Curtis, GMP Police - Manchester

I'm launching the COVID Criminals App shortly. Please read the following information.

<https://qr.cr/m/cc101/>
<https://qr.cr/qr/V2T1/>

This assists honest Police Men and Women or Constables under oath with a conscience and the British Public in identifying initially the MP's that are "COVID Criminals" and those in Public Office guilty of Malfeasance, Misfeasance or Nonfeasance.

COVID Criminals App use will extend into Professionals, Businesses, Doctors, Police, all who are complicit in the genocide and New World Order/ World Economic Forum/ UN/ EU, UNIDROIT Agenda 21/2030 control methods, that we are now witnessing in breach of human rights.

You have been given the evidence at many levels from many sources and case studies by [We-The-People](#) during 2020. "Ignorance is NO excuse in Law"

This data will assist with the New Nuremburg Trials that will follow around the world under Common Law. Dates to be announced later in 2021.

Within the Admiralty/ Statutes legal world [Reiner Fuellmich's work is available to see and linked](#) - this is NOT a Conspiracy Theory but now a harsh reality that we are all witnessing.

A Nazi style, T4 modern day eugenics environment created and funded at Banking and Corporate level promoted by Government. All major parties, both Central and Local Governments are involved.

Our UK Police forces unfortunately have followed the Treasonous Government narrative and not followed their oath through misinformation and corrupt line management.

The documentation delivered and process completed during 2020 confirmed the level of corruption at the Chief Constable level and above.

The App will allow those who wish to record crimes with NPCC FOI for attention of Martin Hewitt, as your existing system of Police crime reporting is a complete failure as indicated to Sherry Traquair Freedom of Information Officer. NPCC.

The existing national crime reporting system is broken and its operators been proven immoral.

Your emails will have to be kept for a minimum of 6 years but given the severe nature of the offences including Genocide and Democide id suggest longer.

NPCC were selected as they are the body who represent Chief Constables and supposed to bring efficiencies to Policing in the UK, also address centrally acts of terrorism.

This is confirmed terrorist activity by Corporates, Banking and Government against the people.

<https://www.app.college.police.uk/app-content/information-management/management-of-police-information/retention-review-and-disposal-of-police-information/#crime-or-offence-related>

Retain for an initial six-year clear period, followed by subsequent five-year clear period reviews.

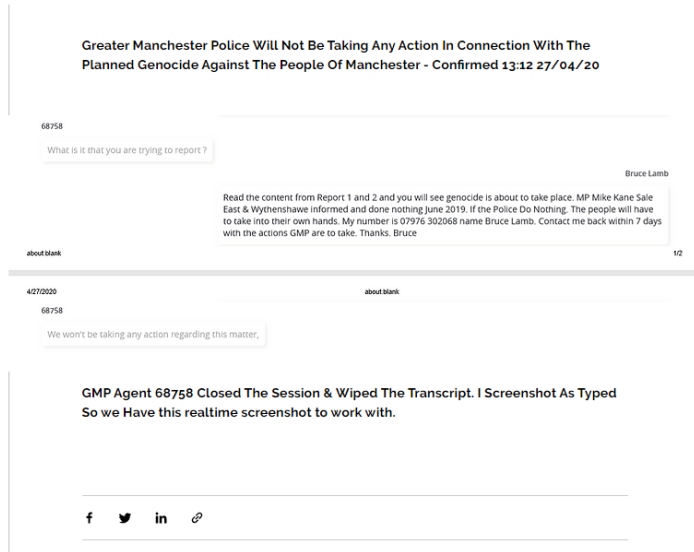

Either review and risk assess after a six-year clear period or carry out time-based disposal depending on force policy.

Please read your business rule base.

From personal experience attempting to report 5G/ Vaccination/ Bio Weapon Genocide to GMP online and having the chat sessions closed down was an interesting lesson in how the system really operates, identifying fraud, Police and MP cover ups (Cyclops 1146/12) i am well versed in what has taken place as are APPG Banking.

<https://www.5gmediawatch.com/post/the-police-report-2-follow-up>

I have the experience of knowing when criminal activity is being covered up both personally and in a professional capacity when previously undertaking projects in the Corporate World on behalf of the Banking sector?

Data as per the screenshot above would NOT have been available for a Freedom of Information search so we have to mitigate the identified failings of the Police in covering up these crimes against the people of the UK.

Please make sure that all emails forwarded to NPCC FOI are kept as evidence and place against these a single Crime Report number that i will obtain from GMP via your email. 67064@gmp.police.uk I will start the process.

My paperwork was handed into GMP 20.3.2021 im waiting for Crime Report numbers now. I will follow this up: <https://www.5gmediawatch.com/post/world-freedom-day-20-03-2021> (Video evidence within the post) or repeat the exercise if necessary.

COVid Criminals wont describe the full scope of what criminal activity is taking place but it is the most appropriate mechanism for making sure that the audit trail of emails is maintained as evidence as we progress toward both legal and lawful solutions.

The CoronaVirus/ COVid 19 experience has identified and outed the guilty parties across many criminal activities.

In time this will possibly be seen as the most appropriate mechanism to out the guilty parties once their level of involvement is fully understood and all the evidence is collated for criminal charges.

The so called Pandemic has allowed COVid Criminals to have fallen on their own sword. Thanks

Dear Sherry,

We are all in distress and some for many years as the existing Police Crime reporting system is NOT working by design.

I've experienced this personally in the finance sector therefore had a head start on identifying the Criminals. Hence Cyclops 1146/12 identified the cover up mechanism within Police, SFO, ECU and financial regulators/ HMRC/ HM Treasury, John Glen copied.

Unfortunately we are presented with a set of events unique in our history that it is the Police Forces job to investigate and rectify but due to senior Police being manipulated and totally controlled the country is now in a state of economic, health and welfare/ medical meltdown.

This is now genocide, happening NOW!!

You have been informed, we need you and other law abiding Police Constables to act following your Oaths of Office.

This is terrorism and it is being covered up by your existing Police reporting networks, under orders from on high within your structure. Mark Sexton ex Constable confirmed.

I will call you today and yes, take this to a superior in your force possibly Martin Hewitt or Priti Patel, i will talk direct but we are putting in a reporting solution. NOT being fobbed off.

We will bring witnesses should a meeting follow, we need crime reports and we've done the investigations, have the evidence so the job is easier for you.

I feel internally you will be given an excuse as we have witnessed that in the world of UK Policing it is totally broken and needs remedy from external parties NOT from within.

Your Chief Constables have failed totally in doing their jobs as indicated by ex force members.

Now is NOT the time for any of us to state its NOT my responsibility or develop sloping shoulders as this wont wash, lives are at stake all ages and walks of life including Police Constables.

NPCC is the Governing body for Chief Constables.

With NPCC being the governing body and you responding whereas other Chief Constables (Your members) failed to respond including Ian Hopkins to the lawful process during 2020 we need to act swiftly to prevent total carnage and further loss of life.

Some Constables agreed with what we were doing but couldn't publicly align themselves as their jobs were at risk.

We have a problem to solve, many of the criminals we have identified and its within your NPCC operations remit to deal with terrorist activity that is having a National Impact. This is such activity.

This is your footer - Your Title. You cant do your job correctly as your NOT getting ALL the raw data. Read on.

We're going to start sending these crimes to you as you will then be able to identify immediately where the problem is within your organisation. Its at Chief Constable and above where the cover up is taking place.

As Freedom of Information Officer and Decision Maker you will have the data direct so therefore can act and bring a speedy end to the problems experienced by all in the UK.

Examples provided in the 42 page document passed to ALL Chief Constables England and Wales and the process followed on the site [We The People](#) from last year.

Here is just one example of your existing system NOT working: <https://www.5gmediawatch.com/post/the-police-report-2-follow-up>

If you read the Police transcript above. I'm reporting 5G/ future Vaccine genocide which we are now witnessing and GMP are closing the session, therefore i cant report a crime. NO CRIME NUMBER GIVEN?

This has also been reported to Mike Kane MP who had already covered up the greater Financial Fraud in NOT asking questions of John Glen in The House of Commons dates: 16.10.2018 - 30.11.18. His letter response is in the same post.

He recently voted for further COVid powers something that he wasn't alone in supporting the [Asymmetrical War Criminal Matt Hancock](#). <https://votes.parliament.uk/Votes/Commons/Division/988#ayes> This is a financial and genocide attack on the UK population.

This is a so called Virus (Bio Weapon - COVid 19 xx) that no one can isolate, 46 Countries have tried?

Please read No Virus - No Test - No Contagion if not fully aware of what is taking place. Linked below.

Telling me to report crimes to local Constabularies wont work as they are controlled. [They even wipe the evidence of a Crime Report see 68758 transcripts 27/4/2020.](#)

Talk later today. Thanks

I am only able to assist you in relation to the FOI legislation on behalf of the NPCC. Dear All, Sherry,

Received previous mail from Mark - Save Us Now - I wasn't copied or did not see the response, now i will respond. Mark, thanks for the heads up.

