England & Wales Chief Constables, MP's, Police Constables, Medics, All.

So total silence for over 7 days from GMP, ECU and GMCA on whose responsible for attempting to cover up the intelligence gathering file and progressing to a crime number. Interesting state of affairs for those acting in the public interest?

2775936 - FOIR REQUEST.

This i feel will have to be a crime report within a crime report to get results. That can wait as we have the evidence.. in abundance.

We now have the names of those creating the blockages within GMCA and GMP but as mentioned before those higher up in the line of command will ultimately also have to be held to account such as Andy Burnham and his Masonic brotherhood.

This would be the same for all Chief Constables I feel given the control that Common Purpose and Freemasonry have within your ranks.

We've expanded the analysis on the financial/ fraud side thanks to Action 4 Justice also added the Cyclops 1146/12 materials to the "Body of Knowledge" that is [INT/06A1/0004545/21](https://www.5gmediawatch.com/post/illuminati-break-ranks-impact-5g-jabs-n-stabs-the-genocide-agenda)

Your Oaths of Office of Do No Harm for Doctors and Medics and Police Constables under Oath needed to be maintained and adhered to but in many cases i feel this will be too late for those who your oaths apply as they will have died.

I've placed a few linked articles here as there would appear to be a change in tack or breaking of ranks within those who control you and therefore I've put them together so you cannot say we were not informed.

<https://www.5gmediawatch.com/post/illuminati-break-ranks-impact-5g-jabs-n-stabs-the-genocide-agenda>

Within the post there is reference to a contract for the [collection of bodies for Greater London and a whistleblower](#) who has had talks where 200,000 bodies per week may have to be collected and stored. This will be 5G - BIO WEAPON related.

II.1.4) Short description

The Authority seeks to procure a framework agreement for temporary body storage in the event of an excess deaths situation for the 32 London boroughs and the City of London, led by Westminster City Council. The framework agreement will appoint a single provider and will be for a period of 4 years. This will be a contingency contract, only called upon in the event that an excess deaths situation arises in the future and existing local body storage capacity needs to be augmented.

There havent been excess deaths to date as there was no pandemic just media hype and the FOIR and data held reflects this in the intelligence building file. INT/06A1/0004545/21. Confirmed October 2018 this was a takedown of the UK economy.

I started thinking about putting this piece together after my recent experience in Wythenshawe Hospital with my mum. Age 93 with dementia who had a fall and experienced a fractured shoulder as a result.

She had been in various parts of the Hospital since May 12th. She recently went back in after rolling out of bed as they wouldn't provide sides for the bed and their policy was to attempt to get her into a nursing home, then asset strip.

Knowing that this would be possibly the last chance we would see her with UK Government policy moving toward total lockdown and job everyone linked with the care industry, this had to be stopped.

Three Doctors plus two nurses in the last few days refused to take the Genocide reports from me indicating that DARPA Hydrogel and Vaccine content contained toxins and were Bio Weapons.

I received another call from a Doctor who shall remain nameless as i respect her view although misinformed as she has been programmed by [Public Health England \(PHE\) who are now proven terrorists and agents of the EU, UN, WEF, CCP.](#)

She had asked again as that my mum hadn't been swabbed or vaccinated, they would like to do this - My Answer NO as LPOA - and again I explained why, but now she was at risk or placed others at risk in their books of Catching COVID 19 (The Mix They are Jabbing You With !!), she was where i left her in an isolation room, confirmed by the Doctor. Fortunately she will be out on Friday 16th but the point is in the main this.

The Medical profession and the Police can no longer think critically for themselves. They no longer have a clue. They Follow Orders - Adolf Eichmann's Nuremberg plea wont cut it, believe me.

They have totally lost control and been manipulated by madmen and women with a genocide or eugenics agenda.

The UK Government was/ has been hijacked for decades if not longer (Battle of Waterloo) and write policy based on lies not science that they make money from, that all these non critical thinkers now follow. Evidence: <https://www.we-the-people.co.uk/>

The Police are protecting those who are facilitating the murder of the UK Public and the Medical profession are jabbing and stabbing the UK population into extinction or at least completing the Satanic Trans human agenda.

Don't you think there will be repercussions for MP's, Medics, Police under Oaths of Office and [The Nolan Principles](#) and [English Constitutional Law](#).

