Avon & Somerset. Jack we appreciate you responding, I mean this sincerely.

Ian, I'd like you to make sure that your colleagues at Chief Constable level, UK wide, all receive the attached document. This is important for every man, woman and child in the UK.

This country has not been in this position to my knowledge for decades, if at all in its long history.

We hope we can get a speedy resolution with our Police Forces working alongside the people and making the necessary steps for all our safety and that of our families.

We know exactly who runs the criminal operations and that Treason has and is taking place.

We've done the research over years in some cases and have the experience, be it financial, technical, medical and data necessary to quickly resolve the issues we now face.

We want our Police forces to make the right decision and commence the critical thinking required to identify and investigate, identify the facts from fiction.

The question for yourselves is, should you work with a treasonous Government or work with the people under your Oaths of Office and provide the service and respect our Police Forces once had.

I look forward to meeting you with professional representatives, some copied enabling us to resolve the immediate threat we are all exposed to.

I've placed and linked some extracts of the immediate threat on a post for clarity. Those fellow officers that may not be aware of the energy weapons deployed and cancer causing street lighting nationwide can easily become informed by reviewing the linked content.

Those parties who have made this carefully planned intended attack on the people of this country over time, have spent our time and our money/ credit and energy in creating a disguised weapons system or mechanism masquerading as a Telecommunications solution that alongside the intended Nano particulate vaccine solution will result in millions dying unnecessarily as experienced in Wuhan.

This will be an act of Democide or Genocide and your officers and frontline workers will be impacted too. You are now all aware of what is taking place.

We can stop this if we act swiftly. I look forward to a positive response from each region and we can make these lands safe again.

We are prepared to meet at your earliest convenience. Thanks

Kind Regards