Sherry I will call you tomorrow 14.04.2020 as we need the Police to do the job they are paid to carry out. Under Oath.

As it stands we are looking at misconduct in public office and similar crimes being committed by UK Police Forces nationwide, Chief Constable and above and Police Constables breaking the law following false instruction sets from their chain of command.

To date the Police have not performed and we have proof to this end from the work undertaken by many 2019 - 2020 and prior as case studies reflect in part 2 We The People.

The lawful addressing of the issues presented has been loosely referred to as Nuremburg 2.0 these are being planned now, lists are being drawn up and crimes will be punished. We are all witnesses and there is much footage and testimonies to go from.

Mark Sexton - Ex Police Constable talks - Listen to what he says: https://video.wixstatic.com/video/2c6f37_a546fdf8cb9f4a738702dbbcaa1cb025/480p/mp4/file.mp4

Ignorance is NO excuse in law and genocide is at play here, make no mistake on this point.

Mark Steeles response below spells it out very clearly what is taking place. We have made ourselves available to start sorting this mess out but been ignored so far.

If the Police at NPCC level choose to ignore what is happening The People have to look at alternative lawful remedies. This was made perfectly clear in 2020.

How the Police want to handle the volume of calls and email crime reports direct to NPCC you will need to sort out internally as a National Process or Strategy.

This helps you identify the source or root cause. We know the source and root cause but it would appear local forces cant or wont deal with the real issues. Again, this helps you.

We are taking this line of action after zero response to crime reports and criminal activity that is being covered up within your Constabularies nationally, by design.

The terrorist activities of Government are being exacerbated by corrupt or easily manipulated Senior Police Force members, this will be sorted out.

Again listen to Mark Sextons plea, it is only a matter of time before it breaks into something that none of us want but those who control Government would be pleased to witness, that being the total breakdown of UK society and absolute chaos, worse than the current fabricated situation.

We can stop this if dealt with immediately. Again, listen to Mark Sexton: https://video.wixstatic.com/video/2c6f37_a546fdf8cb9f4a738702dbbcaa1cb025/480p/mp4/file.mp4

I look forward to talking and for this country to start making headway in draining our swamp.

This has been a necessary step to out the criminals, which is what we all require. I'm texting you my number.

At some point this situation will visibly start to turn in the UK, lets make it today or tomorrow. Thanks

Subject: Re: NOTICE OF CRIME AGAINST HUMANITY - BARRY TROWER TETRA REPORT

Dear all

To make everyone clear on what is happening and for the avoidance of doubt. Misconduct in public office carries a life sentence. The prima facie evidence shows that what is occurring is an asymmetrical war orchestrated out of China. Promoted by Bill Gates and the WEF Great reset agenda using a bio chemical weapon development (Vaccine) to cause the premeditated murder of 55 million in the United kingdom as the intelligence documents confirm by 2025. The Virus is just a cover for the biological damage from the weapons Tungsten Nano particulate contamination that is activated in the magnetic fields of the Chinese 5G. See attached. Tungsten Nano particles are toxic to biology.

Covering up Genocide and the support for domestic and foreign terrorists who are responsible for this known Chinese terrorist attack on this country are all indictable crimes under current legislation. Its crucial for the gathering of evidence against the actors who are supporting this crime so that they can be brought to justice in due course. The wilful breach of duty for inaction and Non investigations of this genocide agenda have already been evidenced after a IOPC

appeal was upheld against the Police for the none investigation.

The best way forward is to uphold the law without fear of favour and bring the criminals behind this evil to justice.

Mark

Hi Fiona,

Responding on Behalf of Sherry Traquair - Make sure the message is circulated to all Chief Constables across the UK.

Sherry is the nominated primary Chief Constable UK contact after Ian Hopkins GMP was removed 18.12.2020.

Unfortunately all Chief Constables have failed in their duty to take action and process Crime reports as evidenced during [We The People project 2020](#). This is a major UK Police failing.

The Police we have now confirmed are supporting a TREASONOUS Government. <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>

From the NPCC website, What We Do And Why: <https://www.npcc.police.uk/About/AboutNPCC.aspx>

[We The People](#) are now helping you coordinate National Operations as the UK Government is a confirmed terrorist operation - this we have provided case study evidence for:

<https://www.we-the-people.co.uk/part-2-case-studies> You have senior staff members unfortunately that are corrupt and have broken the law.

Failing to act identifies you are also supporting terrorist activities against the men women and children of the UK. <https://www.legislation.gov.uk/ukpga/2000/11/section/15>

From your NPCC key functions: Some of the biggest threats to public safety are national and international.

We have a collective strength by coordinating the operational response across forces.

Crime is changing and so are citizens' needs and expectations of policing. We're constantly adapting and reforming to keep people safe.

Public confidence and support is essential. We're always striving to improve the way we work and learn from when things go wrong to build people's confidence in us.

It's more important than ever that our service is efficient and effective providing best value for money.

"The command of counter terrorism operations and delivery of [counter terrorist policing](#) through the national network as set out in the Counter Terrorism Collaboration Agreement"

Serving and ex Police in the UK are now recognising they are acting illegally and unlawfully and there will be consequences to your lack of ability to Police the UK effectively and maintain the laws of this land. Ex Policeman Mark Sexton has confirmed what many others are now discussing when we are talking direct with a number of Police Constables:

<https://www.5gmediawatch.com/post/my-government-wouldn-t-do-that-would-they-yes>

We are making your job easier. Even your own are now beginning to wake up and identify an internal problem so id suggest you start doing the job you have been paid to do as at Chief Constable and above there is a major problem. Be it Common Purpose, Masonic or Deutsche Verteidigungs Dienst. G02 in Whitehall.

I suggest you go over a selection of the data we hold to identify where the problem is in [your organisation](#). With thanks to Action 4 Justice sources, Mark Steele and courtenay-adam-lawrence and our Project Elephant and We The People teams from 2020.

As Mark Sexton states, wake up to what's going on as many will now start to know the full story, [misfeasance and malfeasance in public office are serious offences for public officials under oath](#).

If you still refuse to provide a Crime number Ive copied Greater Manchester Police 67064@gmp.policeuk who I believe is Curtis.

The app emails will still be sent to the NPCC central location as you know where the problem is and you are in denial of resolving this in an [effective manner and quickly](#).

Your delay in acting will cost further lives.

Email on the App: <https://qr.cr/m/cc101/> QR Code: <https://qr.cr/qr/V2T1/>

Curtis please contact Sherry Traquair or Fiona and decide who is going to provide the Crime Report number for this and future reports the public will send from National locations.

I am still waiting for my Crime Report Number submitted 20th March 2021. I have the criminals at each stage of the re-investigation i carried out of Cyclops 1146/12 and Government officials and MPs involved in the cover up. Its the same guys that are COVid Criminals so we have a significant amount of evidence already to cover and the overlaps are many.

The evidence in the main will be 5G, BioWeapon/ Vaccine and Finance related which all fall under the crimes against humanity as the plan is a mix of fraud, financial theft and genocide to take down the UK economy and kill the population using Bio-Weapons and Radiation (5G), then cash in on the Sovereign Wealth Bonds (HM Treasury - John Glens department).

NPCC can sort out the National process as its a National problem and the problem starts in Government from a Public office criminal offence perspective.

Your first point of call to speed things up will be the MPs who recently identified themselves as COVid Criminals: <https://votes.parliament.uk/Votes/Commons/Division/988#ayes>

This was a big mistake on their behalf, but this is what you find when looking for criminals they fall into traps of their own making:

<https://www.5gmediawatch.com/post/no-virus-no-test-no-contagion-a-revisit-a-question>

Remember: The NPCC brings police forces in the UK together to help policing coordinate operations, reform, improve and provide value for money.

This is what they, you, are paid to do.. Its on your website.

This is now your job, do not try and evade the task of arresting the criminals. We now have the evidence and did your investigative jobs for you.

Crime Report.

FAO: Sherry Traquair, FOI NPCC.

Action4Justice copied.

Sherry this is my COVID Criminal crime report and id like a Crime Number for it please. This i feel will be the first of many for you.

I've attached the mail from the 7th April for reference although its in the email trail. I will be contacting the NPCC office later today for my crime report number.

It would help though if you could provide by return email, it speeds up the process. Thanks.

Some further evidence is linked below and confirmation of the fraud at both a financial and medical levels which somewhat highlights the genocide/ democide intent.

This is a fraction of the supporting evidence as we are all aware.

Content is also [linked here as evidence](#) but will be identified for simplicity and doing your duty as a Public Servant/ Service under oath, thus making UK Policing more efficient.

GMP Northampton Road copied 67064@gmp.police.uk - Curtis. Please can you get my crime report number for 20th March 2021. Thanks.

FOI Greater Manchester Combined Authorities copied. Please make sure Andy Burnham is aware as he is ultimately responsible for crime levels in Greater Manchester, December 18th 2020 identified this fact and the reason Ian Hopkins was "early retired" is that crimes were being reported and nothing done, that was the official narrative.

