M19 Legal Team, Keith Townend, GMP's Stephen Watson,
 Copying Katie.

We, lucjan-domanski & bruce-robert: lamb, attended the Magistrates Courts today at 2.15pm for 3pm with two witnesses to find that the case was not listed. Given i had been in on Monday 10th to confirm attendance on today the 13th no one had stated the 13th had been cancelled but it transpired that lucjan had received other dates but no NOTICES of cancellation for today had been received. The desk or reception confirmed no listing for today and the date moved, no cancellation NOTICE sent or received by lucjan. Receipt of attendance received by way of a copy document of new date now in our possession.

Please confirm to both parties by email and in writing with a signature/ autograph and name of the GMCA claimant that the new date will be 24th February 2022.

All existing requests for Exhibits A-K to be logged as evidence should be read and reviewed as we have questions for GMCA/ GMP and the man or woman making the claim on the subjects of.

1. Exhibit A & B comprehension leading to Human Rights, Constitutional Rights, Inalienable Rights violations against lucjan domanski man BC/21/391337.
2. Exhibits A-K, GMCA breaches of terrorism laws 2000 - 2006 Parts 1 & 2
3. Exhibits A-K, Peer Reviewed Papers Isolating SARS COV 2 - No Virus No Test No Contagion, provides evidence to the contrary. Crime number 6029679/21 lists 22 cited crimes.
4. Exhibits A-K, Crime Number 6029679/21 - ICC OTP-CR-473/21. Please provide GMCAs risk assessments completed to enable Heavy Metals in Vaccines/ Bio Weapons to be rolled out alongside Electro-Magnetic-Wave (EMW/ EMF) generating platform 5G - 4G LTE across Greater Manchester: <https://www.speedtest.net/ookla-5g-map>
 5G plus Heavy Metals in Vaccination now proven Bio Weapon delivery as all Chief Constables informed in We The People Case Study 5 delivered through Local Council sustainability goals in keeping with EU/ UN/ WEF/ CCP/ Great Reset strategy to Kill the Creditor and Balance The Books. This is in terms of the Rothschild document Silent Weapons Quiet Wars. Commenced 2nd June 1953. <https://www.we-the-people.co.uk/part-2-case-studies> Agenda 21/2030 being the end date in their plan.

We hope the magistrates giving themselves the extra time by this date will be fully conversant with exactly what is taking place being asymmetrical warfare with a view to Democide. lucjan nor i subscribe to supporting these UK Government endorsed and implemented terrorist technologies and policies.

If not familiar we would recommend contacting The Metropolitan Police immediately for confirmation that an act of UK Government terrorism has taken place endorsed by local Councils UK wide. Crime number 6029679/21.

Greater Manchester Police have been reluctant to act across the last three Chief Constables since October - December 2020 to date and this will be addressed independently through another level of enquiry. Mancunians will have died needlessly due to this lack of action and failing to record the crime number requested pre vaxx/ bioweapon delivery.

The intelligence gathering has been with GMP since 18.04.2021. We The People, Project Elephant was delivered 20.10.20 - 22.12.20 un rebutted which stands a truth in law.

Treason has taken place within Westminster and GMP and other UK Constabularies failed to act to protect the Greater Manchester and wider UK public.

Likewise on the subject of arrest warrants as per todays Magistrates Court copy document we expect these to be raised against those parties within GMCA and GMP for breaches of the Nolan principles. <https://www.gov.uk/government/publications/the-7-principles-of-public-life/the-7-principles-of-public-life--2>

We look forward to discussing on the 24th February 2022 at 1.30pm. Courtroom 01.

Yours faithfully..

Dear Sir, Madam, M19 Legal Team, Magistrates.

Copying Katie. Thanks Katie.

Please see mail trail. Unfortunately we had the wrong email address in order to get soft copy document sets across 19th December 2021. Hopefully Stephen Watson GMP Chief Constable will have attempted to get these across in good time?

I confirmed the correct mail addresses with Katie yesterday 10.1.22 at the Magistrates Court Crown Square Manchester. Hardcopy key documents sent Royal Mail Tracked and signed for to Andy Burnham and Keith Townend fao M19 Legal Team, received 7.1.22 by 1.38pm both parties.

