**This Crime Report will be linked to the audit trail of crime report requests passed to Greater Manchester Police & NPCC Freedom of Information office for the attention of Martin Hewitt: [npcc.foi.request@cru.pnn.police.uk](mailto:npcc.foi.request@cru.pnn.police.uk). Please make sure all Chief Constables are aware. GMP Intelligence gathering file: INT/06A1/0004545/21 to be updated.**

**Please Provide a Crime Report Number.**

Preamble: A full statement and further evidence will be provided on request.

This course of action has been necessary as UK Police Forces have NOT been recording the Genocide or Democide activities of UK Government and those NHS staff that have been allowed to continue to practice under the counterfeit document known as The CoronaVirus Act 2020. The main objective was to administer Bio Weapons promoted as vaccines on the UK population, this has NOT been halted. This needs to happen immediately.

The CoronaVirus Act 2020 in the fullness of time will help identify all "COVID Criminals" that have been bought, compromised, manipulated or profited enabling further deaths to be achieved and ultimately financial gain accomplished by HM Treasury. This is planned premeditated Murder or Democide. HM Treasury and HMRC deem it balancing the books and forms part of those who manage the UK Governments Silent Weapons Quiet Wars blueprint.

In brief the Bio Weapon if not physically rejected within days and causing an acute condition by the man, woman or child within a short timescale identified as an Adverse Reaction is then ready to be triggered by 5G Electro Magnetic Waves as the antennae output power emission levels are increased.

This was detailed in video format within We The People, Project Elephant case study 5.

The 5G Electro Magnetic Waves will cause Hypoxia or Hypoxemia and the victim will die by design of those involved in the wider construct aimed at the depopulation agenda known as Agenda 21/ 2030 or The Great Reset. This in plain language is premeditated murder.

Evidence is linked to the COVID Criminals App and has already been presented to Chief Constables across England and Wales during 2020: <https://www.we-the-people.co.uk/>

## CRIME REPORT - COVID Criminals - <https://qr.cr/m/cc101/>

This activity delivered through Government and Corporations financially backed and initiated through Banks linked with The Rothschild Cartel has been an act of warfare known as asymmetrical and the methods and process are further explained within:

Please provide a crime report number by return email. Thanks.

Intelligence gathering number: INT/06A1/0004545/21

Intelligence gathering number INT/06A1/0004545/21 was agreed to hold all relevant data and a qualified Police Constable under Oath or team would be reviewing that data and raising a crime number.

This was video recorded at Northampton Road and related recordings can be found at:

<https://www.5gmediawatch.com/post/whistleblowers-day-24-04-21-covid-criminals-app-launch>

The date the file was opened 24<sup>th</sup> April 2021.

After linked subject matter email exchanges and raising related evidence queries through GMCA specifically the Information Government Officer William Monaghan, an attempt was made by the GMP Economic Crime Unit to close down the investigation or prevent a crime number being raised.

It would appear the prompt may have come from a GMCA or Trafford Council staff member.

We had levied a series of questions that clearly identify the hoax pandemic, fraud and genocide and it would appear those in Central and Local Government would be exposed.

The evidence would clearly identify Andy Burnham – GMCA leader, The GMP - Economic Crime Unit and Mike Kane MP, Sale East & Wythenshawe as benefitting from this investigation not going ahead.

This is a crime report within a crime report and I am the victim, The people of Greater Manchester are the Victims. The UK population are the victims. A Crime Number is Required

As GMP are failing to do their job as it will identify that within their own ranks they are guilty of covering up Treason, Genocide, Democide, Fraud, Murder and the eventual theft of property through the white collar criminal networks linked by association, acting in their masonic and common purpose capacity, with Oaths to Secret Societies and the financial Cartels run by Rothschilds and The City, Bank of England network.

We The People case study 4 confirms by process and third party writings we have corruption at every level of public life in breach of the Nolan principles.

The investigation and crime report number should be delayed no further. Please provide that crime number.

William,

We now have video witness testimony from the guy who has recorded from his hospital bed the fact he has been poisoned by the NHS and "Authorities".

This collateral is now in the evidence building file.

He lives near Heathrow airport and will be impacted by nano particulates in the Bio Weapon (Vaccine) and a toxic microwave combination.

You were copied on the mail to all England & Wales Chief Constables.

Greater Manchester and other cities UK/ Internationally are being subjected to asymmetrical warfare techniques using 5G microwave, LED 666 THz and Bio Weapons.

Find out who in GMP is attempting to close down the intelligence gathering file: <https://www.5gmediawatch.com/post/gmp-genocide-report-int-06a1-0004545-21>

Extracts from chat exchanges with the victim in this post, video and audio files are in the intelligence bundle: <https://www.5gmediawatch.com/post/all-hands-face-no-space-flipside>

Many are experiencing this but they don't know what it is as the UK Government both Centrally and Locally have misinformed them by design.

All roads lead back to the HM Treasury as they profit from our deaths - Sovereign Wealth Bonds. These are cashed on death against the Fiction ie: BRUCE ROBERT LAMB.

Is Andy Burnham as GMP, Police Commissioner blocking the Crime Number being raised? This is now a further FOIR request.

This email exchange is going into the evidence bundle. Thanks