My MP, copied here Mike Kane - Sale East & Wythenshawe knows the full Government handlers plan but chose to keep quiet and allow thousands and what will eventually be millions to be genocided. He isn't alone. I have the supporting evidence, so does he.

Fortunately Mike and 483 other MP's kindly voted and identified themselves to continue the fraud and genocide and provided their details for ease of Police in criminal processing.

This link can also be found on the [COVid Criminals app](#) under the blue pictures symbol, line 2 second in.

Its linked to the Government website: <https://votes.parliament.uk/Votes/Commons/Division/988#ayes> so it must be correct? This is evidence, don't let it be removed.

The app makes it easier for the Public and Police to recognise a COVid Criminal and Police to do their jobs more effectively alongside this knowledge now passed to you.

COVid Criminals wont be limited to Politicians but also those in public office failing to do their duty be they Police, Councils or Corporates committing fraud and genocide against the UK public.

Unfortunately they have been leveraged into this line of work by The City Bankers and their UN/ EU leaders.

1. Why we know this is fraud and genocide: <https://www.legislation.gov.uk/ukpga/2006/35/section/3>

Mike Kane & APPG Banking were fully informed of the coming financial collapse by 16.10.2018, now known as the World Economic Forums Great Reset by his/ their handlers.

Mike was further placed on NOTICE of 5G/ Vaccine/ Bio Weapons impact and the death toll that would follow. He's voted to continue the controlled Rothschild Banker Government mandate and Bio Weapon rollout. He refused to ask questions of John Glen Treasury Minister in The House of Commons 30.11.18. The Government were aware in advance of initial side effects as the Bio Weapons are designed to harm.

Hence tendering for AI software in advance to handle a high level of adverse reactions.

The MHRA urgently seeks an Artificial Intelligence (AI) software tool to process the expected high volume of Covid-19 vaccine Adverse Drug Reaction (ADRs) and ensure that no details from the ADRs' reaction text are missed.

We know also the Bio Weapon posing as a vaccine was the real intention behind the CoronaVirus Hoax as there was NO pandemic.

Lets hope you do, now that you have the proof required to act and sort out the mess before more people are harmed or murdered. We've now created a tool to make things simpler.

The Bath veterans incident referenced later will need explaining to a wider audience in time i feel. Use the intelligence we have brought together to do as your strap line states, your current strategies are costing peoples lives.

All UK Police forces are currently complicit in varying levels of misconduct in public office at Chief Constable and above. Established 2020 <https://www.we-the-people.co.uk/>

You've received the evidence and have done nothing, intentionally. Unrebutted affidavit - Truth in Law 22.12.2020: <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>

To date Police are assisting Government in a massive cover up operation along with many MP's, Councils, APPG Banking, HM Treasury, HMRC, Sir Ian Burnett (Lord Chief Justice) and other complicit corporate UK traitors that will be publicly outed.

Article 7 International Law Rome Statute Page 9 NOTICE OF CRIME AGAINST HUMANITY. Attached is a PDF copy. Hard copies with GMP and HMRC shortly. VE985094102GB to BX91AS

Note: You can be publicly named, shamed and prosecuted by the subject of your manipulations, this goes for all the UK public which did stand at around 66 Million 2020.

To date April 7th 2021 this will be considerably less and possibly millions less in 4 -14 Months time when the Government sponsored NHS deployed Bio Weapon takes full effect.

This is Government sponsored Banking/ Corporate financed criminal activity, Police protected genocide/ democide, please deal accordingly, you have all the evidence.

Proof of physical document delivery to GMP 1.3.2021 receipted 67064@gmp.police.uk : <https://www.5gmediawatch.com/post/notice-of-crime-against-humanity-22-02-2021>

This communication is primarily focused as a Crime Report and a follow up for the Greater Manchester Police to events on 20/3/2021 67064@gmp.police.uk (Curtis?) copied.

67064 (Curtis) please provide an update on my crime report delivered 20/3/21 as I haven't received a crime report number and we are now on 7th April 2021.

This can be done by return email to this email address.

Please make sure a Constable under oath is made available to get the full details and re open the fraud investigation Cyclops 1146/12, we now have the bigger picture and all the parts of the construct to hand, this now includes murder through medical intervention under Government directive.

<https://www.5gmediawatch.com/post/world-freedom-day-20-03-2021>

I will come into GMP Northampton Road to give my witness testimony/ statement, we now know the key players, the job is done for you at a cost.

John will take care of the bill being admin/ trustee on the Cestui Que Vie Trust. See mailed docs.

The full details of the financial crime I reported, reference Cyclops 1146/12 are with GMP, Kevin Hollinrake MP and APPG Banking's Heather Buchanan, meeting witnessed by Mike Kane MP and James Ventress 16.10.2018 Portcullis House, Westminster, this was documented from 2007.

This is key sample evidence on how the UK economy was being taken down gradually from within, using mortgage backed securities on off plan properties that were overvalued by design against a delivered end product.

This went unchecked and overlooked by design, by regulators and the plan was initiated by the Rothschilds Banking Cabal and HMRC/ HM Treasury, Civil Servants into the BoE hub and spoke banking network.

John Glen and his department are complicit, this was covered up by APPG Banking 2018, by Police from 2007 and eventually Mike Kane MP Sale East & Wythenshawe helped confirm the Westminster cover up of the white collar crime syndicate.

Mike Kane didn't ask questions of John Glen in the House of Commons as requested by Heather Buchanan APPG Banking Exec Director meetings 16.10.2018 & 30.11.2018 as its televised.

He'd have blown his cover and ruined the finale' COVid 1984 event, we are all experiencing now. This is detailed in [Silent Weapons Quiet Wars](#) among other publications.

John Glen's team are implicated in the cover up at an FSA/ FCA regulatory capacity throughout the process. HM Treasury and HMRC are dual collaborators of the crimes in the UK via manipulated Government parties lead by the Rothschild Cabal.

This was confirmed by ex MP Amber Rudd's communication 15.11.2019 to Katy Bourne OBE - Sussex Police and Crime Commissioner [We The People Part 2 Case Study 4](#)

This email is also confirms as part of the plot, energy weapons deployed in 5G mast Arrays and LED Street lighting infrastructures that needs to be addressed as a crime report <https://bit.ly/3dbsVfR> <https://www.we-the-people.co.uk/part-2-case-studies>

Marks slide deck attached from Oldham event 2019. All England and Wales Chief Constables previously informed.

Please review further expert witness testimony confirming what Mark Steele has been telling us from day 1 - This is a radiation attack, it affects Police too but possibly quicker as per the Barrie Trower 2009 report handed into GMP 1.3.2021. Reference Tetra Airwave units on body kit.

Previous communications to GMCA and Trafford Borough Council via FOI GMCA requests were given the run around and eventually pointed the finger at GMCA involved in 5G and LED deployment through EU/ UN directives.

This will be dealt with separately in the great reveal as the COVid Criminals UK are hauled in for justice either by Police under oath or those who see it their public duty to do what the Police have failed to carry out which is a gross neglect of their public duty.

Sherry - Call me, lets get this investigation moving in the right direction to save lives. 07976 302068. This includes your own, colleagues, friends families lives also.

This communication is also to make you fully aware of the next stages in alerting the wider public and in turn the Police will be experiencing a greater degree of crime reports placed centrally, directly to the NPCC Police Chief Constables Freedom of Information officer.

This centralised COVid Criminals strategy is to aid or assist your targets by **"helping policing - coordinate operations, reform, improve and provide value for money"** As per your strap line on the web site.

They identified themselves by voting "Aye" to continue the UK Govt/ WHO/ Gates/ Gavi / Rothschild/ Rockefeller eugenics plan and therefore further suffering and deaths of the misinformed, will continue.

Remember 46 Countries cant isolate or purify SARS CoV 2 <https://www.5gmediawatch.com/post/no-virus-no-test-no-contagion-a-revisit-a-question> but these guys voted for more of the same and some for new police powers to be ushered in?

This creates an even greater problem for Police by design. The MP's are bought, manipulated or controlled and misleading the Police by sending them on a wild goose chase or perverting the course of justice in legal/ lawful terms.. This carries a life sentence for those involved under common law.

Sherry you were made the new primary contact for Chief Constables by [We The People](#) after Ian Hopkins (GMP) was retired early 18.12.2020. Are you and the current existing Chief Constables to allow this to happen?

Ian Hopkins was failing or reported as failing in handling criminal activity effectively in Greater Manchester.

Andy Burnham made this decision as dual GMCA leader and GMP Crime Commissioner rolled into one, foxes and hen houses come to mind. The book stops with him, I feel the local GMCA problem starts with him and the leveraged Greater Manchester MP's.

We can now all witness and confirm this activity is across the UK due to control by external forces (UN/ EU) and misinformation and manipulation from Whitehall/ Westminster or specifically Deutsche Verteidigungs Dienst. For those who the war never ends.