I will leave you with a thought from Andrew Mathers Peerless Reads. Its all about the marketing.

I've attached the [latest response to GMCA](#) who seen to be stumbling over the raising of FOIR (2775936) that clearly identifies Greater Manchester Police attempting to close down the collated evidence of Fraud, Treason, Genocide, Democide held on Intelligence gathering file: INT/06A1/0004545/21, we still need the name of the man or woman that has ordered this to happen.

This i can understand as it does somehow implicate Greater Manchester Police and the Economic Crime Squad in activities in subverting the course of Justice, similar to what Dolores Cahill exposed this last week in Ireland.

This is in reference to the arrest of Garda PC Hugh Shovlin's footage who while preventing a political candidate exposing harm and injury to Men Women and Children also Genocide and Democide, was captured preventing access to a public event.

Dolores had noted irregular activity in respect to suspected vote rigging or tampering with the democratic process. PC Hugh Shovlin criminally, personally, implicated himself by being in breach of his Oath of Office.

This is as many of you copied were made aware during the We The People - Project Elephant delivery : <https://www.we-the-people.co.uk/> is unconstitutional.

We now have a similar set of events with GMP staff and specifically the Economic Crime Squad staff member attempting to close down the intelligence gathering file which identifies criminal activity within Police, Politicians, Councils - Local Government, Central Government. Unfortunately for all those participating in this activity as public servants you are in breach of your oaths, the Nolan Principles and will have to pay the penalty for breaching those oaths.

<https://www.5gmediawatch.com/post/5g-warfare-its-a-blast-its-on-your-high-street-360-isr>

Trafford or GMCA staff members had been rumbled or un nerved by the fact that [5th Generation Warfare](#) techniques were installed or in place and had been signed off either knowingly or unknowingly by themselves or Andy Burnham as many Council leaders will have across the UK. This following piece is from the summary but is indicative of [5thGeneration Warfare](#) or for short [5GW](#) as informed within [We The People case Study 5](#) identified:

“Decision Dominance is the ability to create and use intelligence in order to command the cognitive mission space”

The Fifth Generation Mission-space represents a new environment in which future operations will take place. The complexity of the domain is exacerbated by uncontrolled and undefined actors directing or influencing the narrative. The greatest challenge of the mew mission space is the total erosion of the concepts of the enemy and of war itself. The opponent will be much more ambiguous and warfare will become an insidious creep designed to degrade from within rather than attack from without.

Again this reference to attack from within aligns itself with the Silent Weapons Quiet Wars blueprint that commenced against the people of the United Kingdom on 2nd June 1953. <https://bit.ly/3xIXNn8>

We find ourselves in the position where Councils, Government and Police Forces are no longer fit for purpose and in breach of their oath, why would they be paid by the Men and Women of the United Kingdom?

NOTICES OF OFFENCE will now be required in order for a Lawful service to be put in place to complete a successful criminal prosecution and using the statement of truth/ affidavit (legalese) mechanism un rebutted affidavits will lead to unilateral contracts or commercial liens that will be placed against those in public office who are identified as being personally liable.

Please take note as per the maxim - ignorance is no excuse in law stands for you all. Thanks

England & Wales Chief Constables, Police Constables, MP's, All,

I have copied Philip Hyland's law practice and attached his letter to this communication. It has also been added to the intelligence gathering file agreed with GMP: INT/06A1/0004545/21 awaiting a crime number as agreed. 24.04.21 on provision of a jab victim. We have the victim in a Hospital bed currently and his video testimonial of what has been happening to him from a health perspective after the first Astra Zeneca jab in March 2021.

<https://www.5gmediawatch.com/post/gmp-genocide-report-int-06a1-0004545-21>

<https://www.5gmediawatch.com/post/whistleblowers-day-24-04-21-covid-criminals-app-launch>

This is with GMP for their attention. No response to date. GMP attempted to close down the Intelligence building file so we have identified a cover up of evidence presented. We are awaiting the FOIR - 2775936 data on deaths, burials, cremations 2018 to date by year from GMCA and also who tasked the GMP Economic Crime Unit Police Constable with closing the evidence file? We have our suspicions but need confirmation.