Reference Cases 062100580467 - 062100580408 LUCJAN DOMANSKI / KATE & LUC CAFE LIMITED.

Crime: Travelling to Wales?
Victim: GMCA?

Confirmation and signed documents required confirming man or woman making the claim.

Please see mail trail so as in order not to repeat ourselves. Thanks

Enabling you to get the full picture and not the incorrect narrative put forward by the UK GOVERNMENT and controlled media. Initially please refer to Lawyer Doctor Reiner Fuellmich's latest announcement on the legal framework being put in place to enable indictments of key officials linked to terrorist activity against the men and women of the Sovereign Nations implemented or delivered within the UK through WHO, GAVI/ GATES FOUNDATION/ EU/ UN/ CCP/ UK GOVERNMENT/ NHS and local Governments UK wide.

Whether referred to as the Cabal/ New World Order or similar reframing them simply as international terrorists at this point seems the best method of recognition. UK Acts and Statutes are in place for guidance on how we should address these people/ men/ women and those who carry out their doctrine.

This is the Dr Reiner Fuellmich's led analysis, summary that now has been referred to as The Corona Investigative Committee or Nuremberg 2.0 by many.

A good appreciation of the International nature of how this terrorism is delivered. Video by Tim Gielen's MONOPOLY - Who owns the world?
<https://youtu.be/ruigMHQE21Q>

In the light of the crime number 6029679/21 raised by Met Police supporting Dr Reiner Fuellmich analysis and others please review before the 13th so we are on the same page.

Details are in the linked exhibits and specifically documents Exhibit A and Exhibit B of Lucjans subset data from Intelligence gathering file with Greater Manchester Police INT/06A1/0004545/21. The data is also available via 5GMediawatch.com post for speed of viewing:

Please accept these files as part of the evidence we will be referring to on Thursday 13th 3pm. All Exhibits A-K are listed in Exhibit A Page 5 as a table. Exhibit B Part 2 Page 33, lists the emails and Crime numbers raised by the Metropolitan Police 6029679/21 and the Crime recorded at the Hague, International Criminal Court OTP-CR-473/21.

My analysis in Exhibit B and Exhibit H is lent to the subject matter after proving HMRC and HM Treasury involvement in taking down the UK economy covered up by various parties in the Finance, Regulators, Legal and UK Policing framework also MPs and members within APPG Banking in Westminster. Investigation commenced 2007, Conclusion 16.10.2018 - 30.11.2018. This is also in the evidence bundle to support International Financial and Economic Terrorism by agents of Foreign operators, delivered by International CORPORATIONS against the UK public.

In order for Luc to get his message and position across as best possible i will need to be sat next to him working to templates as English is not his first language and he does have some hearing difficulties.

Many thanks for your prompt attention to reviewing this data prior to 13th January 3pm.

Kind regards

Dear Sir or Madam,

M19 Legal Team.

On calling Manchester Magistrates Courts on Friday 17th December around 1530 and speaking with Arran to ascertain the victim and charges re Cases 062100580467 - 062100580408 also to note that the documents sent to FICTION : LUCJAN DOMANSKI and his BUSINESS: KATE & LUC CAFE LIMITED were not signed or autographed by Keith Townend,

Arran responded that wed have to mail the M19 Legal team Monday to identify the victim and a full explanation of the charges levelled also who by and have the paperwork corrected to include the signature.

A CORPORATION cannot make a claim as it is a DEAD entity. Arran initially said the victim was the Council a CORPORATION.

GMCA, please identify the Man or Woman making the claim? We now know speaking to Arran that the charge i'm informed is: Travelling to Wales?

It stated this on the received document but if you can identify the full regulation and source link that would be helpful. This is for both cases 062100580467 - 062100580408.

This seems a little strange as Luc was in Burnage on this date and the business is at a fixed geographical location in Manchester, England.

If you can expand fully on these charges and provide more detail on the man or woman bringing these charges it will be easier to respond fully and support him with this case.

At Luc's request and agreement I've offered my assistance as his agent and confirmed this is acceptable with Arran.

Arran said i would need no further supporting paperwork to confirm my assistance.

If you can confirm and respond fully to both parties, that would be appreciated. Thanks.