I have also attached a soft copy of my invoice to date for doing the job that GMP/ GMCA - (Andy Burnham) MP - Mike Kane, HMRC/ HM Treasury - John Glen failed to do, as they are compromised or bought by the UN/ EU/ WHO - Rothschild Banking Cartel.

Mike Kane this includes you as a co conspirator and an MP/ Public servant. The Conspiracy is now no longer a theory but you are now a confirmed conspirator and collaborator at the centre of the Great Deception or World Economic Forum's - Great Reset. You are a COVid Criminal.

Included in the invoice are costs for harming the man bruce-robert: lamb which others will be able to invoice the Government co conspirators for once they awake to the fact of what is really going on here I'm sure they will require compensating.

Many will want to do this as the funds are there as we know in the Bonds/ Sovereign Wealth Funds.. John this is your department.

There will be a monthly bill also until this Government contrived exercise is terminated and technologies corrected.

This will go to John Glen, the daily and recorded event rates were handed into GMP 1.3.2021 and HMRC will have a hard copy within the post sent today..

Please read confirmation of CoronaVirus/ COVid 1984 being a UN/ WHO Trigger event:

https://apps.who.int/gpmb/assets/annual_report/GPMB_Annual_Report_Exec_Summary_Foreword_and_About_English.pdf full doc attached.

The United Nations must strengthen coordination mechanisms.

The Secretary General of the United Nations, with WHO and United Nations Office for the Coordination of Humanitarian Affairs (OCHA), must strengthen coordination in different country, health and humanitarian emergency contexts, by ensuring clear United Nations systemwide roles and responsibilities; rapidly resetting preparedness and response strategies during health emergencies; and enhancing United Nations system leadership for preparedness, including through routine simulation exercises. WHO should introduce an approach to mobilize the wider national, regional and international community at earlier stages of an outbreak, prior to a declaration of an IHR (2005) Public Health Emergency of International Concern.

Progress indicator(s) by September 2020

- The Secretary-General of the United Nations, with the Director-General of WHO and Under-Secretary-General for Humanitarian Affairs strengthens coordination and identifies clear roles and responsibilities and timely triggers for a coordinated United Nations systemwide response for health emergencies in different countries and different health and humanitarian emergency contexts.
- The United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen.
- WHO develops intermediate triggers to mobilize national, international and multilateral action early in outbreaks, to complement existing mechanisms for later and more advanced stages of an outbreak under the IHR (2005).
- The Secretary General of the United Nations convenes a high-level dialogue with health, security and foreign affairs officials to determine how the world can address the threat of a lethal respiratory pathogen pandemic, as well as for managing preparedness for disease outbreaks in complex, insecure contexts.

On Topic - Related Event - Bath PTSD Farm Incident: <https://youtu.be/Bc9yEoXUCI>

It came to light last week that a farm that was used to assist forces veterans suffering with PTSD was raided by Police OFFICERS - Constables and possibly military, the use of plastic tie wraps as opposed to hand cuffs and Police NOT giving their collar numbers we find suspicious.

Details coming in daily from those who previously delivered [We The People document sets](#) to Avon & Somerset Police.

I've asked them to copy Sherry as a number of forces are involved. Police damage will need to be paid for, keys were provided for locked units but excessive force/ crowbars and small explosives were the preferred tools of choice for access?

We need to comprehend why we are told 10 armed officers initially woke at 5am the owner/ operators of the farm, Jo and Dion.

I'm reliably informed from site up to 200 officers from a number of southern constabularies were involved eventually in an investigation which we believe to date has found nothing but is ongoing?

We are told the original warrant was an anonymous warrant with initials only?

Talking with ex Police Detective Constables there is no such thing as an anonymous warrant and it was only initialed not signed by the judge who now appears difficult to trace?

Sherry, please explain an anonymous warrant and what circumstances an anonymous warrant is used and shed further light on this event.

It appears Priti Patel and her Home Office department could be going rogue on the UK public?

Details as we receive further information will be posted here for reference: <https://www.5gmediawatch.com/post/uk-veterans-ptsd-respite-centre-raided-by-avon-somerset-police-why>

I only reference the event in Bath for context, as such a high Police turnout to find nothing to date and causing damage to property, harm to livestock and the disruption of a beneficial service to ex forces members looking to heal, when you consider that UK Councils, financially leveraged by Banks and Common Purpose with assistance from senior ranking Police Chief Constables have enabled the cover up of Defence Energy Weapon deployment across the UK?

This is now targeting millions of UK men, women and children in what is designed and planned to be the largest mass murder on record has gone without any serious level of Police investigation.
5G Locations: <https://www.speedtest.net/ookla-5g-map>

This is even though we have offered to support to these investigation services since 2019 and Mark Steele before this date. This starts to ring alarm bells as to what are we paying the Police and intelligence services for exactly, who are you actually protecting from what?

Sherry you are about to get very busy in handling crime reports that could have been addressed when first reported by professionals that have submitted evidence to every England and Wales Chief Constable October - December 2020 and in Gateshead by Mark previously.

There is NO Pandemic as is well documented in many areas and the NHS now admit this under a FOI request so why continue to follow the guidelines of a proven [TREASONOUS Government?](#)

Unless you are totally complicit in the genocide plan as a manipulated operation part of the Government confirmed psychological - asymmetrical warfare operation, you are in breach of your oath of office and supporting TREASON.

Failure of Mike Kane MP at the resulting meet on 30.11.2018 in his Office in Wythenshawe to carry out the designated task of questioning John Glen (Treasury Minister) has lead to the hoax pandemic proliferation to be successful in further wrecking the UK economy and then allowing the manipulated Government under EU/ UN/ control to develop and release a Bio Weapon on the British Public. <https://www.saveusnow.org.uk/covid-19-vaccine-is-a-biological-chemical-weapon-not-a-vaccine/>

Who is behind this and Why go to such lengths? I feel that the research of others linked together along with the banking evidence provided to Kevin Hollinrake MP October 2018 (APPG Banking) and Heather Buchanan (APPG Banking) 16.10.2018 Portcullis House Westminster witnessed by Mike Kane MP who failed in his duties to ask a question set of John Glen (Treasury Minister - HMRC - HM Treasury - FCA) thus potentially preventing further economic destruction and now the loss of life that we are now witnessing from a hoax pandemic is key.

These components in reality are asymmetrical warfare with a media misinformation parallel exercise that goes well beyond the realms of being unscientific and against advertising standards best practice.

In truth these are acts of misrepresentation of the scientific facts, Government misinformation on advice to the public, terrorism and genocide covered by Nuremburg Code, various Human Rights Acts and UK Terrorism Acts 2000 - 2006. All involved in this misinformation, delivery and cover up will be exposed and dealt with through the correct channels. <https://www.5gmediawatch.com/post/torah-amalek-kabbalah-covid1984-5g-gentile-goyim-destruction-zion>

At the time in his office in Wythenshawe 30.11.18 Mike Kane called me a conspiracy theorist and of being antisemitic in nature, i pointed out i had Jewish friends but they were NOT killers, this we can see is now the fact from the words of Rabbi's that condone genocide for historical religious ends and it is being carried out against many western nations ultimately through 5G and a Bio Weapon marketed as a vaccine as we in the west, as most non Jewish nations are considered "Amalek".

Piece the information together yourselves it isn't difficult but will save lives if you help stop this mass genocide/ democide through the use of a bio weapon (Vaccine) and 5G implementation.

MHCC i expect you from a hypocritical oath perspective to do the same in the NHS. Lets see if this stops now or a different style of intervention may be necessary.

FOI GMCA please inform Andy Burnham and find attached my billing schedule within Schedule 1 Page 14 NOTICE OF CRIME AGAINST HUMANITY which will commence shortly. This is for harm, loss, bio data capture and injury and will be itemised and back dated using three point estimates where specific dates have not been given from FOIR requests to GMCA. This will be billed initially and backdated then on a monthly or weekly basis moving forward to GMCA's Andy Burnham in a private capacity or those deemed responsible and accountable through investigation.

GMCA being the local controlling influence as determined by communication between Trafford MBC members and GMCA team members 2019 to date. GMP and HM Government departments HM Treasury/ HMRC FSA/ FCA covered up the economic destruction of the UK economy and infrastructure as recorded and evidenced by fraud case Cyclops 1146/12

Dr Sherri Tenpenny confirms the full negative health impact will be a matter of weeks and months away from delivery of the confirmed bio weapons - Vaccines. <https://www.bitchute.com/video/tHgHE7VUsDm/> US specialists believe 4-14 Months or immediately adverse effects as recorded in VAERS. <https://vaers.hhs.gov/data.html>

Mike Kane MP - Sale East - Wythenshawe please act on the information presented as knowing what is really taking place as you do, you now know more than most in the House of Commons that this is confirmed economic terrorism and genocide. Ive explained to you from 16.10.18 onward through emails and meetings.