PJH Law have drawn the NHS CEO Sir Simon Stevens attention to The Nolan Principles 2.7.21 which again you were informed of in our recent communication:

<https://www.gov.uk/government/publications/the-7-principles-of-public-life/the-7-principles-of-public-life--2>

Key points from PJH Law:

1. The vaccine programme has been rolled out in breach of the legal requirements for clinicians to obtain the free and informed consent of those being vaccinated.
2. That the requirement to wear face coverings in an NHS setting is in breach of common law obligations not to cause harm and breaches statutory obligations in relation to provision of PPE

The groups of people who my client alleges have breached common law obligations are:

1. HM Government.
2. The Executive Board of the NHS.
3. SAGE.
4. Senior public office holders within the civil service.
5. The Executive Board of the MHRA.

I would also like to add UK - England & Wales Chief Constables and Police Constables under Oath of Office who have followed the "Guidelines" of The UK Government and The Coronavirus Act 2020 which is a counterfeit document and piece of legislation written in DOG LATIN based on false data: No Virus - No Test - No Contagion: Thanks Courtenay: <https://bit.ly/2Va9r6n>

Please read the attached document as it will be key in exposing the wider criminal activity that is linked in destroying the UK economy, the health, humanity and sovereignty of its people.

Just to highlight and confirm what we have been informing you of since 20.10.20 under Common Law is now spelled out by a legal/ law firm for further confirmation that the UK Government have been involved in Treason, Economic and Fear based Political driven Terrorism and now Genocide/ Democide of the population looking to use a Bio Weapon as confirmed by Professor Francis Boyle in the post: <https://www.5gmediawatch.com/post/vaxxing-kids-usa-uk-nuremberg-2-0-iom-1-9-21> .

This act of terrorism against the sovereign men, women and children of the United Kingdom must be stopped immediately.

Just to confirm that all England and Wales Police Chief Constables were aware of what was about to take place before the event and failed to act.

In some cases they attempted to arrest en-route We The People team members from delivering lawful documents completing the process

NOTICE - OF - OBLIGATION - ACCORDING - TO - ENGLISH - CONSTITUTIONAL - LAW

<https://www.we-the-people.co.uk/> <https://www.we-the-people.co.uk/part-2-case-studies> 42 Page document: <https://www.we-the-people.co.uk/download-pdf-version-master>

The process was completed 22.12.20 with an unrebutted affidavit or statement of truth, that now stands as truth in law.

<https://www.5gmediawatch.com/post/affidavit-statement-of-truth-day-7-process-end-22-12-20>

To prevent any duplication of effort and assist Philips team, he is more than welcome to share the current Prima Facie Evidence we have and access to the subject matter experts assembled as we identified the destruction of the UK economy now its people from within Government.

My personal case study is on <https://www.we-the-people.co.uk/part-2-case-studies> highlights fraud and Treason - Case Study 4. We have Doctors, Surgeons and Defence Energy Weapons experts that can identify the component parts to what is clearly a UK Government endorsed attack on its people backed by foreign agents. These further initiatives confirm Treason, Terrorism, Genocide - Democide are the objectives.

Chief Constables, Police Constables, MP's those who are in public office. The Nolan Principles are your guide not Masonic or Common Purpose Oaths of Secrecy.

Act now to save face and speed up the corrective measures to prevent further harm, loss or injury to the men women and children of this country. Thanks

We now have the evidence required to indicate that there is a blanket cover up and obstruction to justice being done within England & Wales Police Forces to protect the Greater Masonic/ Elders of Zion/ Common Purpose mission of Genocide Democide on the UK population. This Mike Kane MP helped personally qualify 30.11.2018 at his offices in Wythenshawe with myself after the meeting in Portcullis House, Westminster 16.10.18 with APPG Banking Exec Director Heather Buchanan, witnessed by James Ventress. Referring to the Elders of Zion aka Rothschilds, triggered his natural defensive mode and he went on a real wobbler. We know who controls Mike.

We know "Who Dunnit" so to speak and now how they managed to keep you all quiet. Be it financial or Masonic Oaths of Secrecy, Photos etc, its leverage, its unlawful. There is no escaping what will follow.

