**CO/01083/21**

Reference: I refer to the correspondence which was emailed to the Economic Crime Unit.

Dear E. Almond/ Sir/ Madam/ Police Constable?

Thanks for your email. Please expand on the complaints referenced CO/01083/21 what specifically are you closing down as a complaint?

We have an intelligence gathering file awaiting a crime number with GMP, this is related also to Trafford, GMCA and of national importance to all. This email will be PDF'd and placed in that intelligence gathering file.

This is Prima Facie Evidence for forthcoming genocide/ democide Nuremberg 2.0 trials:

Reference : **INT/06A1/0004545/21: Collateral:** [https://1drv.ms/u/s!ApCwWYml\\_p2DhvlIVcBwSeuOb6WhDw?e=Z7N6fh](https://1drv.ms/u/s!ApCwWYml_p2DhvlIVcBwSeuOb6WhDw?e=Z7N6fh)

This cannot be closed or refuted as its now confirmed as genocide/ democide through bio weapon / vaccination of Nano Particulates - Metals - Tungsten, Mercury, Aluminium mixed with Hydrogel (Swabs) and 5G / LED EMF toxic poisoning from Cell Site/ Urban Radar/ Street lighting, see the report on the swabs and linked slide decks within Prima Facie Evidence pack. Copies signed for with GMP: <https://www.5gmediawatch.com/post/gmp-genocide-report-int-06a1-0004545-21>

It's the combination of toxins that's the killer. It's planned.

Many Doctors and Scientists globally also the World Doctors Alliance are now unified on this point. It has a financial angle too at HM Treasury level.

<https://www.saveusnow.org.uk/covid-19-vaccine-is-a-biological-chemical-weapon-not-a-vaccine/>

The economic crime unit has been copied on emails to Trafford as we informed Trafford of 5G cell arrays and LED lighting causing EMF poisoning since 2019, this is a fact. It's the trigger.

We also told the Police but they closed the reporting sessions down?

This has been captured for evidence moving forward? <https://www.5gmediawatch.com/post/the-police-report-2-follow-up>

EMF toxin interaction with the vaccine/ bio weapon content, the common denominator to the issue, will be found in previous research linked to finance and ECU's involvement in a cover up of Cyclops 1146/12.

This was all part of the taking down of the UK economy. It leads back to HMRC and HM Treasury. The job was done for yourselves, I did it. Sent John Glen my invoice, still unpaid.

MPs fully informed by 16.10.2018, Portcullis House. Research from 2006/7 was copied to the ECU and GMP amongst others till 2012?

Case study 4 please review. <https://www.we-the-people.co.uk/part-2-case-studies>

The current financial aspect is the cashing in on the death of men, women and children from a hoax pandemic, research Sovereign Wealth Bonds. This you need to discuss with HM Treasuries, John Glen MP copied. Unfortunately this tack of Police cover up has been taken before and the MP's are witness to the take down of the UK economy aspects but failed to act responsibly or in good time. The evidence was made available. You need to speak with Mike Kane MP, Heather Buchanan APPG Banking Exec Director and Kevin Hollinrake MP, all copied amongst others holding evidence of the economic statements and data passed over in 2018. Other MPs that need interviewing are listed here: <https://votes.parliament.uk/Votes/Commons/Division/988#ayes>

They are probably all on NOTICE of Liability from one group or another as we have a national problem linked to a WEF global reset, which unfortunately includes genocide for those taking the vaccine/ bio weapon. Mike Kane is directly involved in the events dated 16.10.18 to 30.11.18. As he refused to ask questions of John Glen in the House of Commons as instructed by Heather Buchanan. It's all linked.

England & Wales Chief Constables were also informed October to December 2020: <https://www.we-the-people.co.uk/>

Can I have the name of the Police Constable under Oath that has made this decision please to close an investigation not a complaint. The victims will be piling high shortly

This is evidence in what will be the largest catastrophe to mankind and it's taking place now and will get worse very soon. Please make yourselves familiar with all the issues tabled for the safety of all concerned.

Please provide the name of the Police Constable under oath that has made this key decision as they are now covering up criminal activity and genocide.

Chief Constables are fully aware of the consequences. Video footage of document serving linked to We The People - Project Elephant linked