I will draw your attention to a response to NPCC FOI Decision Maker - Sherry Traquair who has had the message drilled home that the UK Government is now clearly involved in Genocide and in breach of the Nuremburg Code. Both Medically through Medical Genocide (Bio Weapon - Vaccine) and Technically through LED Street Lighting and 5G Kill Grid implementation UK wide. A plea from Dr Vernon Coleman and other supporting [Professional Medical Evidence](#) clearly now proves that Local Government Joint Ventures along with NHS staff will be tried as War Crimes.

All those involved in the administration and cover up of this programme to delivery are culpable, be they Doctors, Nurses, Administrators, Corporate Officers, Police, Politicians who have been forewarned ([We The People Project - email stage and gate updates](#)) or placed on NOTICE as have Dr Manisha Kumar, Mike Kane MP, Andy Burnham GMCA leader who removed Ian Hopkins 18.12.20 as Primary Chief Constable in our Police Chief Constable Communication strategy?

The principles established by this code for medical practice now have been extended into general codes of medical ethics.

The Nuremberg Code (1947)

Permissible Medical Experiments

The great weight of the evidence before us to effect that certain types of medical experiments on human beings, when kept within reasonably well-defined bounds, conform to the ethics of the medical profession generally. The protagonists of the practice of human experimentation justify their views on the basis that such experiments yield results for the good of society that are unprocurable by other methods or means of study. All agree, however, that certain basic principles must be observed in order to satisfy moral, ethical and legal concepts:

1. The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. This latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment, the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.
- The duty and responsibility for ascertaining the quality of the consent rests upon each individual who initiates, directs, or engages in the experiment. It is a personal duty and responsibility which may not be delegated to another with impunity.
2. The experiment should be such as to yield fruitful results for the good of society, unprocurable by other methods or means of study, and not random and unnecessary in nature.
3. The experiment should be so designed and based on the results of animal experimentation and a knowledge of the natural history of the disease or other problem under study that the anticipated results justify the performance of the experiment.
4. The experiment should be so conducted as to avoid all unnecessary physical and mental suffering and injury.
5. No experiment should be conducted where there is an a priori reason to believe that death or disabling injury will occur; except, perhaps, in those experiments where the experimental physicians also serve as subjects.
6. The degree of risk to be taken should never exceed that determined by the humanitarian importance of the problem to be solved by the experiment.
7. Proper preparations should be made and adequate facilities provided to protect the experimental subject against even remote possibilities of injury, disability or death.
8. The experiment should be conducted only by scientifically qualified persons. The highest degree of skill and care should be required through all stages of the experiment of those who conduct or engage in the experiment.
9. During the course of the experiment the human subject should be at liberty to bring the experiment to an end if he has reached the physical or mental state where continuation of the experiment seems to him to be impossible.
10. During the course of the experiment the scientist in charge must be prepared to terminate the experiment at any stage, if he has probable cause to believe, in the exercise of the good faith, superior skill and careful judgment required of him, that a continuation of the experiment is likely to result in injury, disability, or death to the experimental subject.

Hi Sherry,

The NPCC as a body will be interested from a Health and Welfare perspective of its staff and have a duty of care to its members. Informing Police Constables, Chief Constables of the impact of being injected with an untested COVID 19 Vaccine.

The linked data in posts is evidence that The Police Chief Constables and NPCC have been informed of a breach of the Nuremburg Code. <http://www.cirp.org/library/ethics/nuremberg/>

The impact of Tetra microwaves on Nano Particulates as they are within the vaccine content will bring on Hypoxemia related issues in an accelerated fashion in many Police Constables .

In the US the VAERS (Vaccine Adverse Effect) data that should be available in the UK is NOT.

The UK Government are hell bent on using our Police Forces as Guinea pigs before the 5G EMF levels are raised, not only that they have given you false information and instruction on the Corona Virus ACT.

<https://www.independent.co.uk/news/uk/home-news/coronavirus-act-unlawful-prosecutions-review-uk-a9516566.html>

All prosecutions under the new **Coronavirus** Act have been unlawful, a review has found.

The Crown Prosecution Service (CPS) revealed that all 44 charges it had so far checked had been withdrawn or overturned.

Those wrongly convicted include a woman who was **fined £660 after being stopped while "loitering"** at a railway station in Newcastle.

Read Barrie Trower's report on Police Tetra microwave specifically delivered then ignored by Police Authorities, Government and Local Councils June 2009.

Make yourself aware of what the mRNA based vaccines will do to Police Constables DNA and act before its too late. They will no longer be human.

We've communicated through the [We The People Project](#) of the Risks, TREASON and Commercial Take Down of the UK ([Unrebutted affidavit - Truth in Law 22.12.20](#)) to all England & Wales Chief Constables, but now the Police forces need to be vigilant for themselves.

I've copied Courtenay Heading as he's delivered the message to the Isle of Man Police (Video 1.2.21) and this is recorded in the second post. All Police Chief Constables have been forewarned. NPCC forewarned. A number of MP's and subject matter experts copied.

Both the NHS/ Local Council joint ventures that are delivering untested COVID 19 Vaccines are now in breach of the Nuremburg Code.

The Data samples from the US show instant Deaths in a number of COVID Vaccine cases. These tests on humanity should be stopped.

This is Genocide - Democide and the Police have been targeted next. Daily Mail frontpage.

You need access to the vaccine adverse effects register for the UK from the MHRA/ NHS, for your Constables, so do we for the people. The Govt wont make this data public.

Read the posts, comprehend the full picture, watch Courtenay addressing the IoM Constable, act to save your Constables before they are vaccinated.

Courtenay's document ([No Virus, No Test, No Contagion](#)) should be read and the videos watched if this issue is not understood fully. Thanks

It is unclear to me what recorded information you are seeking.

Part 1 seems to be requesting a 'NHS Dada adverse effects register' and I would be grateful if you could confirm you are requesting whether the NPCC holds this information.

Parts 2 and 3 do not appear to be requesting recorded information from the NPCC, but for the attention of someone called Zac (Part 2).

I am unable process this request further until I have received confirmation from you as to the exact records / information you seeking from the NPCC in order for me to initiate retrieval processes.

No inference can be made that information does or does not exist.

If I have not received a response by 01/03/2021, an inference will be made of your FOI withdrawal.

With kind regards.

Subject: Re: CDC Data - MHRA Data Requirement - FOIR GMCA - MHRA - NHS - Adverse Effects Register

Dear All, Chief Constables, NHS Manchester - GMCA FOIR - MPs.

Linked videos supporting the genocide democide claim and information supporting the specific targeting of the Elderly and now the younger generation through the lure of Health Passports to enable access to Pubs Clubs back to a normal life etc.

<https://beforeitsnews.com/health/2021/01/warning-this-is-urgent-you-your-families-life-depends-on-seeing-this-must-video-3037470.html>

<https://www.bitchute.com/video/xmkLRGRk2YCu/>

The links between historical events and a misinformed public is strong. Misrepresentation, Deception, Manslaughter will follow.

The information relating to Microwave impact on the vaccine is further supported within this post: <https://www.5gmediawatch.com/post/global-vaccine-passport-blair-health-passports-your-risks>

Barrie Trower Report: <https://www.5gmediawatch.com/post/police-teachers-next-hancock-bollox-5g-vaxx>

As stated by Dr Rashid Buttar this is the greatest atrocity against man that has ever been committed in recorded history and only the stupidity of the human species will allow this extinction event to continue.

Freedom of Information Requirements:

1. Freedom of Information Request. Access to MHRA - NHS Data adverse effects register by file ID - NO Names. As the US provides raw data so should the UK for the general public to make an educated decision on taking COVID 19 vaccines.
2. The Vaccination programme in Manchester is being run through a JV within Manchester Council (GMCA) and NHS teams. This is a possible starting point for holding or access to this data. The same will be for the other major UK Cities and NHS health teams. Zac please provide the data requested via the GMCA JV.
3. Vaccinating the Front line services Nurses, Police, Teachers is a strategy to remove key infrastructure operatives and evidence reporting mechanisms. Police will feel the impact first as the Tetra Units are microwave devices fitted to their body kit. Nano particulate (Metals) frequency resonance factors will kick in.

The [We The People Project](#) through the un rebutted affidavit being Truth in Law proved we have a TREASONOUS Government supported by Banks, Judiciary, Local Councils, Police at a specific level and above carrying out the false narrative of that TREASONOUS Government.

Unfortunately if the Police Do NOT comprehend what is taking place they will be among the first in active society to witness the extinction process among their own members.

Having witnessed first hand at Trafalgar Square 2020 all three events, the following of misguided orders by baton wielding City of London, Met Police and Private Security businesses to protect an ideology of eugenics against those giving professional medical views to families, the madness of UK Government became self evident.

Just Following Orders, just shutting down businesses, just implementing rules based on unscientific myths, just taking a vaccine that is effectively a bio weapon will now lead to the demise of those who take the shot if not immediately within short timescales. Estimated 4-14 Months.