A quick summary with all the evidence you require to act in honor built into the post below:

<https://www.5gmediawatch.com/post/vaxxing-kids-usa-uk-nuremberg-2-0-iom-1-9-21>

Let me remind you of the 7 Principles of Public Life, The Nolan Principles: <https://www.gov.uk/government/publications/the-7-principles-of-public-life/the-7-principles-of-public-life--2>

As you failed in The Nolan Principles to date, this is where we are now and what to expect.

Genocide - Democide - Breakdown:

Phase 1 Genocide - Democide - The Elderly with a concoction of Midazolam and Morphine delivered by syringe drivers in care homes. Flu jabs with Nano Particulates are a contributing factor 2018/2019/ 2020.

Phase 2 Genocide - Democide - Those jabbed who make up 60% of COVID identified deaths (PHE data) this is on target for the 66 Million to 15 Million survivors, Deagel.com projections now taken from the internet. We have copies.

Phase 3 Genocide - Democide - This will be timed with Euro 2020 final stages with all football fans that have been swabbed/ DARPA Hydrogel, Health Passport compliant, mostly jabbed to travel and get back into arenas, with the toxic bio weapon and chip implanted, ready to return to their local communities where they will be blasted with a 5G - 900Mhz blanket Electro Magnetic Wave or WiGIG 60GHz in grounds that will trigger the nano particulates - metals in the jabs.

Remember you cannot catch a virus (Stefan Lanka - Virus' dont exist - See Courtenay's work on outfection's) or in this case poison.

Poison has to be injected or externally triggered - 5G EMF - EMP. GMP intelligence building reference: INT/06A1/0004545/21 has the evidence.

Confirmed, receipted GMP: <https://www.5gmediawatch.com/post/gmp-genocide-report-int-06a1-0004545-21>

Phase 3 Timeline: <https://www.uefa.com/uefaeuro-2020/fixtures-results/#/rd/2001028> Wembley packed possibly England in the final, expect third wave around 15th July roughly. Its coming home but what exactly is it?

Answer: The next FULL LOCKDOWN on the back of the biggest murder case cover up in history. Thanks guys.

There are now confirmed reports they have started coming for the kids in the UK as in the USA. This is a clear Nuremberg Code breach and still you do nothing?

<https://history.nih.gov/display/history/Nuremberg+Code>

1. The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, over-reaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved, as to enable him to make an understanding and enlightened decision. This latter element requires that, before the acceptance of an affirmative decision by the experimental subject, there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person, which may possibly come from his participation in the experiment. The duty and responsibility for ascertaining the quality of the consent rests upon each individual who initiates, directs or engages in the experiment. It is a personal duty and responsibility which may not be delegated to another with impunity

READ THEM ALL 1-10 BUT CHILDREN & YOUNG ADULTS HAVE BEEN MASSIVELY MIS INFORMED AND CHILDREN DO NOT HAVE THE MENTAL CAPACITY OF AN ADULT.

INFORMED CHOICE WITH FULL TRANSPARENCY IS KEY. THIS IS MANSLAUGHTER. DEMOCIDE: <https://principia-scientific.com/professor-dolores-cahill-people-will-start-dying-after-covid-vaccine/>

10. During the course of the experiment, the scientist in charge must be prepared to terminate the experiment at any stage, if he has probable cause to believe, in the exercise of the good faith, superior skill and careful judgement required of him, that a continuation of the experiment is likely to result in injury, disability, or death to the experimental subject.

Again Oaths of Office prompt reminder and We The People - Reminder from 20.10.20: <https://www.we-the-people.co.uk/> Case study 5 for Councils that are attempting to cover up the fact they've allowed 5G EMF Kill Grids to be fitted across all major UK Towns and Cities. <https://www.we-the-people.co.uk/part-2-case-studies> 5G: LED Street Lighting - Phased Array Beam forming units - 868 Mhz Urban Radar etc https://www.exeter.ac.uk/news/featurednews/title_655460_en.html : 5G Kill Grid - Attack Mode <https://bit.ly/3dbsVfR> Police Chief Constables, all work for Councils or are paid through Councils in the vast majority of cases.

Answer this. Why would anyone pay your wages or pensions when you allowed their families and children to be massacred and you were fully informed of what was to take or had taken place and in a position to prevent Genocide?

Each of you are personally accountable and responsible as men and women. Just a passing thought. Have a great day.