Do NOT participate in breaches of the Nuremburg Code as Just following orders is NOT a valid response as a limited number of Nazis found out 1945-6 https://en.wikipedia.org/wiki/Nuremberg_trials : <http://www.cirp.org/library/ethics/nuremberg/> The madness of 1939 is witnessed today. <https://www.bmj.com/content/313/7070/1416.full>

I look forward to gaining access to the UK data sets required to substantiate adverse reactions against COVID 19 vaccines - bio weapons, posing as a health product. Any NHS vaccine programmes should be stopped as they are in breach of the Nuremburg Code based on US evidence already available.

The Police will also need this FOIR data to support the criminal activity that Government, NHS Corporates, Funded Research Groups and UK Councils have engaged in. Thanks

Find attached a CDC Adverse Death report and linked further data in respect of COVID19 Vaccination and Deaths released in the United States supporting the genocide democide agenda.

As stated previously the impact of microwaves will be quicker for those Police Officers wearing the Tetra system and Barrie Trower's report was made available to you.

Please make sure this information is shared with your fellow Police Constables as I believe they are at Risk of Harm from the combined impact of an untested vaccination is now breaching The Nuremburg Code.

Causes of Death would be Hypoxemia, Hypoxia and brought on by rapid microwave radiation poisoning due to nano particulates - lipids in the vaccine or as per the adverse event descriptions attached.

Read the CDC USA Adverse Event Descriptions. New data from Mark Steele, copied, received and you are now informed also the NPCC.

This is to prevent further harm to the population of the UK and our UK Police forces.

GMCA FOI Officer Please inform Andy Burnham after terminating Ian Hopkins appointment 18.12.20.

His replacement will need to protect his Constables - OFFICERS. Please watch the content and read the reports below:

I've placed information that will be relevant to maintain the good health of your POLICE OFFICERS and Police Constables whichever title they wish to associate with.

Also tie together the final pieces of the investigation you would have needed to identify the true criminals. The jobs done for you. Again.

Taking the Daily Mail headline 20.01.21 in reference to Teachers and Constables being the focus of the next phase of vaccination.

The vaccination will terminate life on the increase of microwave radiation and an estimate 4-14 Months life expectancy for those just taking the vaccine. This is the Genocide/ Democide component.

Start to join the dots. It Impacts You and Your Staff.

Read Barrie Trower's report on the Tetra System 2009 (Its A Microwave System) and its links with cancer, the Lipids or Nano Particulate (Metals - Tungsten, Trace Mercury, Aluminium) component of the untested vaccine is a killer in disguise.

The report was kindly forwarded by Defence Energy Weapons expert Mark Steele.

Having metals/ lipids in the system of your staff wearing TETRA Microwave Radio devices will lead to early termination of life - Barrie Trower's report already made the risk assessment and warnings clear. These were ignored.

What the Government are NOT telling you the impact of the System with Metals that will be in your body after vaccination.

This now take on a different dynamic as 4-14 Months life expectancy while wearing a microwave radio device is a different factoring level completely from a health perspective.

This could lead to death in a matter of months with COVID style symptoms as the outcome. <https://www.microwavedvets.com/virus>

The Government Cover Up - Finance Links - Metals Market and Gold Price Rigging.

Here we jump into the analysis of Mark Taylor who i was asked to speak with a number of years ago and we exchanged analysis over time as we both had identified massive fraud.

Mine in the Mortgage and Securities Markets - Marks in the Gold and Silver Rigging markets.

This isnt difficult to see when you are trained in root cause analysis or have it put in front of you. Marks work shows the hold over politicians by Bankers and the Paedophilia connections.

The Police are used to NOT investigate and block the high level White Collar Crime. This we proved through the Dylan Harvey Group - Toby Whittacker investigations linked to Cyclops 1146/12 and GMP's cover up.

Sir Ian Burnett, Lord Chief Justice was copied with the We The People process, due to his cover up of the metals rigging market he is implicated and now exposed as are many in the judiciary.

Chief Constables, Martin Hewitt, the Government we believe are looking to recruit Frontline Health Workers and Police - Media - Adverts etc.

There is NO Pandemic but there is an exercise to terminate life under the cover of a supposed Pandemic.

There is a cover up in the Financial markets and at the core are the The City of London financiers: <https://www.we-the-people.co.uk/part-2-case-studies> Case Study 4. Amber Rudd's letter.

<https://www.5gmediawatch.com/post/the-reality-the-lies-nhs-doctors-speak-wtp-holding-mp-s-police-judges-to-account-clc>

The lives they are now to target are your own Police Constables. This is now self preservation for yourselves.

Hopefully you will now make the right decisions for you and your staff. Thanks

Dear Chief Constables, All,

Copying Andy Burnham, FOI Officer @ GMCA in the absence of Ian Hopkins. Zac, FOI officer GMCA please make Andy Burnham and Councilors aware of the process and outcome.

As the reporting line for Ian Hopkins, Mr Burnham should have been aware as of about 18/10/20 at process start or on receipt of the NOTICE OF OBLIGATION through the reporting line within local Government.

The Affidavit - Statement of Truth window closed for [THE NOTICE OF OBLIGATION](#), providing a timely, full response to our presented documents at 13.30 hours 22.12.20.

No written or emailed responses were received specific to the statements or documents delivered by the people to the Chief Constables of England & Wales, Isle of Man, Northern Ireland.

In support of the corrupt now confirmed TREASONOUS Government we saw an Open Letter from a number of North West Chief Constables and did receive a crime report number (5220243533) from Avon and Somerset, but NOT one from Ian Hopkins as requested. This outcome we expected but needed to be proven by following this process through to the end. This is one of the crimes that we now fully expect Andy Burnham to provide a Crime Report number for in Greater Manchester other Council Leaders UK wide will be expected to do the same.

May we remind you of a few of the Maxims of Law from our previous communications.

All are equal before the law.

An un rebutted presumption stands at law.

An un rebutted affidavit stands as truth in commerce.

An un rebutted affidavit becomes the judgment in commerce

Truth is expressed by means of an affidavit.

A matter must be expressed to be resolved.

He who leaves the battle first loses by default.

False in one thing is false in all.

Ignorance of the law is NO Excuse.

I'm attaching an email i sent to Bruntwood Ltd, my registered office provider. It copied a number of key individuals involved in the process and my journey to date. All of you who have loved ones, families, grand children would do well to review the content as its a working example of how the Genocide/ Democide will take place. 5G Electro Magnetic Fields/ Swabs and vaccines (Nano Particulates) don't mix, they are designed to kill you.

Look to your own Constabulary's and you will find the same scenario whereby Corporations and individuals who are influenced and controlled are allowing the planned murder of those whose welfare and public duty of care you are all responsible for. You have an Oath of Office and now are aware of the Law and this process. Ignorance of the Law is NO excuse.

I will be asking for a crime number from GMCA and GMP and i will be recommending everyone else to do the same. This journey to the truth has just started.

Wishing you all a peaceful Christmas and Truthful New Year.

Dear Ian,

UK Chief Constables, MP's, APPG Banking. All,

Maintaining the email trail for communication and audit purpose. Sir Ian Burnett - Lord Chief Justice copied with complete delivered document set 14.12.20.

Yesterday we commenced the final stage and gate of the lawful process through postal delivery of The Affidavit or Statement of Truth. linked here - Default 3-7 <https://www.we-the-people.co.uk/default-3-7>

Each Chief Constable will be able to track his own Royal Mail delivered copy from the linked post <https://www.5gmediawatch.com/post/affidavit-statement-of-truth-we-the-people>

The final stages of the process i recorded so there is NO excuse for stating its NOT been received or any UK Chief Constable is NOT aware of the process or the fact that this process which commenced for ourselves in July/ August 2020 took place.

For yourselves this commenced 16th October 2020 with the NOTICE OF OBLIGATION ACCORDING TO ENGLISH CONSTITUTIONAL LAW.

The complete process is well documented online, text, video and still images and has seen web traffic across the globe with parallel initiatives now taking place within the Commonwealth, the Canadians, Australians and Kiwi's (NZ) are now following with their own versions.

In the UK a number of those who served documents have lost loved ones during this period or those close to them and felt compelled to take some form of action and we are grateful they gave up their valuable time to do so and play their part.

At the end of the [5gmediawatch.com](https://www.5gmediawatch.com) post linked above an email was copied, this was sent to Isle of Man Police Officers, i entered the content as it is valuable information for you all.

Its the work of courtenay-adam-lawrence:heading who I consider to be a good friend.

He passed three copies of his latest book to an officer Emily Perkins? Also a letter entitled covid criminals - (my emphasis) "NO VIRUS - NO TEST - NO CONTAGION".

There are two videos from leading experienced researchers in the medical area. Tom Barnett and Dr Thomas Cowan.

Id recommend reading courtenay's letter, watching the videos and make the decision you feel in your heart as to how you lead your individual Police Forces.

It is our belief that you have either been mislead by a corrupt TREASONOUS Government or leveraged through circumstances that each one of you know about personally.

The NOTICE OF OBLIGATION and the process is a lawful process. The UK's NOTICE OF OBLIGATION lawful process is completed by The Affidavit - Statement of Truth.

May we remind you of the following Maxims of law. These are not the complete list as there are many but these directly link to the process we-the-people.co.uk have followed and relevant to this communication.

1. All are equal before the law
2. An un rebutted presumption stands at law
3. An un rebutted affidavit stands as truth in commerce
4. An un rebutted affidavit becomes the judgement in commerce
5. Truth is expressed by means of an affidavit
6. A matter must be expressed to be resolved
7. He who leaves the field of battle first loses by default
8. Ignorance of the law is no excuse

In supporting courtenay's content once again i will draw your attention to the following pieces or evidence highlighting there was NO PANDEMIC and we are looking at a media frenzy based upon a TREASONOUS bought Government.

<https://www.gov.uk/guidance/high-consequence-infectious-diseases-hcid>

https://peerlessreads.s3.us-east-2.amazonaws.com/CvFNF_GovtKiller.mp4

<https://plandemicvideo.com/>

As a business analyst myself used to finding issues in business and enabling company turnarounds and performance improvement witnessed by MP's and APPG Banking officials copied 16.10.18 Portcullis House Westminster.

Evidence had been provided to Kevin Hollinrake MP identifying the economic take down of the UK economy with Mike Kane MP tasked with asking questions of John Glen Treasury Minister in the House of Commons.

This Mike Kane failed to carry out as is his public duty, it would appear he is compromised. Only Mr Kane will know why he took the course of action he did and failed the directives of Heather Buchanan APPG Banking Exec Director.

I leave you with this piece of analysis by a fellow truth seeker from Action 4 Justice Trevor Mealham. <https://youtu.be/Pjj3gmyLTRM>

We do know what is taking place and the existing services paid for through UK public funds and Council taxes are no longer fit for purpose.

We do communicate and will resolve many of the economic crimes that are being covered up within the existing legal system.

The overall cost of economic decline and crime is now with those responsible in public office under oath and those who cover up the criminal activities. This goes for both medical and financial.

Further analysis and Court De Jure's will decide individuals outcomes.

Please check your post for your Affidavit - Statement of Truth, a 7 day timer has now commenced. Thanks

In accordance with Companies House Requirements for: **GOVERNMENT UK LIMITED** : Company number **05522373**, **Objection to a dissolution**.

11. Objecting to a company's dissolution

Any interested party can object to a company's application to be struck off the register and dissolved.

An objection can only be considered by the registrar once notification has been published in the Gazette showing the registrar's intention to strike the company off the register at the expiration of 2 months.

It is important to send any objection to the registrar at the earliest opportunity after publication of the Gazette notice and at least two weeks prior to the notice expiry date.

11.1 How and why objections are made

Reasons for objection might be:

- the company has broken any of the conditions of its application (for example, if it traded, changed its name, or become subject to insolvency proceedings during the 3 months prior to the application, or afterwards)
- some form of action is being taken, or is pending, to recover any money owed (such as a winding-up petition or action in a small claims court)
- the directors have not informed interested parties
- any of the declarations on the form are false
- other legal action is being taken against the company
- the directors have wrongfully traded or committed a tax fraud or some other offence

A full list of conditions can be found in [section 1004](#) and [section 1005 of the Companies Act 2006](#).

In most instances, you should make your objection in writing. The safest and quickest way for an objection to be considered is by emailing enquiries@companieshouse.gov.uk. Send your objection by post to the dissolution section. You must include supporting evidence.

Contact our enquiries department on 0303 1234 500 if you can't send an objection by post.

Personally i have provided evidence of Criminal Activity that was traced to HMRC and HM Treasury by 2017 - 2018.

This was passed to APPG Banking's Kevin Hollinrake MP October 2018 resulting in meetings in Portcullis House Westminster 16.10.2018. The outcome, questions should have been asked of John Glen Treasury Minister, this was prevented by the actions of MP Mike Kane. 30.10.18

Over a number of years 2006 to date, similar evidence has been collated where Criminal Activity has lead to the economic deterioration and now destruction of the UK economy, linked to those who have been involved with UK Governments 05522373 activities.

Much of this recent activity is recorded during Theresa Mays and Boris Johnsons terms as Prime Ministers. This has a readily available audit trail that we have collated and recorded. Others will have the GAP data to 1970's.

We have commenced a [NOTICE OF OBLIGATION](#) process highlighting TREASON and [7 \(Seven\) case studies](#) where we believe allowing these acts of financial terrorism have in part brought down the UK economy. This should be investigated by the Police Chief Constables of England and Wales.

To date only Avon and Somerset have provided a Crime Report Number on receipt. Thanks again Jack Roth.

Reading the documentation and using my judgement as a Business Analyst and Project Manager with experience of exposing financial criminality having had this done to myself in 2006/7 and witnessing a cover up (GMP - Cyclops 1146/12), i believe I'm well placed to see the larger picture and identify the criminals behind the crime. Looking through the documentation set linked with the DS01 it would appear that those who control the Government through the nominated representative "Laird James Coutts" are looking to steal the asset base of the people of the United Kingdom through stealth?

I believe by reviewing the documentation sets provided within [We The People](#) which not only identifies the TREASON and examples of White Collar Criminality of those associated with 05522373.

This last piece of documentation on the Companies House web site not only confirms that the 5G/ Vaccine Genocide intention is planned (to kill or harm the owners of the property/ assets), but the final objective is to clean out the asset base of [We The People](#) if this is NOT stopped and investigated thoroughly.

The less people around to object the better for those linked to benefit - The Crown or Crown Corporation?

An international panel of Common Law Judges sat recently highlighting the International Criminality. Combined Intel linked here: <https://www.5gmediawatch.com/post/international-criminal-code-indictments-the-outcome>

I do believe we have uncovered another aspect of intent to this criminal activity in the documentation on the Companies House Website.

Please make sure that 05522373 is NOT dissolved and a Criminal Investigation should commence through UK Police Forces. Thanks

Dear Ian,

Manchester's was receipted on Monday 30/11/20 by Constable 71918 at GMP HQ Central Park. 1400 Hours approximately.

It has become self evident that UK Chief Constables are NOT aware of the Lawful Process or in total denial of their responsibilities to act when criminal activity such as TREASON is reported that is taking down the economic and social fabric of the United Kingdom.

This is economic Terrorism and will be dealt with accordingly through the lawful process. The International Lawful process has commenced: <https://www.5gmediawatch.com/post/international-common-law-indictments-boris-world-leaders-royalty-businesses-banks>

The lack of Chief Constables Lawful knowledge has been highlighted by the request from Staff Officer [Gill Cherry's response](#) on behalf of Cumbria's Chief Constable - Michelle Skeer, who stated "Cumbria Police will be taking no further action in relation to your correspondence"

The job of the Police and the Chief Constables to our comprehension is to deal with Criminal Activity, this is what they are paid for (Via Council Tax) and unfortunately in the Case Studies provided, serious crimes have been reported on more than one occasion over a number of years.

Nothing has been done of value by those who are meant to maintain law and order also keep the peace? We have proven cover ups within the UK Police forces and more recently witnessed Police Constables or Officers kidnapping our team members.

For clarity of the case study issues reported please have each Chief Constable re read the 42 Page document on <https://www.we-the-people.co.uk/>

NOTICE OF OBLIGATION ACCORDING TO ENGLISH CONSTITUTIONAL LAW this can be downloaded again here: <https://www.we-the-people.co.uk/download-pdf-version-master>

In the past i have done the job for you on the Mortgage and Bank Securities Fraud that was covered up in part by GMP all the way through to Westminster, proven 16.10.18 - 30.11.18 - Mike Kane MP Sale East - Wythenshawe needs to be brought in for questioning in relation to this cover up.

Once again please find the "Breadcrumbs" that lead to the root cause if you read and follow the guided path of research, analysis and experience and NOT the instructions of the Genocidal Psychopaths in Westminster.

Protocols of the Learned Elders of Zion (Point 6) is a bit of a give away when read and I've placed the points you need to put together in order 1-6 for ease of understanding and root cause analysis to find the source criminality.

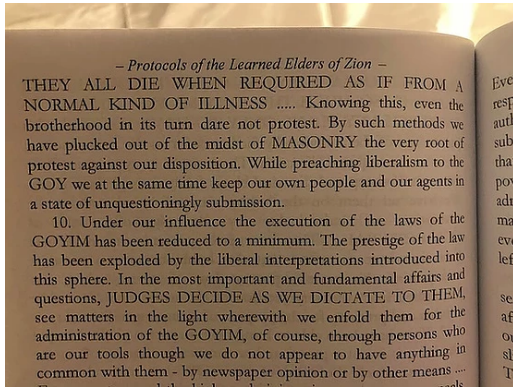

Read in conjunction with [Section 2 Case Study 5](#) <https://www.5gmediawatch.com/post/cops-robbers-murders-rip-off-a-nation-banks-control-police-judiciary-councils-mp-s>

The following text specifically identifies the modern day kill mechanism (5G Kill Grids installed in UK Major Cities under UK Govt instruction) of the 5G EMF - Hydrogel Swab - Covid 19 Vaccine combination to commit Genocide ([See section 2 Case Study 5](#)) .

Microwaved vets <https://www.microwavedvets.com/virus> helps clarify.

It does state quite clearly in the Learned Elders of Zion text that their **"Agents Are Kept in Submission and Judges Decide as They are Dictated to"**.

This is why we refer to your Oaths of Office and point out that a man or woman cannot serve two masters within our delivered texts: <https://biblehub.com/matthew/6-24.htm>

As stated previously we have Medical professionals, Technical experts and Financial Analysis teams that are available if you really need to understand what is taking place. That facility is still open.

If you align yourselves with the TREASON and Genocide then a Common Law Court Du Jure will determine the outcome as per Default 2-7 the latest delivered stage. <https://www.we-the-people.co.uk/default-2-7>

For clarity on the lawful position (Please Note Cumbria CC, Michelle Skeer) - an unrebutted affidavit stands as truth in law.

5.) AN UNREBUTTED AFFIDAVIT STANDS AS THE TRUTH.

(12 Pet. 1:25; Heb. 6:13-15;)

6.) AN UNREBUTTED AFFIDAVIT BECOMES THE JUDGMENT IN COMMERCE.

(Heb. 6:16-17;).

<https://www.5gmediawatch.com/post/woody-s-statement-of-truth-chief-constables-default-2-7-the-solution-is-in-our-hands>

To date we have had NO responses that actually address the TREASON and crimes placed at your door. We have received a crime number from Avon and Somerset but NOT from any other parties.

Asking us to stop the lawful process is an invalid response should any of the other Chief Constables think this is an appropriate measure.

Sir Ian Burnett - Lord Chief Justice - England and Wales will be receiving the document set complete for his review.

Given the quoted text above i suspect i know the response. **"JUDGES DECIDE AS WE DICTATE TO THEM"**.

We look forward to completing the process shortly then we can start the repair job in earnest. Thanks

Dear Ian,

Please make sure ALL Chief Constables are aware of the attached document P1 - Performance, Title in Full: NOTICE TO COMPEL PERFORMANCE. Served 14th - 20th November.

Some will NOT have been received as yet as will be explained later in this text, please make sure ALL UK Chief Constables receive their PDF copy. Thanks.

<https://www.we-the-people.co.uk/performance1-14>

We have received a single Crime Report number from Jack Roth - Avon & Somerset, copied. Again thanks to Jack.

The core driving issue behind this course of action is TREASON and this should NOT be dismissed or ignored by our Police Chief Constables. Our Country is under attack economically and now physically with the [hoax pandemic](#) claim.

I have NOT received a crime report from yourself, Ian as yet? Cyclops 1146/12 should never have been closed by GMP, it helps identify an approximate £1.8 Trillion Bank securities fraud run out of The City of London impacting All within the UK, this is when the investigative work is completed thoroughly. This criminal activity is further confirmed by Amber Rudd's letter to Katy Bourne, Police & Crime Commissioner for Sussex. Page 33 NOTICE OF OBLIGATION. <https://www.we-the-people.co.uk/download-pdf-version-master>

There are many more crimes linked to 5G and the unlawful vaccine and testing regime we have now entered into. The Corona Virus Act is written in DOG LATIN, NOT- ENGLISH and is a counterfeit document as mentioned previously.

We are also aware of the Connections between Chief Constable, Andy Marsh (Avon & Somerset) and Common Purpose from intelligence gathered by the Action 4 Justice team and Trevor Mealham's investigative work on behalf of the Lloyds signature fraud team and a number of bait and snatch cases which now number into the thousands. This will increase as the [Pandemic Hoax](#) is played out by Boris De Pfeffel Johnson and his pro EU - UN - Common Purpose team.

On this note reviewing an ex radiographer's testimony will help further sort fact from fiction, <https://www.5gmediawatch.com/post/the-truth-the-whole-truth-nothing-but-the-truth>

5G EMF's and Hypoxemia is the cause of the identified disease, not a cold or flu virus. <https://www.5gmediawatch.com/post/a-man-with-credentials-speaks-dr-harkinson>

The Common Purpose - Criminal Activity connection can be previewed in The Matrix document linked to the NOTICE OF OBLIGATION delivered both physically and as a PDF.

Also here as a video: <https://bit.ly/36RQlnz> Trevor Mealham provides the high level analysis

It came to our attention that during the serving of Lawful documents by our [We The People](#), Lancashire Constabulary Team, an attempt was made to prevent the NOTICE OF PERFORMANCE from being delivered by a number of Police Constables (Officers) and viewed live by more than two thousand witnesses? Whether Ain'e takes this further will be up to her.

I witnessed Assault, Kidnap, harassment multiple attempts at false joinder and i believe her mobile phone was taken for a short period? <https://www.5gmediawatch.com/post/police-constables-create-duress-notice-of-performance-headed-off-at-the-pass> She gave a conditional offer of value which it appeared finally the Constables accepted and removed her with force from the vehicle after attempting to prevent the serving of the lawful document's. Lanc's CC may receive a large invoice?

Another Lancs team member had the documents so the serve was successfully completed.

We are also aware that Lee Garrett was prevented from delivering documents as he now has a warrant for his arrest, we need to find out what the crime is and who was the victim and who signed or gave authority for the warrant?

If the crime is to deliver lawful documents identifying TREASON we have some major issues in our Police force to address.

We've identified through video footage, that many constables/ officers aren't aware they are acting under Admiralty, Talmudic, Babylonian and Roman Laws to date and bringing laws of the sea on to the land?

Hopefully you fully comprehend we are asking our Police Forces to do their jobs correctly and the case studies identify how the United Kingdom economy is being taken down by external forces working within Government at both a Local and Central level.

As you will be fully aware MPs have a Private Criminal Prosecution case against them from Michael O' Bernicia seeking Justice for The People of The United Kingdom. <https://www.thebernician.net/private-criminal-prosecution-moves-to-final-pre-court-stage/>

MP Mike Kane has already made his position clear after events in Portcullis House, Westminster 16.10.18 and will be dealt with using the evidence to hand through the Common Law Court process.

Id like to add at this point that a 108 page International Criminal Law - Common Law Indictment has now been raised against ALL parties that have acted unlawfully and continue to do so in assisting with the crimes of Genocide and Crimes Against Humanity that will be brought against all that participate in this exercise. Matt Hancock should be the first to be arrested following this process.

We still look forward to meeting and finding out your true position or each Constabulary's position in this Criminal exercise by parties operating for The City - Crown Corporation through its Masonic and Common Purpose links.

We wish to work with the Police in resolving this criminal activity, this process will identify those who are working to their Oath of Office and those who are working alongside the TREASONOUS Government.

Have a good weekend, we will continue serving the documents and completing the process. Thanks

Dear Ian,

I have placed your name as the primary contact as you have already received the PDF copy with Links to evidence and source materials for review while information exchanges were made with Police liaison Officer Jack Roth of Avon & Somerset. Jack we appreciate you responding, I mean this sincerely.

Ian, Id like you to make sure that your colleagues at Chief Constable level, UK wide, all receive the attached document. This is important for every man, woman and child in the UK.

This country has not been in this position to my knowledge for decades, if at all in its long history.

We hope we can get a speedy resolution with our Police Forces working alongside the people and making the necessary steps for all our safety and that of our families.

We know exactly who runs the criminal operations and that Treason has and is taking place.

We've done the research over years in some cases and have the experience, be it financial, technical, medical and data necessary to quickly resolve the issues we now face.

We want our Police forces to make the right decision and commence the critical thinking required to identify and investigate, identify the facts from fiction.

The question for yourselves is, should you work with a treasonous Government or work with the people under your Oaths of Office and provide the service and respect our Police Forces once had.

I look forward to meeting you with professional representatives, some copied enabling us to resolve the immediate threat we are all exposed to.

I've placed and linked some extracts of the immediate threat on a post for clarity. Those fellow officers that may not be aware of the energy weapons deployed and cancer causing street lighting nationwide can easily become informed by reviewing the linked content.

Those parties who have made this carefully planned intended attack on the people of this country over time, have spent our time and our money/ credit and energy in creating a disguised weapons system or mechanism masquerading as a Telecommunications solution that alongside the intended Nano particulate vaccine solution will result in millions dying unnecessarily as experienced in Wuhan.

This will be an act of Democide or Genocide and your officers and frontline workers will be impacted too. You are now all aware of what is taking place.

We can stop this if we act swiftly. I look forward to a positive response from each region and we can make these lands safe again.

We are prepared to meet at your earliest convenience. Thanks

Kind Regards
